Through the Eye of the Whale Jana Mitzoda,2021-07-07 Life can be a conscious voyage on the sea of dreams, surfing the waves of love. This book is a response to the calling of my soul, who longed to tell her story which might inspire people to open up to live their story according to their own inner wisdom. Our soul keeps us constantly connected to the Source, and you might already have your preferred way of communicating with it. Whether through prayer, meditation, dreaming, or by listening to intuition, body awareness, breath flow, the language of nature, or the magic of synchronicity, everyone has access to their guidance within. We all carry a unique gift we have come here to develop and that makes each being an original work of art. While we live, we are fully responsible for our mental, physical, emotional, and spiritual condition. We were born into a specific body and background, potentially aware of how on a deeper level everything is interconnected - at the level of body, soul, humanity, our planet and the universe at large. Creating this book has become a three-year journey of healing, self-acceptance and increasing awareness of the uniqueness of my own journey. Where is the place on Earth where I am supposed to be? I asked myself a few years ago. During that time, my natural desire to grow my awareness on the path to mastery in being myself attracted many kindred spirits who whom we support each other. We enjoy being and living this mystery together. The dream of our soul holds the idea of what it wants to experience and create for ages and across lifetimes. The task of our human self is to open up to this big dream of the soul and allow it to reconcile anything that is not aligned with this great soul's intent in our current life. Each of us moves within the flow of life as an endless experiment. Collectively, we are on Earth in the middle of a war for our consciousness and energy. The only way out of the chaos is through higher vibrational states of being such as love, peace and joy. It all starts with our thoughts, emotions, words and actions. Let's not wait for any savior to tell us what to do. Instead, let's turn inward. To the truth about the light of the Source, which is our essence. Let's anchor in the awareness that we are love and thus allow our body to radiate it in the form of light outside of us. A few years ago, I had a dream in which I was presented with a list of values that will be fundamental on Earth in the future. I missed humanity among them. Our soul, heart, empathy and humanness, these qualities are now needed more than ever before. As the old structures of the outside world fall apart and we are seemingly constrained by restrictions, we are presented a life chance to immerse ourselves inside and by consciously sailing the endless sea of dreams on the waves of love, to return to our essence, which is crystal clear love. Only when we harmonize within may the outside

world change. The game we play here therefore begins and ends inside each of us.

Life After Darkness Michelle Knight, 2024-09-24 From the kidnapping survivor and #1 New York Times -bestselling author of *Finding Me* comes an inspirational book about healing and resilience. Michelle Knight—now known as Lily Rose Lee—captured the world's attention in May 2013, when she and two fellow kidnapping victims were found and freed after

being held for more than a decade by notorious Cleveland kidnapper Ariel Castro. But many people are still asking: What happened after her escape? How do you re-enter society after years of abuse and isolation? How do you get past the trauma and live a happy and joy filled life? How do you learn to trust again? In *Life After Darkness*, published on the fifth anniversary of her liberation, Lily describes how she managed to heal the wounds to her body, mind, and soul—wounds, she reveals, that were first inflicted even before her kidnapping. With the help of good friends and anchored by her own inner strength, she takes us with her step by step on her journey out of darkness into the light. An inspiring story—and for anyone who has dared to hope after suffering, a guidebook to finding new purpose for a meaningful life. Her story is beautiful. It is inspiring. I can tell you, it is a must-read. —Dr. Phil McGraw

A love forged in the fires of pain, a passion so raw it defies reason, and an attraction so fierce it consumes everything in its path. He is a dangerous, tormented man—a living shadow of violence and power, with a past buried deep in forgotten darkness. She is a wounded soul, her innocence fractured by the weight of memories she longs to escape. To him, she is an Angel—so pure, so fragile, so achingly beautiful, she becomes his obsession. To her, he is her Savior—her protector, her shield against a world that has left her scarred. But beneath the surface of desire and devotion lies a truth that neither of them is prepared to face. Los Angeles has its own sins, and not every savior wears a halo. The gates of hell are ready to open, and when they do, more than one soul will burn. Because now, she belongs to him. And the devil has no mercy for those who dare to threaten what he's claimed. **A dark romance of power, possession, and redemption—where love and obsession blur, and nothing is as it seems. Prepare to enter a world where even angels must dance with the devil.**

White's *The Elements Of Style* did for English language students and writers alike; gives an all-in-one definitive manifesto for contemporary songwriters in every genre to organize, understand, and practice the rules, principles, definitions, forms, and song craft needed to create good songs, songs of undeniable creative power and beauty, songs that last. *The Elements of Song Craft* beelines directly to the most important aspect of writing good songs—identifying the key emotion living at the heart of the song—then offers a step-by-step process to harnessing that singular emotional power. Additionally, a dozen other strategies, formulas, perspectives, and exercises are offered in the book. *The Elements of Song Craft* introduces, for the first time to a general songwriting audience, an effective new songwriting vocabulary utilized by songwriters taught in the SONG ARTS ACADEMY method and supported by ASCAP, BMI, and SESAC, the world's leading Performance Rights Organizations at the heart of the songwriting business, as well as at NYU Steinhardt's and The New School's songwriting programs, for over sixteen years. Thousands of song arts participants, including hit songwriters and *The Voice* and *American Idol* contestants,

Off Broadway Musicals, 1910-2007 Dan Dietz,2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.
