

Del Piero 1998 World Cup

Richard Witzig

20 Soccer Superstars Mauricio Velazquez de Leon, 2010-01-15 Profiles the careers and lives of twenty outstanding soccer players, including David Beckham, Birgit Prinz, Thierry Henry, and Marta.

Winning at All Costs John Foot, 2007-08-24 The 2006 World Cup final between Italy and France was a down-and-dirty game, marred by French superstar Zidane's head-butting of Italian defender Materazzi. But viewers were also exposed to the poetry, force, and excellence of the Italian game; as operatic as Verdi and as cunning as Machiavelli, it seemed to open a window into the Italian soul. John Foot's epic history shows what makes Italian soccer so unique. Mixing serious analysis and comic storytelling, Foot describes its humble origins in northern Italy in the 1890s to its present day incarnation where soccer is the national civic religion. A story that is reminiscent of *Gangs of New York* and *A Clockwork Orange*, Foot shows how the Italian game -- like its political culture -- has been overshadowed by big business, violence, conspiracy, and tragedy, how demagogues like Benito Mussolini and Silvio Berlusconi have used the game to further their own political ambitions. But *Winning at All Costs* also celebrates the sweet moments -- the four World Cup victories, the success of Juventus, Inter Milan, AC Milan, the role soccer played in the resistance to Nazism, and the great managers and players who show that Italian soccer is as irresistible as Italy itself.

Panini Legends Greg Lansdowne, 2024-11-07 'A gold mine for football fans and collectors.' - Dan Keane, Sport Cards UK 'If you're a fan of classic football history and football stickers, get your hands on one.' - Paolo Panini PANINI'S GREATEST FOOTBALL STICKER STARS IN ONE AMAZING BOOK 'Got, got, need', 'swapsies' and 'shinies' PANINI LEGENDS showcases in sticker form 85 of the most-celebrated players in men's and women's football. Icons like Pelé, Diego Maradona, Franz Beckenbauer and Bobby Moore are present, of course, but they share the limelight with modern stars such as Lionel Messi, Marta, Kylian Mbappé, Cristiano Ronaldo and Alexia Putellas. Written by respected sticker authority Greg Lansdowne, the book features stickers from a host of domestic leagues and all the major international tournaments, expertly selected from over 60 years' worth of albums. - Which players made the PANINI album but didn't play? - Who never missed a season as a sticker? - Whose rookie - a player's first sticker - is most sought after? Inside the book: - More than 900 iconic PANINI stickers from the domestic and international football competitions - Extended career profiles of the greatest players to grace PANINI albums - PANINI stickers showing kits of some of world's most famous football teams

International Football Kits (True Colours) John Devlin,2018-05-17 International Football Kits (True Colours) charts the evolving football strip design of the world's leading national football teams, from 1966 to the present day. Guaranteed to bring back memories of your favourite team's kits and help you discover new ones, this ground-breaking book features strips that made it to the greatest stage in football - the FIFA World Cup - as well as rare designs that were never worn. John Devlin, the authority on football kits, analyses and evaluates the home, away and third kit designs of the top football-playing nations, detailing when the strip was worn, who wore it and the important matches in which it featured. This carefully curated collection features more than 1,300 never-before-published artworks, and describes the changing styles, varied manufacturers and remarkable controversies of international football fashion over the last 50 years.

The Story of the World Cup Brian Glanville,2010-05-06 The dramatic and controversial history of the world's leading tournament. Brian Glanville's classic account is a celebration of the great players and matches from Uruguay in 1930 to Germany in 2006 - and a bold attack on all those who have mismanaged the 'beautiful game'.

A History of the World Cup Clemente A. Lisi,2011-03-28 Lisi chronicles the most popular sporting event in the world, providing vivid accounts of individual games from the tournament's origins in 1930 to modern times.

The World Encyclopedia of Soccer Tom Macdonald,2001 This comprehensive guide is an up-to-the-minute profile of the global game in all its glory. Illustrated on every page with color photographs and archive material, this is the ultimate reference guide.

Soccer FAQ Dave Thompson,2015-02-01 (FAQ). Soccer FAQ is a fast, furious, and opinionated guide to the world's most popular game, an all-encompassing history that introduces readers to the biggest clubs, the greatest games, the finest players, and the fiercest rivalries. From Sunderland to Seattle, from Berlin to Buenos Aires, Soccer FAQ delves into every aspect of the sport, tracing its development from a victorious Anglo-Saxon army kicking the heads of their fallen enemies around a field, to the multibillion-dollar industry of today-and every stop in between. Record breakers and giant killers alike file through the pages, illustrating the beautiful game as it is played at every level, from the World Cup Final to the village green, with fully updated commentary on all the world's major competitions, including the 2014 World Cup in Brazil.

Mammoth Book Of The World Cup Nick Holt,2014-03-20 An all-encompassing, chronological guide to football's World Cup, one of the world's few truly international events, in good time for the June 2018 kick-off in Russia. From its beginnings in 1930 to the modern all-singing, all-dancing self-styled 'greatest show on Earth', every tournament is covered with features on major stars and great games, as well as stories about some less celebrated names and quirky stats and intriguing essays. Holt's focus is very much on what takes place on the field, rather than how football is a mirror for economic corruption, or how a nation's style of play represents a profound statement about its people, or how a passion for football can lift underpaid, socially marginalised people out of poverty. From the best World Cups, in 1958 and 1970, to the worst, in 1962 and 2010, he

looks behind the facts and the technical observations to the stories: the mysterious sins of omission; critical injuries to key players; and coaching U-turns. He explains how England's World Cup achievements under Sven-Göran Eriksson, far from being a national disgrace, were actually quite impressive, and looks at why Alf Ramsey didn't take Bobby Charlton off in 1970, but this is no parochial, jingoistic account. The book also asks why Brazil did not contribute in 1966, despite having won the previous two tournaments and going on to win the next one? Why the greatest players of their day did not always shine at the World Cup - George Best and Alfredo Di Stefano, for example, never even made it to the Finals. Why did Johann Cruyff not go to the 1978 World Cup? And why did one of Germany's greatest players never play in the World Cup? There are lots of tables, some filled with obvious, but necessary information, but others with more quirky observations. Alongside accounts of epic games, there are also brief biographies of all the great heroes of the World Cup.

The World Cup Quiz Book Adam Pearson, 2010-05-25 This book is not so much round the world in eighty days as round the world in 1,200 challenging quiz questions, designed to test the knowledge, resolve and goal-scoring accuracy of even the most ardent football fan. Spanning the whole history of the World Cup since its conception and covering all the nail-biting competitions, participating teams and unforgettable players and managers, the cunning questions could give your brain a nasty tackle and leave it calling for a stretcher. With a fitting Foreword by Martin Peters MBE, this veritable treasure trove is brimful of interesting facts and figures and is guaranteed to stir up fond memories of the all the highlights and lowlights that have graced the World Cup stage and have left an indelible mark on the history of football.

2002 World Cup Football Super Stars ,

The Global Art of Soccer Richard Witzig, 2006

Offside Andrei S. Markovits, Steven L. Hellerman, 2014-04-24 Soccer is the world's favorite pastime, a passion for billions around the globe. In the United States, however, the sport is a distant also-ran behind football, baseball, basketball, and hockey. Why is America an exception? And why, despite America's leading role in popular culture, does most of the world ignore American sports in return? Offside is the first book to explain these peculiarities, taking us on a thoughtful and engaging tour of America's sports culture and connecting it with other fundamental American exceptionalisms. In so doing, it offers a comparative analysis of sports cultures in the industrial societies of North America and Europe. The authors argue that when sports culture developed in the late nineteenth and early twentieth centuries, nativism and nationalism were shaping a distinctly American self-image that clashed with the non-American sport of soccer. Baseball and football crowded out the game. Then poor leadership, among other factors, prevented soccer from competing with basketball and hockey as they grew. By the 1920s, the United States was contentedly isolated from what was fast becoming an international obsession. The book compares soccer's American history to that of the major sports that did catch on. It covers recent developments, including the hoopla surrounding the 1994 soccer World Cup in America, the creation of yet another professional soccer

league, and American women's global preeminence in the sport. It concludes by considering the impact of soccer's growing popularity as a recreation, and what the future of sports culture in the country might say about U.S. exceptionalism in general.

The World Cup, A Very Peculiar History David Arscott,2012-02-16 In 'The World Cup, A Very Peculiar History', author David Arscott tackles the big subjects at the heart of the beautiful game, including how the tournament first kicked off, the dirty tactics used throughout the years and the most memorable managers in the history of football. Filled to the brim with quirky quotes, fantastic facts and surprising statistics, this is the perfect accompaniment to any post-match celebration (or commiseration!) during the season. At its heart 'The World Cup, A Very Peculiar History' is a look at the many amusing, amazing and sometimes alarming stories that lie behind this great sporting tournament.

Graphic Sports Joe Aggrey,2000-02-25

The Official History of the FIFA World Cup FIFA Museum,2024-08-15 Fully updated - includes the full story of the 2022 FIFA World Cup Qatar. The Official History of the FIFA World Cup is the definitive inside story of the 22 FIFA World Cups to have taken place since the inaugural tournament in 1930. Packed with stunning photography, unique official documents and in-depth statistics, it is a must-read for any football fan around the world. No other event in the sporting world can rival the glamour, impact, fervent following and universal appeal of the FIFA World Cup. This unique official book tells the stories behind the scenes, as well as analyzing the most famous incidents. It features the biggest stars and many previously unknown ones too, all with a unique worldwide point of view.

Zonal Marking Michael W. Cox,2019-08-13 A mazy dribble through the recent history of European soccer, showing how shifting styles and influence have shaped the game. In the early 1990s, the Dutch footballing philosophy was worshipped across the continent. Then the baton passed to the Italians, who clearly boasted Europe's strongest league. But when France started winning everything at the international level its national academy became the template for others, until suddenly, almost out of nowhere, Europe's most revered player and manager both hailed from Portugal. Next, Barcelona and Spain won everything during a very obvious four-year period of dominance, before tiki-taka's decline meant Bayern and Germany took control. Finally, Europe's most successful coaches found themselves competing in England, introducing a brilliant cacophony of styles to the Premier League. Zonal Marking is a glorious travelogue through soccer's triumphant styles and characters.

Football FAQ Dave Thompson,2015-02-01 Football FAQ is a fast, furious, and opinionated guide to the world's most popular game, an all-encompassing history that introduces readers to the biggest clubs, the greatest games, the finest players, and the fiercest rivalries. From Sunderland to Seattle, from Berlin to Buenos Aires, Football FAQ delves into every aspect of the sport, tracing its development from a victorious Anglo-Saxon army kicking the heads of their fallen enemies around a field, to the multibillion-dollar industry of today, and every stop in between. Record breakers and giant killers alike

file through the pages, illustrating the beautiful game as it is played at every level, from the World Cup Final to the village green, with fully updated commentary on all the world's major competitions, including the 2014 World Cup in Brazil.

Who Owns Football? David Hassan, Sean Hamil, 2013-09-13 The commercialization of sport since the 1990s has had a number of consequences. The market forces that have defined commercialization, notably pay-per-view television, whilst initially welcomed as important new sources of revenue, have also had the unanticipated consequences of de-stabilizing many sporting competitions and institutions, undermining the financial future of clubs in their traditional role as key social and cultural institutions. This has been manifested in the paradox of chronic financial loss-making amongst professional sports' clubs in an era of exponential revenue growth, a trend exemplified by the experience of Italy's Series A and the English Premier League – both cases examined in detail in this book. But, at the same time, some traditional sporting organizations have sought with some success, to chart a middle way, retaining traditional sporting movement objectives whilst also embracing a form of commercialism. The Gaelic Athletic Association in Ireland, the supporter-owned FC Barcelona football club, and New Zealand rugby union, offer illustrative examples of such strategies examined in detail. This book explores the background to this clash of commercial and traditional sporting objectives, and debates the consequences for wider sports governance. This book was published as a special issue of Soccer and Society.

Routledge Handbook of Football Studies John Hughson, Kevin Moore, Ramón Spaaij, Joseph Maguire, 2016-10-04 Football is unquestionably the world's most popular and influential sport. There is no corner of the globe in which the game is not played or followed. More countries are affiliated to FIFA, football's governing body, than to the United Nations. The sport has therefore become an important component of our social, cultural, political and economic life. The Routledge Handbook of Football Studies is a landmark work of reference, going further than any other book in considering the historical and contemporary significance of football around the world. Written by a team of leading sport scholars, the book covers a broad range of disciplines from history, sociology, politics and business, to philosophy, law and media studies. The central section of the book examines key themes and issues in football studies, such as the World Cup and international competition, governance and ownership, fandom and celebrity. The concluding section offers in-depth surveys of the culture and organisation of football in each of the regional confederations, from UEFA to CONCACAF. This book will be fascinating reading for any serious football fan and an essential resource for advanced students or scholars undertaking research in football or sport studies, and any practitioner or policy-maker working in football.
