

Plaza Mayor Trujillo Como Llegar

Juan de Arona

365 lugares de España que no puedes dejar de visitar Paco Nadal, 2012-11-01 Volumen que recoge 365 rincones de España que por su belleza o particularidad merecen ser visitados y admirados. «Decir que España es el país con mayor variedad paisajística de Europa sería una obviedad. ¿En qué otro lugar del continente podrías desayunar en un desierto casi africano, entre azufaifas, palmitos y henequenes, y cenar junto a las cumbres nevadas de una cordillera de ambiente alpino? Entre un extremo y otro se despliegan innumerables lugares mágicos: paisajes, aldeas, catedrales, puentes, ermitas, bosques... Excusas maravillosas para moverse, para viajar y descubrir un territorio único. Los 365 lugares de este libro, que podrían haber sido quinientos o mil, son una selección muy personal de sitios que recomendaría visitar.» Paco Nadal

Luna roja Nieves Herrero, 2024-11-14 Una reportera en el Madrid de los años cincuenta. Un asesinato en la alta sociedad. Resolver un misterio nunca fue tan fascinante. «Cuando la luna está llena y con un halo rojo en su interior, es que esa noche se va a cometer un terrible crimen». Madrid, 1954. La joven Margot Sanz Peters regresa a España después de formarse en Londres como periodista de moda. Miembro de una distinguida familia de diplomáticos y amiga íntima de las damas más elegantes de la época -desde Cayetana Fitz-James Stuart hasta Aline Griffith, la futura condesa de Romanones-, la reportera accede rápidamente a los círculos más exclusivos de una ciudad que ha dejado atrás los peores años de la posguerra y empieza a abrirse a la modernidad. Pero Margot es mucho más que una experta en moda. Lectora voraz de las novelas de Sherlock Holmes, desde niña ha sentido fascinación por la mente criminal. Por eso, cuando el enigmático asesinato de una marquesa sacude a la alta sociedad madrileña, nuestra protagonista dará el salto a la revista de sucesos más popular del momento y comenzará a colaborar con la policía, poniendo así a prueba sus dotes de investigación en un juego cada vez más peligroso. Con esta novela que hilvana glamour con finas puntadas de misterio, Nieves Herrero nos presenta a una perspicaz periodista que intenta resolver una serie de crímenes en la fascinante España de los años cincuenta. Todo un homenaje a la época dorada de la crónica negra.

Los 101 pueblos más bonitos de España en 30 etapas Clemente Corona Méndez, 2019-05-28 Ojear un mapa de España es abrir un volumen cuya lectura no se acaba jamás, dar forma a la acepción viajera de aquella fantasía borgiana que soñaba con un libro en el que cupieran todos; en este caso, extendemos el mapa de un territorio, el español, donde parece que nos cabe el mundo entero. Escuchamos expresiones con tanta frecuencia y para vestir tantas situaciones diferentes que pierden todo su significado; y una de esas expresiones es la de que España es un crisol de culturas, de naciones, de costumbres. Claro que lo es. Para comprobarlo solo basta con mirarnos, cada uno de nosotros, al espejo por la mañana y, sabiendo someramente con qué comparar, detenernos ante nuestro rostro, marcado con rasgos árabes, judíos, romanos, mediterráneos, celtas y amerindios. En España, todos somos pura mezcla, pura suma —arrumbada, tal vez—. Y esa macedonia, y la riqueza que encierra, es evidente en cualquier esquina de este mapa nuestro que, siguiendo las carreteras secundarias, y sin más prisa que la de que no se nos hiciera muy —solo muy— de noche, hemos recorrido en treinta etapas para intentar encerrarlo en este libro, borgiano por partida doble, que tienes ahora entre tus manos.

San Cristóbal, urbs quadrata Samir Abdalá Sánchez Escalante, 2003

Fortunata y Jacinta Benito Pérez Galdós, 2011 Fortunata y Jacinta es la obra máxima de Benito Pérez Galdós, sin duda uno de los primeros novelistas de nuestras letras. Es ésta una novela rica y densa como pocas, una composición polifónica movida por mano maestra. La presente edición es fiel al texto de la primera, publicada en 1887, e incorpora las correcciones -muy significativas- que el mismo autor realizó sobre las pruebas de imprenta. La introducción presta especial atención a la imbricación entre los acontecimientos históricos de fondo y la peripecia personal de sus protagonistas.

La verdad de Agamenón Javier Cercas, 2013-04-04 Un libro híbrido de relatos, pasiones y recuerdos autobiográficos. A la escritura de Javier Cercas se la reconoce por un estilo y una voz inconfundibles, pero también por la mezcla inextricable de géneros que conviven en ella y por la naturalidad con que transita de la ficción a la no ficción. Sus novelas tienen casi siempre un componente ensayístico, y a menudo participan de la crónica, la falsa autobiografía y la discusión literaria e histórica. Por lo mismo, sus reportajes y artículos nunca pretenden ocultar a un narrador puro que arrolla con su incontenible e irónica capacidad persuasiva, convirtiendo cuanto toca en literatura. De esa naturaleza híbrida participa La verdad de Agamenón. Las piezas que reúne esta miscelánea están agrupadas en cuatro partes: «Autobiografías» acoge relatos de viajes, de ciertas pasiones y recuerdos personales; «Cartas de batalla», textos casi siempre vindicativos y polémicos que atañen a nuestra historia y literatura recientes; «Nuevos relatos reales», desopilantes historias que no eluden la emoción ni el compromiso con la propia memoria; por último, «Los contemporáneos» incluye algunos ejercicios de admiración y de diálogo con ciertos escritores próximos al quehacer literario del autor. En todos ellos asoma esa dualidad de crítica y narración, de experiencia personal e intelectual o libresca que es consustancial a las novelas de Cercas y que aquí se manifiesta de forma tal vez más flagrante, pero no menos gozosa. Esa imbricación explica la presencia del hilarante cuento

final, «una fábula sobre el deseo, o la imposibilidad, de ser otro», que a modo de brillante epílogo remata un volumen donde acaso se hallen algunas de las mejores páginas del autor. Reseñas: «Cercas pertenece a la estirpe de los grandes escritores; es indudable.» Livres Hebdo «La intensa y brillante claridad de la emoción en la escritura de Cercas remite a Scott Fitzgerald y a Faulkner.» Independent

Vacaciones en Espana Martín Alonso Pedraz, 1966

Los Peligrosos de Puyallí Telésforo Chávez Salvatierra, 2014-06-02 Esta es la historia de Puyallí, un pequeño pueblo de los Andes del Perú. Es la narración de su civilización, de sus costumbres, con sus mitos y leyendas misteriosas, y de su evolución a través del tiempo. De igual modo, es la historia de una familia y de sus generaciones, desde la llegada del hombre blanco a la región, donde se casaron con las indias nativas para formar entre ambas razas un cruce de civilizaciones que evolucionaron juntos al compás de los tiempos. Asimismo, podría ser la historia de muchos hombres europeos que fueron al Nuevo Mundo en la época de la conquista y, después, formaron parte de la historia de las Américas. Gente que aportó su cultura y sus nuevas costumbres al país de acogida, naciendo de esta mezcla de razas una nueva generación mestiza, de sangre española con un latido incaico, la cual cambió el rumbo de la historia de los pueblos. Así, de esta manera, podemos conocer cómo se fueron formando los pueblos de la región andina en sus inicios, y los orígenes de muchas familias mestizas desde la época de la colonización española hasta nuestros días, pasando por su lucha emancipadora, su independencia y la guerra con Chile; su apogeo económico y su derrumbe fiscal ocasionado por la corrupción de sus gobernantes que, junto al terrorismo, se encargaron de hundir al país, dando origen en la década de los noventa a una emigración masiva en todos los círculos sociales. Así pues conoceremos la historia de este humilde poblado, como ejemplo de lo que también podría haber sucedido en varios lugares del mundo.

Resumen de la historia de Venezuela desde el año de 1797 hasta el de 1830 Rafael María Baralt, 1939

Francisco Pizarro Martín Rubio, María del Carmen, 2014-01-01 XX Premio Fundación Obra Pía de los Pizarro Francisco Pizarro vino al mundo en Trujillo de Extremadura. Fue fruto de los furtivos amores mantenidos entre la campesina Francisca González y el capitán Gonzalo Pizarro; por tanto tuvo genes plebeyos e hidalgos. Sin embargo, muy pronto primaron en él los paternos, ya que a los diecisiete años éstos le indujeron a seguir la carrera militar. A esa edad se enroló en los tercios del Gran Capitán, que luchaban en Nápoles, y desde entonces se convirtió en un soldado. Consecuentemente, después de regresar de Italia, en 1502, marchó a las Indias y mientras participaba en las expediciones fundacionales de poblaciones caribeñas y en el descubrimiento del Mar del Sur, comenzó a soñar con encontrar el rico Birú. Su gran tesón y constancia le

permitieron conquistarlo, cuando ya tenía una edad avanzada, tras protagonizar una gesta de gran valentía y heroicidad casi sin precedentes en la Historia. A partir de ahí, Francisco Pizarro se transformó en un gobernador que creó ciudades, legisló ordenanzas para su buen funcionamiento, para la explotación minera y propició el bienestar de los aborígenes. Pero esta labor no siempre ha sido reconocida; muchas veces ha quedado empañada por las ejecuciones realizadas bajo su mandato, como las del Inca Atahualpa y la de su socio Diego de Almagro, o por la considerada destrucción del Tahuantinsuyo, el gran imperio Inca. En las páginas de este libro se ponen de manifiesto, además de las luces y las sombras del conquistador, la infinidad de dificultades que hubo de vencer hasta lograr su objetivo y los amores con dos princesas andinas; todo ello reflejado bajo su propia voz con el fin de que sea el lector quien establezca la opinión que le merece tan discutido personaje.
