*ISO - ISO 9000 family — Quality management* The ISO 9000 family consists of the world's best known standard for quality management systems (QMS), ISO 9001, along with a set of supporting standards on quality management, all published by ISO/TC 176 and its subcommittees. **ISO - Standards** Covering almost every product, process or service imaginable, ISO makes standards used everywhere. ISO - Management system standards They include standards such as ISO 9001, ISO 14001 and ISO 50001, which apply to quality management, environmental management and energy management respectively. **ISO - Stages and resources for standards development** Whichever track is chosen, the development process for ISO standards follows defined stages. These stages, and the main resources required at each stage, are shown below. To understand the stages in full detail, visit our page on international harmonized stage codes. **ISO - Store** Strengthen your organization's resilience with our ISO 22301 standards bundle, including ISO 22313 for comprehensive guidance on business continuity management. **ISO - Normas** Covering almost every product, process or service imaginable, ISO makes standards used everywhere. ISO - Structure and governance ISO is an independent, non-governmental organization made up of members from the national standards bodies of 173 countries. Our members play a vital role in how we operate, meeting once a year for a General Assembly that decides our strategic objectives. ISO - Organización Internacional de Normalización ISO: Normas mundiales para bienes y servicios de confianza Las normas definen lo que es excelente, estableciendo puntos de referencia coherentes tanto para las empresas como para los consumidores, garantizando así la fiabilidad, generando confianza y simplificando las opciones. *ISO - Developing standards* This brochure offers delegates and experts a quick reference to the ISO system and its processes. *ISO - International Organization for Standardization* We're ISO, the International Organization for Standardization. We develop and publish International Standards.
