Someone Special Sheila O'Flanagan,2017-12-05 SOMEONE SPECIAL by Sheila O'Flanagan is an enthralling novel about families, friends and finding love that should not be missed by readers of Emily Bleeker and Kerry Lonsdale. Romy Kilkenny loves her life in Australia - she has her dream job, a fun lifestyle, and best friend Keith who understands her better than anyone. Best of all, she couldn't be further from her family. But when a phone call summons her home at short notice, Romy's world is turned upside down. Romy has never fitted in, and with Keith too far away to give comfort, she feels like more of an outsider than ever. She also worries that the accidental half-kiss with Keith at the airport may have lost her the greatest friend she's ever had. What on earth has Romy let herself in for?

Love: The Greatest Force in The Wonderment of The Human Experience Kevin Unruh,2024-08-10 Love: The Greatest Force in the Wonderment of the Human Experience is three things: an homage, a reminder, and a gift. This book was written to pay tribute to the most powerful of all human acts and emotions, to remind us of the power of love - a power that we all have access to every day of our lives - and to serve as a physical gift to be given to anyone that you love. Love takes many forms and is expressed in many different ways. This book is for anyone that you love: partner, spouse, friend, or family member. It is a collection of short chapters, past and present quotations, and includes sections in which you can write your own expressions of love and gratitude for the person to whom you give this book. It is also designed specifically to help those who sometimes have difficulty expressing themselves with respect to feelings of love. We humans are a powerful species and love is our secret weapon, our most beautiful language, and our greatest gift. Mysticism in Newburyport Peter James Ford, 2023-03-26 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

Bursting Bubbles (Making Adversity Okay) Mark Miljons-Rostoks,2021-11-05 This is a diary written from a mini nursing home during the initial COVID-19 lockdowns in Melbourne, Australia. Mark Miljons-Rostoks offers a personal, reflective, and emotional account of a young quadriplegic man searching for meaning amid the global pandemic. He details the realities of life in care and how he plans to re-establish an inspiring life. It’s one massive vent-fest. A rare glimpse is given into a life that not many people know about, understand or can even imagine. He does this by undertaking a writing challenge that explores almost every facet of his life intimately. He also reflects on his life highlights prior to illness, fumbles his way through understanding some personal dilemmas in the present, then explores his ambitions as he plans for a brighter future when quarantine lifts. The author also recalls how he became quadriplegic after getting sick during a backpacking holiday to Europe, and how despite not being able to move his limbs he is determined that he was put here to thrive—not survive. There

are highs and lows, obscure ideas and confessions, revelations and humorous accounts, and blimey even some shocking truths exposed. But above all, a raw, robust, resilient human spirit shines through in the face of adversity.

Last Request Trent Gill, 2008-12 I wrote this book to challenge certain people. Who am I challenging? People who feel empty inside. Do you have anger within you and want to let it go? Are you filled with sadness but want to experience joy? Do you feel lost? Confused? Hopeless? Do you feel that life is pointless? Are you depressed? Do you feel like giving up?... If you answered yes to any of those questions, I challenge you to read this book. I'm confident my book can help you fill that emptiness that is presently inside of you and give you a new outlook on life.

Questioning Evangelism, 3rd edition Randy Newman, 2023-01-17 You don't need to memorize evangelical formulas or answers. You just have to be willing to ask questions. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people; He asked questions. So why don't we? Campus ministry veteran Randy Newman has been using a questioning style of evangelism for years. In this thought-provoking book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. To Newman, asking questions challenges how we think about unbelievers, their questions, and our message, instead of telling unbelievers what to think. A perennial best-seller, this third edition includes both revisions of current chapters, such as an expanded discussion on LGBTQ+ issues and the debate on transgenderism, and new chapters that ponder issues such as science and suffering. Distilled out of twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself! --D. A. Carson, Trinity Evangelical Divinity School *Questioning Evangelism* steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day. --Mitch Glaser, Chosen People Ministries
