The Thief Stephanie Landsem,2014-02-25 A Roman centurion longing for peace and a Jewish woman hiding a deadly secret witness a miracle that transforms their lives and leads them to the foot of the cross. My God, my God, why have you abandoned me? Nissa is a Jewish woman with a sharp tongue and no hope of marriage. Abandoned by the God she once loved, her only recourse is to depend upon Mouse, the best thief in Jerusalem, to keep her blind brother, Cedron, fed and the landlord satisfied. Longinus is a Roman centurion haunted by death and failure and is desperate to escape the accursed Judean province. Accepting a wager that will get him away from the aggravating Jews and their threats of revolt, he sets out to catch the thieves harassing the marketplace. When a controversial teacher miraculously heals Cedron, Nissa hopes for freedom from her life of lies. But the supposed miracle brings only more misfortune, and Longinus, seeking to learn more about the mysterious healer, finds himself drawn instead to Nissa, whose secret will determine the course of both their futures. Cedron, Longinus, and Nissa are unexpectedly caught up in the arrest, trial, and crucifixion of Jesus. As danger closes in on them from every side, they must decide if the love and redemption Jesus offers is true or just another false promise. How can the so-called Messiah save them from their shackles, when he cannot even save himself?

My Heart Alexander Sherman,2011-02 The novel 'My Heart' consists of letters written over many years by two people who are falling in love with each other. Between them, one after the other, obstacles spring up. Their age difference, then the war that separates them, and, finally, the heroine's family arrangement that grows into a dramatic love triangle. The uniqueness of the book 'My Heart' comes from familiar and common-place situations that are ennobled by such powerful and pure emotions that to modern readers they sound as if they are made up like in a fairy tale. The traditional theme of 'love conquers death' (Gorky) or 'love sustains and moves the world' (Turgenev) is filled out with the specific, every day details from their historical and societal context. These personal letters are set against the backdrop of immense historical events. It's as though the reader is armed with binoculars - he can see fine details in the big picture, and in the details he can see the reflections of the grand design. The plain and direct language, the attention to details, and, most of all, the clarity and

genuineness of emotion, is what makes 'My Heart' such an impressive and valuable document of its era. - Sergei Dovlatov, famed Russian journalist and writer

Steal My Heart Andrew Grey,2024-11-19 Hilliard Bauman's life and his law practice are in Ohio, so when he inherits a home in California, his first instinct is to sell. Then again, his law partner is also his ex-partner, so maybe starting over wouldn't be so bad. Either way, he needs someone to fix up the house first. That's where Brian Mayer comes in. Brian Mayer will do whatever work he can get, whether that means dog walking or painting fences. But in a small town where everyone knows everything about everyone, finding jobs can be difficult—especially if you've been wrongly convicted of theft. When Hilliard hires him to fix up his great-aunt's place, it's a relief on Brian's strained bank account... but tests Brian's heart to its limits. As Hilliard digs into Brian's case and the botched investigation of the original crime, things really start heating up—both between him and Brian and in what should've been a cold case. This time when cops try to lay the blame at Brian's feet, he has Hilliard in his corner. Can they solve the mystery, put Brian's past to rest, and find a new beginning together?

The Rapids of a Great River ,2009-06-08 The Rapids of a Great River begins with selections from the earliest known Tamil poetry dating from the second century CE. The writings of the Sangam period laid the foundation for the Tamil poetic tradition, and they continue to underlie and inform the works of Tamil poets even today. The first part of this anthology traverses the Sangam and bhakti periods and closes with pre-modern poems from the nineteenth century. The second part, a compilation of modern and contemporary poetry, opens with the work of the revolutionary poet Subramania Bharati. Breaking free from prescriptions, the new voices—which include Sri Lankan Tamils, women and dalits, among others—address the contemporary reader; the poems, underscored by a sharp rhetorical edge, grapple with the complexities of the modern political and social world. The selection is wide-ranging and the translations admirably echo the music, pace and resonance of the poems. This anthology links the old with the new, cementing the continuity of a richly textured tradition. There is something in the collection for every reader and each will make his or her own connections—at times startling, at other times familiar.

Matters of the Heart Wendell Phillips,2011-11 In the early years of my adult life I found myself face to face with Matters of the Heart. Various life changing situations revealed feelings of extreme loneliness, conditional love, and indescribable rejection. These situations had me going as far as questioning my own self-worth and as a result I felt the need to pen my every emotion, feeling, and state of being it was during this time I felt the urging need not to fall victim to rejection's trance.

As I began to heal and metamorphosis out of a state of pain, hurt, and depression and into true unadulterated happiness, unconditional love, and a heart and mind that is in alignment with the true lover of my soul... I began to believe in love once again. Assembled before you is a collection of poetic thought-provoking poems that will surely pierce the deepest crevices of the heart. It is my hope that you will find yourself once again believing in love. No words can express how talented you truly are. You make the words come to life. Sends chills down my spine Benita M. Yes sir! Share the gift that God has given you. You are a wordsmith, and you have an uncanny control over language. Thank you for allowing me to experience it. Can't wait for more. God Bless! Brandon R. Writing is inspirational. It can carry us through pain and rejoice with us in times of happiness. Matters of the heart is an example of such. It allows you to explore your feelings and gives others the opportunity to take that journey with you Dana C. Awesome man!!! George T

Poetry is my forte. It also is my passion. This is the second volume of poetry on the subjects of love and beauty. Treasure is not gold, money, or jewels. Treasure is a beautiful woman and her beauty. If I was a poor man, I'd still be rich because I would have a beautiful woman on my arm.
