Understanding the Iglesia Ni Cristo Anne C. Harper,2017-08-23 - Does the Iglesia ni Cristo really teach that their building will go up in the rapture? - Do they use coercive methods to make sure their members give at least a tithe of their income to the church? - Have confrontational methods of evangelism been effective in reaching them? - Is there a better way? The answers to these and other questions may surprise you. In this groundbreaking and meticulously researched new book, evangelical scholar Dr. Anne Harper, who, with her husband, George, is a Manila based missionary with Action International Ministries. describes the history, teachings, growth and development of the Iglesia ni Cristo since its founding in 1914 and explains why this group has endured for the last 100 years and why it will not likely fade away. Unlike other evangelical publications, Dr. Harper treats the Iglesia ni Cristo with respect and kindness, while being careful not to agree with or endorse their teachings. Thoroughly documented, yet highly readable, this book will go a long way to removing the false stereotypes that many born again Christians have of this group and challenges to rethink our attitudes towards them and respond in a biblical manner. Managing Religious Diversity in the Workplace Stefan Gröschl,Regine Bendl,2016-03-09 Many observers propose the exclusion of all religious related aspects from organizational life, others promote a more tolerant approach of certain practices, symbols and ceremonies, and few commentators highlight the values, diverse religious beliefs and experiences that employees could bring to the organization. Arguments, conclusions and recommendations are often contradictory and inconclusive due to the complexity and dividing nature of religion diversity. In *Managing Religious Diversity in the Workplace* the editors present a selection of essays, conceptual papers, empirical studies and case studies about how religious diversity and spirituality are managed. The book explores how firms address organizational and managerial challenges deriving from the religion diverse backgrounds of their employees. The different contributions discuss policies and practices, how implicit and unmarked religious norms influence the 'managing' of religious issues in organizations, and what the benefits of a

religion diverse workforce are. It also includes contributions which address aspects of spirituality in the workplace, and the role of legal frameworks and their influence on organizations and their policies and practices regarding religion diversity. The perspectives and contributions include a wide range of disciplines by authors from leading academic institutions around the world.

Religious Diversity in Asia Jørn Borup, Marianne Qvortrup Fibiger, Lene Kühle, 2019-10-01 The religious landscape in Asia has long been diverse, with various forms of syncretic traditions and pragmatic practices continuously having been challenged by centrifugal forces of differentiation. This anthology explores representations and managements of religious diversity in Japan, China, South Korea, Vietnam, the Philippines, Indonesia, Sri Lanka, India and diaspora religions originating in these countries, seen through the lenses of history, identity, state, ritual and geography. In addition to presenting empirical cases, the chapters also address theoretical and methodological reflections using Asia as a laboratory for further comparative research of the relevance and use of 'religious diversity'. Contributors are: Donald Baker, Ugo Dessi, Chung Van Hoang, Ayelet Harel-Shalev, Noa Levy, Gideon Elazar, Santosh K. Singh, Yu Tao, Ed Griffith, Satoko Fujiwara, Uwe Skoda, Tudor Silva, Martin Tsang, Marianne Q. Fibiger, Jørn Borup, and Lene Kühle. Religious Diversity in Asia was made possible by a framework grant from the Danish Agency for Science, Technology and Innovation allowing the grant holder (Jørn Borup) and two colleagues (Marianne Q. Fibiger and Lene Kühle) to host a workshop at Aarhus University and to co-arrange workshops in Delhi and Nagoya. We would like to thank professors Arshad Alam and Michiaki Okuyama for hosting these latter workshops at Jawaharlal Nehru University and Nanzan University, and we would like to thank Professor Chong-Suh Kim for the invitation for Jørn Borup to visit Seoul National University. We would also like to extend our gratitude to all the scholars who participated in the workshops and to all the authors we subsequently invited to contribute to our endeavor to create this academically relevant volume.

My Life with God Tessie N. Del Rosario, 2011-05 Each of us experiences the vicissitudes of life in different ways. Some, it could be said, never experience grief while others seem to have lives of grief alone. I wrote this book, the story of my life, not to suggest my life is full of either just strife or just happiness. Like anyone else, I have experienced both joys and sorrows. But I wrote this book so the reader can experience the reality of our great and awesome God speaking to us all in an audible voice and clear in our spirit. No matter what occurred for me, no matter what surprises life brought me, it was always our God, Creator of the Universe, who kept His promises of the things He would do for me and that He will also do for you, the reader of this book. What He did for me He will do for you and you will see things happen one by one before your very eyes

all your life if you are accepting Him as I am. Once you see how our God dealt with a person like myself, who is average and very ordinary, a person like me full of imperfections and sins, a person who even by my own standards would not be acceptable or qualified to be His servant, yet still He called me to serve Him, you will understand why I am very indebted and grateful to Him. It is my hope that after your reading this book you will one day feel as indebted and grateful to Him as I am. Our God used a nobody like me to heal a crippled woman to walk normally (as you will see). He used me to heal instantly a woman with back problems who had been going to chiropractors for years with no results. He delivered drugs addicts from their bondage of addiction, and fought for someone who was on the brink of Satan's possession, casting out demons from a house that was haunted. I was his vessel that showed how when someone prays believing in God that He will always answer. Our God showed me His wonders, His power for healing, the manifestation of His gifts, and His presence in my life and the lives of others. God treated me as special and highly favored, touching the hearts of men to do me favors. He demonstrated His great love for me by sending His only Son to die in my place to save me from sins and the fires of hell. He showed me how privileged I was and still am to be given an opportunity to accept Jesus into my heart to be my personal Savior and Lord of my life. He gave me the right to become a child of God and He will do the same for you. He gave me a blessed assurance that I will go to heaven to be with my Lord Jesus forever and ever. Here you will learn how to have that very close, intimate and personal relationship with God that I have. You will feel you know His plans and directions for you. You will develop a very strong faith to believe that whatever His will for you, it is acceptable and with the complete resignation that He is in control no matter what the circumstances are you find yourself in. It makes no difference if you are sick or well, dying or lively, because you will understand the need and desire to put yourself in His hands as I have done. You will completely trust in Him because you will believe in His sovereignty.

The Peoples Of Las Vegas Jerry L Simich,Thomas C. Wright,2005-03-07 Beneath the glitzy surface of the resorts and the seemingly cookie-cutter suburban sprawl of Las Vegas lies a vibrant and diverse ethnic life. People of varied origins make up the population of nearly two million and yet, until now, little mention of the city has been made in studies and discussion of ethnicity or immigration. The Peoples of Las Vegas: One City, Many Faces fills this void by presenting the work of seventeen scholars of history, political science, sociology, anthropology, law, urban studies, cultural studies, literature, social work, and ethnic studies to provide profiles of thirteen of the city's many ethnic groups. The book's introduction and opening chapters explore the historical and demographic context of these groups, as well as analyze the economic and social conditions that make Las Vegas so attractive to recent immigrants. Each group is the subject of the subsequent chapters, outlining migration motivations and processes, economic pursuits, cultural institutions and means of transmitting culture,

involvement in the broader community, ties to homelands, and recent demographic trends.

What's Jesus Have to Do With Santa? Scott Douglas, A short history of Santa! Most people know that Christmas is when we celebrate Jesus' birthday...even if he wasn't actually born at Christmas. But what about the other start of the Advent season? Jolly Old Saint Nick (AKA Santa Claus). How on Earth did we go from the birthday of the Savior of the World to big old guy in a red suit?! And why does he go down chimneys? And exactly why do we give gifts to each other when it's not even our birthday? This and more will be answered in this very concise history of Santa and Christmas. Note: This book is taken from Bethlehem, the Year Jesus Was Born.

I See Jesus Every Christmas Rodolfo Vitangcol,2023-03-03 In other words, all the love, cheer, sharing, forgiveness, understanding, justice, unity, harmony, peace, and joy that everyone is wishing for in life—happens in this single time of year called CHRISTMAS. In short, each time Christmas comes, the KINGDOM OF GOD happens in our world. Happy reading!

The Birth of Christ and the Christmas Event Ivan Moorhouse,2016-01-30 This book serves to present the biblical account of the Christmas story in chronological order, as recorded in the gospels of Matthew and Luke, so as to provide the reader with a seamless narrative. It also explores the background to the nativity event as celebrated throughout the world in order to provide some explanation to the historical and ecclesiastical development of what has generally been accepted as a worldwide holiday break in the working calendar associated with retail profusion, family gatherings, and merrymaking, particularly in the Western world. The way Christmas is celebrated in different parts of the world is included to try and encapsulate the richness in diversity of a religious event held dear to so many.

Christmas, the Untold Story ,1990

Christmas Around the World Emily Kelley,2003-07-01 Introduces the holiday and describes how Christians celebrate in Mexico, Ethiopia, China, Germany, Lebanon, Sweden, Australia, and Russia.

The Babes of Christmas Timothy Fan,2018-05-14 This present, little volume is presented to the Church on account of the conviction that a Christ-centered celebration of Christmas is woefully corrupt without a Christ-centered understanding of God's love for all of the preborn children of the world. The Babes of Christmas is a call for the Church to apply the doctrine of the incarnation of the Word of God to the global crisis of the modern Abortion Holocaust. For, the Christmas account begins not in a manger, but in the womb of Mary. The Son of God was incarnate first as a preborn Babe, and only afterwards as the Babe of Bethlehem in Mary's arms. Using careful, detailed studies of the Old Testament prophecies and New Testament fulfillments of the coming of the Son of God in the flesh of a Babe, the present work summons all of God's elect to shed Gospel tears and to exercise Gospel love on behalf of their preborn neighbors. This summons, then, is at once doxological and

abolitionist, since the Christ who was once a fragile Babe in the womb is the same Christ who is now ascended into Heaven, and seated at the right hand of the Father in glory.

Christ Is Christmas Full Score Jim Vilandre,2016-10-18 Although the celebration of Christmas includes lights, gifts and festive activities, nothing replaces the true meaning of Christmas which is found in the birth of Jesus Christ. May this song be a reminder of why there is truly a reason to celebrate Christmas. Merry CHRISTmas to everyone! -Jim

Why Do We Celebrate Christmas? Holidays Kids Book | Children's Christmas Books Baby,Baby Professor,2024-09 Christmas is more than just gift-giving.
