**Christmas Carols for Easy Piano** Robert Benedict,2010-10-07 A collection of the world's most famous carols arranged for piano students. Most are fairly easy and modern, with popular harmonic settings to appeal to young students and audiences alike. Harmonic textures vary from one piece with a single-line countermelody in the left hand to simple block, arpeggiated, or waltz-style chord accompaniments. A few pieces use slightly more elaborate 'boogie' accompaniments with grace notes or jazz-inspired harmonies. Melody lines occasionally move into the left hand for added interest. All of the carols include lyrics. One song, Santa and Me, is written with a separate vocal line and piano part.

*Christmas Carols for Piano. Beginner Christmas Sheet Music Book for Kids and Adults (+Free Audio)* Christina Levante,2022-09-05 Every beginning is difficult ... Do you also have the feeling that most Christmas piano sheet music for

beginners is still too difficult to play? One of the biggest mistakes you can make when you start learning the piano is trying to play difficult pieces too soon. It could take you too long to master a piece, which can quickly cause you to lose your motivation to play the piano. That is why many beginners give up after only a short time. So, to keep at it, it is important that your piano songs are adapted perfectly to your needs. In this book you will find a diverse collection of 45 easy Christmas songs for beginners - for both kids and adult students - that show letters (note names), numbers (fingerings), and lyrics. In this book, you will get: 45 EASY CHRISTMAS SONGS FOR BEGINNERS - All songs have been arranged especially for beginning students. This means that all complex chords and rhythms have been simplified. Also, all the carols are kept relatively short, only one or two pages long. This will allow you to enter the magic world of piano without frustration. INTERNATIONAL CHRISTMAS SONGS - In this book you will find many well-known Christmas carols and holiday songs, as well as some international songs famous in non-English speaking countries. This varied selection of easy sheet music will fuel your enjoyment when practicing the piano. FROM EASIEST TO HARDEST - Are you tired of searching for piano pieces with the appropriate difficulty? At the beginning of this book, you will find very simple songs, and then they gradually get more challenging as the book progresses. This will keep you motivated and enable you to progress through the levels. WITH LETTERS AND NUMBERS - All songs in this book are presented with letters above the music notes to help you know what keys to press. All songs also include finger placements (numbers) in problem areas. LARGE PRINT - Most music notes for beginners are pretty small, so learners struggle to read them without squinting. To avoid this, all songs in this book have a clear layout and large print for students to follow the pieces easily. NOTES FOR BOTH HANDS - Most easy piano pieces for beginners have notes for practicing one hand only. The proper technique, however, is playing with all fingers and both hands. That's why all pieces in this book are in both treble and bass clef (i.e., both right and left hand). BONUS: FREE AUDIO FILES TO DOWNLOAD - Do you want to get an idea of what a piece should sound like? If you are unsure how to play a piece, our audio files will help you get a feel for the melody. Buy this book NOW and enter the splendid world of piano and music! Ideal also as a wonderful birthday present or Christmas gift.
