The Psalms in the New Testament Steve Moyise, Maarten J.J. Menken, 2004-06-08 This book offers a comprehensive summary of the use of the Psalms at Qumran and in the New Testament. For the first time this collection offers a set of studies which will offer an overview of the role and function of the Psalms in the first century. Each chapter considers matters of textual form, points of particular interest, and hermeneutics. Together, this collection forms an important research tool for Septuagintal and manuscript studies, first-century hermeneutics and the development of Christian apologetics and theology. The contributors have all either written or are writing monographs on their particular section of the New Testament/ Qumran. In a number of cases, the particular chapter will be the first of its kind (such as Steve Moyise's discussion of Psalms in Revelation).

Psalms Old and New Dr. Ben Witherington III, 2017-06-15 Reading the Book of Psalms in its original context is the crucial prerequisite for reading its citation and use in later interpretation, including the New Testament writings, argues Ben Witherington III. Here he offers pastors, teachers, and students an accessible commentary to the Psalms, as well as a reasoned consideration of how they were heard and read in early Christianity. By reading forward and backward, Witherington advances the scholarly discussion of intertextuality and opens a new avenue for biblical theology. A rare treasure . . . a triumph! The Original Aramaic New Testament in Plain English with Psalms & Proverbs (8th edition with notes) Rev. David Bauscher, 2014-07-13 This is a translation (8th edition-2013) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in a literal English prose translation of The Peshitta New Testament & the Peshitta Psalms & Proverbs. Aramaic was the language of Israel, the Middle East and of the Jews in Europe from the 6th century BC and afterward until the Muslim conquests of the 7th century AD. Aramaic was used in Mel Gibson's film The Passion of the Christ to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua (Jesus in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. This edition contains 209 pages of notes demonstrating graphically in

hundreds of verse examples that the Aramaic NT is the original text and the Greek NT is a translation of the Aramaic Peshitta text. 8x11 609 pages paperback in Large Print

Psalms and Hebrews Dirk J. Human, Gert Jacobus Steyn, 2010-10-28 The reception of early Jewish/Israelite texts in early Christianity provides valuable insights into the hermeneutics of ancient authors and studies in this regard are vital for an understanding of their theology/ies. By focusing particularly on the reception of the Psalms through the hand of the unknown author of Hebrews, Old Testament and New Testament scholars combine forces in this collection to determine the shifts in interpretation of the Psalms that took place during the processes of (re)interpretation within the work of a particular early Christian writer. By paying careful attention to the original reading(s) of the text versions utilized as well as to the manner in which those texts were embedded in a later literary context by the author of Hebrews, they provide a window into the trajectories of the Psalm traditions. A contextual contribution illustrates the versification of the Psalms in a contemporary African language, Afrikaans, to illustrate how the Psalms' reception remains a vivid endeavor in current times.

Psalms Bible Study Guide plus Streaming Video Sandra L. Richter, PhD,2021-06-22 Experience fresh connections to contemporary worship and devotional practices in this eight-session video-based study of Psalms with Bible scholar Sandra Richter (streaming video included). The book of Psalms is well-known and well-worn. It is the Old Testament book most often quoted in the New Testament, and its quotations can be found everywhere from John Milton to Star Trek to Congressional speeches. Why so much attention? The Church Father Athanasius said it best—most of Scripture speaks to us, but the Book of Psalms speaks for us. This study guide has everything you need for a full Bible study experience, including: An individual access code to stream all eight video sessions online (you don't need to buy a DVD!). The study guide itself—with discussion and reflection questions, video notes, and study sections. Illuminated manuscript activities. In-depth breakdown of specific psalms. The Book of Psalms Study (part of the Epic of Eden series) will open up the poetry and prayers of Scripture in a whole new and deeply sensitive way. Learning from Professor Richter's crystal-clear teaching, you'll discover: How you can trust God with all your emotions: grief, anger, praise, fear, and hope. How and why the people of Israel used the Psalms in worship. Why the book of Psalms is critical in our devotional lives today. How the Psalms can deepen your prayer life. Streaming video access code included. Access code subject to expiration after 12/31/2027. Code may be redeemed only by the recipient of this package.
