Edmonton Heritage Stories Edmonton Chinese Writing Club, 2025-05-16 A city is not alive without its people. Where there are people, there are stories and art. Where there are stories and art, there are opportunities to learn from each other, and expand our knowledge and experiences. --- Edmonton Heritage Stories presents stories written by our neighbours and friends. Ordinary people, guided by volunteer editors, created these stories and poems for you to enjoy. Their words are sincere, narrating authentic sentiments and experiences. The writing in this book expresses a love for Edmonton - a real affection for the people and the place. At the same time, there is awareness and recognition that we need to better understand the evolving definition of what it means to be Canadian for those who started from somewhere else. For new and developing Canadians - newcomers, immigrants, and children of immigrants - there remains a continued attraction for our heritage countries to which one may be bound by history and family. Mostly, we develop a love big enough to straddle two worlds - this new place we start calling home, and the land, memories, and people from our past, as well as the legacies from our ancestors. May this anthology make you more curious about your neighbours and your city and inspire you to be more connected with them. "Prepare to be inspired, moved, and transported by the world wisdom narratives within this anthology. Edmonton Heritage Stories are real life stories of crossings, where individuals from diverse cultural backgrounds come together. Edmonton Chinese Writing Club (ECWC) is deeply honoured and humbled in taking on this collective book project, which beautifully captures the diversity and depth of Edmonton's heritage narratives." - Ying Shi, President, ECWC

"To summon joy and love in another's soul For a connection that makes two people whole For laughter and a smile that one can never miss Sealed before midnight with a truehearted kiss." This year at Moon Ridge High, a group of friends known as The Coven will weave art, science, and magic during a masquerade ball unlike any other. Onny, True, and Ash believe everything is in alignment to bring them the affection, acceptance, and healing that can only come from romance—with a little help from Onny's grandmother's love potion. For fans of *Eat, Pray, Love* and *Wild* comes a laughter-through-tears memoir. With heartfelt emotion and spirit, Sallie Weissinger, a late-in-life widow, recounts the highs and lows of navigating the tricky online dating world of the 2000s. Interwoven throughout her adventures in search of a new relationship are stories from her childhood as a military brat, her southern heritage, her various marriages, and the volunteer work in Central and South America that helped her move forward through it all. Weissinger keeps her sense of humor as she meets men who lie, men who try to extort money, and men with unsavory pasts. When she experiences even more loss, her search for a partner becomes less important, but—with the help of friends and dogs—she perseveres and, ultimately, develops her own approach to meeting HIM. Blending the deeply serious and the lighthearted, *Yes, Again* shows us that good things happen when we open up our minds and hearts.

All Sky, Mirror Ocean Brad Necyk,2024-01-04 All Sky, Mirror Ocean weaves and knots autobiography, research-creation, and creative philosophy into an exploration of mental illness, healing, and visionary art. Looking to uncover and tell new stories about trauma and recovery, visual artist Brad Necyk explores his own histories with Bipolar Affective Disorder and childhood medical trauma alongside those of groups dealing with grief and loss: communities in Iqaluit aggrieved by suicide; head and neck cancer patients in Edmonton; and psychiatric inpatients at the Centre for Addiction and Mental Health in Toronto. These lived experiences intertwine with scholarship on research-creation, neuroscience, collaboration, and altered states to reveal the understanding and acceptance that comes from acknowledging our deep connections—to ideas and emotions, to our environments, to art, and to each other. Filled with art and stream of consciousness writing, the book celebrates the spontaneous-emotional mode of creativity. Showing deep compassion and wisdom, *All Sky, Mirror Ocean* hopes to be an exemplar for multimodal research-creation exploration and artistic fieldwork and is for all readers looking to understand the complex issues around mental illness and healing.--

Madwomen in Social Justice Movements, Literatures, and Art Jessica Lowell Mason,Nicole Crevar,2023-01-10 'Madwomen in Social Justice Movements, Literatures, and Art' boldly reasserts the importance of the Madwoman more than four decades after the publication of Sandra Gilbert and Susan Gubar's seminal work in feminist literary criticism, 'The Madwoman in the Attic'. Since Gilbert and Gubar's work was published, the Madwoman has reemerged to do important

work, rock the academic boat, and ignite social justice agency inside and outside of academic spaces, moving beyond the literary context that defined the Madwoman in the late 20th century. In this dynamic collection of essays, scholars, creative writers, and Mad activists come together to (re)define the Madwoman in pluralistic and expansive ways and to realize new potential in Mad agency. This collection blazes new directions of thinking through Madness as a gendered category, comprised of a combination of creative works that (re)imagine the figure of the Madwoman, speeches in which Mad-identifying artists and writers reclaim the label of “Madwoman,” and scholarly essays that articulate ambitious theories of the Madwoman. The collection is an interdisciplinary scholarly resource that will appeal to multiple academic fields, including literary studies, disability studies, feminist studies, and Mad studies. Additionally, the work contributes to the countermovement against colonial, sanist, patriarchal, and institutional social practices that continue to silence women and confine them to the metaphorical attic. Appealing to a broad audience of readers, 'Madwomen in Social Justice Movements, Literatures, and Art' is a cutting-edge inquiry into the implications of Madness as a theoretical tool in which dissenting, deviant, and abnormal women and gender non-conforming writers, artists, and activists open the door to Mad futurities.

Reproductive Justice and the Catholic Church Emily Reimer-Barry, 2024-06-10 Pregnancy loss is profoundly complex, ambiguous, and alienating, but telling women who have procured abortions that they are murderers and sinners is not the best way forward. Magisterial teachings on abortion are too often presented as moral absolutes, when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition. This book initiates a new conversation about women’s experiences of miscarriage, stillbirth, and abortion, arguing that we need not approach these difficult life experiences in a simplistic way. Dr. Reimer-Barry argues that both the pro-life and pro-choice movements make important and valuable claims, yet each approach on its own is flawed. Drawing on the framework of reproductive justice together with Catholic social teaching, Dr. Reimer-Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic (though not absolute) value of prenatal life. She argues that instead of thinking of the Church as a moral teacher—with leaders in Rome or Washington, DC dictating to the consciences of the faithful—a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments; a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need. What women deserve, is justice.

Cobble Hill Cecily von Ziegesar, 2020-11-10 The #1 New York Times bestselling author of the Gossip Girl series brings her sharp-eyed and irresistible wit to this “quirky novel of lovable misfits” (Publishers Weekly) chronicling a year in the lives of four families in an upscale Brooklyn neighborhood as they seek purpose and community—until one unforgettable night at a raucous neighborhood party knocks them to their senses. Welcome to Cobble Hill. In this eclectic Brooklyn neighborhood, private storms brew amongst four married couples and their children. There’s ex-groupie Mandy, so underwhelmed by

motherhood and her current physical state that she fakes a debilitating disease to get the attention of her skateboarding, ex-boyband member husband Stuart. There's the unconventional new school nurse, Peaches, on whom Stuart has an unrequited crush, and her disappointing husband Greg, who wears noise-cancelling headphones—everywhere. A few blocks away, Roy, a well-known, newly transplanted British novelist, has lost the thread of his next novel and his marriage to indefatigable Wendy. Around the corner, Tupper, the nervous, introverted industrial designer with a warehouse full of prosthetic limbs struggles to pin down his elusive artist wife Elizabeth. Throw in two hormonal teenagers, a ten-year-old pyromaniac, a drug dealer pretending to be a doctor, and a lot of hidden cameras, and you've got a combustible mix of egos, desires, and secrets bubbling in brownstone Brooklyn. "Breezy, witty, and compulsively fun to read" (Kirkus Reviews), *Cobble Hill* is highly entertaining portrait of contemporary family life and the colorful characters who call Brooklyn home.

Grace for Amateurs Lily Burana, 2017-10-31 I had tried everything: therapy, medication, meditation. Everything except God. Lily Burana was in crisis. Desperate for rescue from her depression and anxiety, the punk-rock-girl-turned-writer feared she would die. She was down to her remedy of last resort: faith. A lapsed believer who had drifted away from the church and into a life on the margins during her young adult years, Lily had long believed that Christianity had nothing to offer her. Then an unmistakable sign from above led to her unexpected decision to let God in—just a little bit. But how could she come to terms with a religion she had dismissed as hostile and intolerant? In this collection of linked essays that chronicle her spiritual recovery, Lily explores what it means to embrace "a faith of surprisingly Jesus-y shape." Lily navigates her own unique path toward a trusting relationship with God as she addresses topics as diverse as coming out as Christian to your non-Christian friends, the intersection of faith and motherhood, and what it means to confront your history of mental illness and trauma. Whether recounting her history as a "baby Goth," extolling the healing power of glitter, or wrestling with God for control over her life, Lily proves that you don't need to have a flawless faith in order to experience God's grace in action. "Grace for Amateurs is that rare Christian book packed with humor, depth, kindness, intelligence, and inclusion. If you yearn to return to the heart of faith—boundless, agenda-less love—sit down with Burana. She'll make you laugh and restore your hope." —Glennon Doyle, New York Times bestselling author of *Love Warrior* and *Carry On, Warrior*

Knife Salman Rushdie, 2024-04-16 #1 INTERNATIONAL BESTSELLER • FINALIST FOR THE NATIONAL BOOK AWARD • LONGLISTED FOR THE BAILLIE GIFFORD PRIZE • A NEW YORK TIMES NOTABLE BOOK • Named one of the Best Books of the Year by The New Yorker • The Globe and Mail • The Guardian • Winnipeg Free Press • NPR • Slate • Kirkus Reviews • TIME • From Booker Prize winner Salman Rushdie, a searing, deeply personal account of enduring—and surviving—an attempt on his life thirty years after the fatwa that was ordered against him. On the morning of August 12, 2022, Salman Rushdie was standing onstage at the Chautauqua Institution, preparing to give a lecture on the importance of keeping writers safe from harm, when a man in black—black clothes, black mask—rushed down the aisle toward him, wielding a knife. His first thought: So it's you. Here you are. What followed was a horrific act of violence that shook the literary world and beyond. Now, for the first time, and in unforgettable detail, Rushdie relives the traumatic events of that day and its aftermath, as well as his journey toward physical recovery and the healing that was made possible by the love and support of his wife, Eliza, his family, his army of doctors and physical therapists, and his community of readers worldwide. Knife is Rushdie at the peak of his powers, writing with urgency, with gravity, with unflinching honesty. It is also a deeply moving reminder of literature's capacity to make sense of the unthinkable, an intimate and life-affirming meditation on life, loss, love, art—and finding the strength to stand up again.
