Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

Suffragist Sheet Music Danny O. Crew, 2015-09-16 This is an exhaustive reference work of sheet music published in the United States from the late 18th century to the year after adoption of the 19th amendment to the Constitution granting women the right to vote. In chronological order, the entries present bibliographic data (words by, music by, published in, published by, copyright, size, cover, inside, key, location) on each piece of music, a photographic depiction of the cover or first page (where available), and the complete lyrics for each piece. Included are early music of a rebellious nature, music surrounding the early woman's rights conventions, and pro and anti woman's rights and suffrage pieces from 1795 on; a limited number of entries on non-U.S. sheet music are presented also. General music about women, sentimental and love songs, and songs related to traditional roles and stereotypes have not been included.

Cataloging Sheet Music Music Library Association. Working Group on Sheet Music Cataloging Guidelines, 2003-07-08 Discussions are designed to expand the music cataloger's understanding of publishing practices peculiar to sheet music. While much of the content emphasizes the description of the music, there are also sections devoted to subject access to illustrations, first-line/chorus/refrain text, illustrators, engravers, and publishers, and extensive reproductions of title pages from the 18th through mid-20th centuries, accompanied by examples of the cataloging, are also included.

The top hits for each year are described, including vital information such as song origin, artist(s), and chart information. For many songs, the author includes any web or library holdings of sheet music covers, musical scores, and free audio files. An extensive collection of biographical sketches follows, providing performing credits, relevant professional
