WOMEN ARE MADE TO BE LOVED FOLORUNSHO MEJABI,2015-11-08 According to Oscar Wilde Women are made to be loved, not understood. Women are the last creature. They were specially created ...they are the only creature that it took God to carry out research and came to conclusion ...that yes there is something still missing...Gen. 2:18.Loving your woman to submission is very important toward building a happy home. This is the mind of God- Ephesians 5:25Making a woman feel special despite all her flaws, realising that she is very important in every decision making process, making her to know how much she means to you and giving her a lot of space and freedom are very critical toward building an enduring and happy relationship.This book gives you a better idea of how to love your woman....because " Women are not meant to be understood but loved. In the words of Robin Williams, If women ran the world we wouldn't have wars, just intense negotiations every 28 days.

Naked Truth About Women George East,2017-02-14 Why do women always ask their man for an opinion of how a dress looks - and then ignore what he says? Why do they painstakingly inspect and try on dozens of shoes/dresses/handbags - and then buy the first one they looked at? Why do women say that love is more important than money, then judge how much a man loves her by the price of the engagement ring he buys her?

'Works & Essays' Benjamin Alan Villars,

The Word Factory Oscar Whinge,2016-05-18 Unquestionably, The Word Factory is the perfect guide to better English Grammar and effortless writing. According to one newspaper report, universities in England had begun to penalise students who employed incorrect grammar in their essays. In South Africa, the analysis of seventy-four thousand short stories found that written work of children was littered with SMS language, American slang, exclamation marks, and references to celebrities. All through my formative years, I had to contend with five different languagesEnglish, Afrikaans, and two other dialects, which for the most part, accounted for my inability to translate thought into words effortlessly and inhibited my willingness to participate in lively social discussions especially in the course of my high school years. However, possessed of determination, I had vowed to overcome that infirmity. My need to succeed at all costs precipitated the memorisation of the entire Pocket Oxford Dictionary, an accomplishment that spanned ten long years, following which a further ten years were spent in acquainting myself with most English phrases, idiomatic expressions, and collecting the data and fully researching it. I decided to name the compilation The Word Factory. The fruits of my efforts, but more specifically the extensive

employment of The Word Factory, not only marked my rise onto the podiums as master of ceremonies and public speaker, but had also enabled me to write approximately twenty-five articles to the Cape Argus, Cape Towns pre-eminent newspaper, within the space of two years, with 100 per cent publication rate.

Oscar Wilde in Quotation Tweed Conrad,2014-12-24 He had that rarest of all things, common sense. And in the case of Oscar Wilde he also had a gift for delivering this common sense in sometimes pithy but always memorable statements. One of the world's most unforgettable authors, Oscar Wilde had a comment for any and every occasion, many of which are quoted here. From art and actors to vice and virtue, this volume organizes 3109 Oscar Wilde quotations by subject matter, effectively providing a new way to enjoy Wilde's considerable literary legacy. Quotations are taken from Wilde's works, including The Importance of Being Earnest and The Picture of Dorian Gray, his correspondence, magazine articles and newspaper editorials. Some, which are otherwise not immediately verifiable, are garnered from reliable secondary sources. Sixty-seven chapters deal with topics as varied as death, domesticity, friends and enemies, with the source of each quote duly noted. The work, a fascinating read of Wilde's acute observations, is indexed.

Virginia Woolf cleverly depicted; as long as she thinks of a man, nobody objects to a woman thinking. Thousands of years have passed and women are still struggling for their independence and the strange thing; when women have to protect themselves from the bad men, they choose other men, get caged and kick their own freedom. The Little Green Book of Irish Wisdom Dermot McEvoy, 2014-02-18 Wit, craic, and maxims from the Emerald Isle's most famous descendents including JFK, Ronald Reagan, St. Patrick, William Butler Yeats, Oscar Wilde, George Carlin, Brendan Behan, Michael Collins, de Valera, Tug McGraw, and many more! In this lively and wide-reaching collection Dermot McEvoy gathers together some of Ireland's most famous lines from its most famous (and infamous) residents. But just who are the Irish, exactly? They are freedom fighters (the British call them "terrorists"), slave-owners, master politicians, relentless defenders of their religions, gay, straight, liberal, reactionary, victims of a famine, and mercenaries in the name of imperialism. They are expert businessmen, singers, outlaws, movie stars, writers, poets, priests, highwaymen, beggars,

gypsies, gangsters and athletes. They are drunkards, teetotalers, modest, extravagant, and always shocked by the whole thing. They are inspirational and infuriating. They are funny and they are cynical. They are extraordinarily talented and remarkably venal. They are tough, adaptable, and the ultimate survivors. They are bewildering. They are infuriating. And whatever they are, there is a certain wisdom to it all. So dive in and discover new lines and classic quotes from your favorite Irish men and women!
