Best Friends Are Like Suspenders; They Hold You Up When You Are Falling Down Beverly Benson Van Horn,2003-07

**You and Me** James Ray Ashurst Ph.D.,2020-08-12 The most important relationship that we have is our friendships. They are precious, valuable, and ever-lasting. At times, the friendships may be tested, but all authentic friendships will last forever. This book deals with the dynamics of what makes a friendship wonderful and genuine.

*The Journey of a Band of Villanova Brothers* Raymond W Kane,2022-02-24 Long-lasting friendships are rare, but they do happen. In 1962, sixteen young men, strangers all, chose to enroll as freshmen at Villanova University located in the suburbs of Philadelphia, PA. They met at different times and in different ways over their college years, but The Journey of a Band of Villanova Brothers had begun. A remarkable, almost mystical bond ignited and grew among these men even after graduation when they started their life journeys, and all went their separate ways. Grounded in the principles of truth, unity, and love that they learned at Villanova, this bond has lasted for fifty-five years. The Journey of a Band of Villanova Brothers explores the essence of that bond which in some ways is more vital than ever and uncovers the meaning of true friendship.

*Shadows of Love* Jan M. Edwards,2011-08 When Tiffany Long returns to her hometown of Maggie Valley, North Carolina, after being gone for sixteen years, the last thing she expects is to be reunited with an old friend and an old flame. Growing up with an overbearing, immoral father and an alcoholic mother does not provide Tiffany with a fairytale childhood. But when she meets Luke Silvers, she thinks she finally has something to live for. Her father, however, has other plans. When Tiffany graduates from high school, her father ships her off to Washington to live with her aunt and uncle. Determined to make the best of her less-than-desirable situation, Tiffany enrolls in college. When a burglar breaks into her aunt and uncle's home and rapes her one evening, Tiffany is distraught. After much prayer and support, Tiffany thinks she is finally getting over her nightmare. She even meets a man, Don Springer. Just as their relationship is getting serious, Tiffany finds out she is pregnant. Don is overly supportive and suddenly proposes. Tiffany, believing Don is the only man who will ever have her, she accepts. She decides to give the baby up for adoption and start married life with a clean slate. Soon after the wedding, Don shows his true colors, becoming both verbally and physically abusive. Fearing for her life, Tiffany leaves him. Her thoughts soon return to the son she gave up for adoption and the man she was forced to leave, Luke Silvers. A meeting in Maggie Valley provides Tiffany with an excuse to reunite with Luke. Although hesitant at first, the couple eventually picks up where

they left off sixteen years earlier. Soon, however, painful secrets emerge from Shadows of Love. Is Tiffany and Luke's relationship strong enough to survive?

**Chronic Love: Trusting God While Suffering with A Chronic Illness** Brooke Bartz,2019-09-01 Suffering is inescapable in this world. Jesus told us we would face perilous trials and that even our bodies would feel the effects of the Fall. For women dealing with chronic illness, most books offer quick-fix counseling or devotional verses taken out of context, helpful only for momentary encouragement. For true and lasting comfort we must dig deeper into God's Word and the context in which those much-used passages were written. In Chronic Love, Brooke Bartz reveals a deeply raw and descriptive account of life with a chronic and debilitating illness, and she shares with readers how comfort and strength can be found through the Truth in God's Word. Specifically designed for women who daily battle chronic illness, Chronic Love's goal is to provide solid Scriptural encouragement for the fight.

**Lead Me Not Into Temptation; I Can Find it Myself** K. C. Konrad,2011 Sex in your seventies, a google search, begins this humorous story about senior single relationships. Kayla comes up with the idea that without a partner she is at a disadvantage. She goes online over a one year period in search of a compatible companion in spite of the many self-doubts and second thoughts that arise from a persistent, outspoken inner voice that criticizes her unmercifully. Follow her journey as she meets five potential companions telling about each encounter as it takes place (yes, the author did the research herself). Along the way, she bumps into many surprises and learns a few things about herself as well as online dating. Find out how Kayla turns her mundane existence into a more fulfilling life as she looks forward to the future. The sand in the hourglass may be running out but paradoxically, living for her is gearing up rather than winding down.

*Conviction to Correction* Takasha Stevenson, 2022-08-01 Three years after my incarceration, I had finally gone from surviving to living. I had become careful of who I allowed in my life because before prison, I was on others' tongue. And now after prison, I could see nothing has changed with some of those same people. I had experienced fake friends and family who were always questioning my change and talking against me because of my change. So God stepped in and changed my circle to change me because it was the same people, but they had different issues now. The less I revealed, the more people started to wonder about me. I had people come to me who drained me and then blamed me. But God once again had stepped in and revealed their character to me during small misunderstandings and miscommunications. I was now out of the dark and had no intentions of getting led into it again because the pain had hurt the same no matter who it had come from. It wasn't that the dark was scary to me; it was just an unfamiliar scenery because I never had to totally depend on anyone before. The only way out of the dark was to retrace my steps and social distance myself from family and friends so that I could work on my livelihood now as a convicted felon because I didn't know the road would be so rough. COVID-19 might have been bad for others but couldn't have come at a more appropriate time in my life. But through it all, I have been blessed beyond all expectations. No matter what was thrown at me, I have conquered them all. So I think it's only fair to inspire others to challenge themselves and overcome their limitations and to break through whatever barriers they may have encountered. I've learned from my mistakes, and you can too.
