

Constelaciones Familiares En Adrogu

Eleonora Fondeur

Las constelaciones familiares Peter Bourquin, 2013-12-02 Desde el momento de nacer cada uno de nosotros está inmerso en un tejido de vínculos que le une con todos los miembros de su familia. Esta influencia nos acompaña para bien o para mal, y normalmente de manera inconsciente. Las Constelaciones Familiares hacen visibles las dinámicas que rigen un sistema familiar, a veces durante varias generaciones, y abren el camino hacia posibles soluciones a los conflictos planteados. El método de las Constelaciones Familiares se ha introducido desde hace pocos años en la oferta terapéutica en España. Ha tenido una buena acogida y se está extendiendo rápidamente, pero es necesario ser conscientes de sus posibilidades y de sus límites para evitar confusiones y malentendidos que puedan llevar a esperar de este método tan valioso algo que no puede dar. En este libro, el primero escrito en España sobre el tema, el autor nos acerca de manera sencilla y amena a los conceptos básicos de las Constelaciones Familiares. Su lectura aporta una visión panorámica de este método y nos introduce en la comprensión sistémica, que constituye su base. Testimonios y ejemplos tomados de la práctica ilustran al lector las diferentes facetas que abarca.

Constelaciones familiares Sara Gloria Levita, 2016-10-15 La terapeuta Sara Levita explica en este libro qué sucede en un taller de Constelaciones Familiares. Las conmovedoras historias que se relatan, sumadas al soporte teórico, hablan de una experiencia intensa, transformadora y eficaz. Todos tenemos dificultades, tristezas, conflictos o dolores. Repetimos errores una y otra vez. Cargamos con un peso que no podemos aliviar. ¿Qué podríamos comprender y sanar si atravesáramos la experiencia de una Constelación Familiar? ¿En qué nos guía y ayuda esta corriente terapéutica creada por Bert Hellinger? Las respuestas están en las páginas de este libro. Las Constelaciones Familiares son una herramienta para recobrar el orden familiar, ancestral, y ocupar finalmente un lugar propio en la línea de la vida. Y así, reconciliarnos con nuestra historia, entender a quienes nos precedieron y despejar el camino con amor.

Liberar El Pasado a Partir de Las Constelaciones Familiares Galina Husaruk, 2015-06 Nadie nace como un libro en blanco. Todos tenemos un padre y una madre, cuatro abuelos, ocho bisabuelos, etc.; todos heredamos una carga genética - sufrimientos, destinos, sucesos - que influye en nuestra calidad de vida, pues estamos programados para reproducir inconscientemente ciertos patrones de comportamiento. El individuo, desde niño, arrastra en su vida, de generación en generación, tal como ocurre con las enfermedades hereditarias, un fardo en ocasiones terriblemente pesado. Pero, ¿cómo

liberarnos de un pasado ancestral que aprisiona nuestra vida? ¿Cómo vivir una vida más rica y armoniosa? Liberar el pasado te lleva a comprender la dinámica de las constelaciones familiares describiendo capítulo a capítulo el trabajo de esta magnífica terapia a la vez que te permite tomar conciencia de las leyes y dinámicas que gobiernan todos los sistemas, empezando por el sistema familiar. Las constelaciones familiares -método desarrollado por Bert Hellinger, psicoterapeuta alemán nominado en 2011 para el Premio Nobel de la Paz- permiten sacar a la luz y exteriorizar el inconsciente, y, de este modo, liberarnos.

El Río nunca mira atrás Ursula Franke, 2011-08 El río nunca mira atrás es un libro que analiza la teoría y la práctica del método de la constelación familiar sistémica, y con ese objetivo Ursula Franke explica minuciosamente cuáles fueron los precursores de las constelaciones familiares, sin olvidar presentar y definir la terminología básica de estos métodos. Aporta asimismo un modelo hipotético que intenta explicar la eficacia de las constelaciones y aborda varias de las cuestiones que surgen durante este trabajo. La sección empírica del libro permite al lector observar el procedimiento que tiene lugar durante una constelación, desde la hipótesis inicial del terapeuta hasta la fase de resolución final. Franke explica paso a paso la aplicación de este procedimiento en la terapia individual, además de las posibilidades y las limitaciones del uso de constelaciones en la terapia individual. El estudio presentado en *El río nunca mira atrás* se centra en la terapia de pacientes afectados por trastornos de ansiedad. Los resultados del mismo pueden ser aplicados a la práctica psicoterapéutica regular y, por consiguiente, resultan de gran utilidad para todos los terapeutas que trabajan con constelaciones.

Constelaciones familiares para la prosperidad y la abundancia Ingala Robl, 2014-11

Constelaciones familiares Paula Jiménez Huertas, 2014

Constelaciones Familiares: Acuerdos Que Sanan (Una Nueva Mirada del Amor) Marcelo Ducruet, 2022-05-02 Este libro facilita el difícil ejercicio de la superación de desafíos personales y la travesía por la propia historia para rectificar, comprender, sanar el presente y producir un cambio que construya lentamente un futuro brillante. Los lectores hallarán las herramientas para reconciliarse con el pasado, recuperar la capacidad de establecer acuerdos y resolver incertidumbres para introducirse en el maravilloso mundo de las Psicoconstelaciones. Gracias a este método de trabajo es posible recuperar información que creíamos perdida, reconstruir ciertos tramos del pasado, armar una autobiografía más coherente y sana, y elevar nuestro presente a una forma de vida más digna y placentera para que las almas se manifiesten y se comuniquen y funcione como disparador de un proceso de transformación. This book facilitates the difficult exercise of overcoming personal challenges and the journey through one's own history to rectify, understand, heal the present and produce a change that slowly builds a bright future. Readers will find the tools to reconcile with the past, regain the ability to establish agreements and resolve uncertainties to enter the wonderful world of Psycho-constellations. Thanks to this working method it is possible to recover information that we thought was lost, reconstruct certain sections of the past, put together a more

coherent and healthy autobiography, and elevate our present to a more dignified and pleasant way of life for souls to manifest and communicate. and it functions as a trigger for a transformation process.

Tras las huellas Eleonora Fondeur,2020-05-28 La constelación familiar es una novedosa herramienta terapéutica que exige a los facilitadores tener un manejo de otros recursos en busca de hacer fluir una ayuda significativa para liberar el conflicto de quienes les consultan al respecto.Se ha escrito mucho sobre el papel de los representantes en constelaciones familiares de grupo. También se ha escrito sobre los muñecos y su uso terapéutico, sin embargo, no se ha escrito sobre el uso de las plantillas y las implicaciones sistémicas que pueden derivarse de su colocación y observación.La información manejada en estas páginas, además de ofrecer datos bibliográficos, contribuye a experimentar otras maneras de abordar los temas que las personas desean en busca de manejar o comprender alguna situación familiar que les preocupa o simplemente llama su atención.Para ello se presentan 10 casos de clientes de ambos sexos, 4 de terapia individual y 6 de grupo, todos tratados con este tipo de terapia. Asimismo, 8 clientes que también recibieron terapias ofrecieron sus testimonios grabados, los cuales fueron transcritos con el fin de corroborar que la terapia recibida fue eficaz.

El intercambio Bert Hellinger,2006
