Cases on the Interplay Between Family, Society, and Entrepreneurship Abe, Ethel Ndidiamaka, Abe, Isaac Idowu, 2023-12-01 In the face of a volatile, uncertain, complex, and ambiguous world and unpredictable challenges, governments need to be able to detect those changes in real-time and quickly test policy responses to determine what works for businesses, communities, families, and individuals. Surprisingly, families and enterprises have interconnectivity. Most Small, Medium and Micro Enterprises (SMMEs) started as household vendors of daily supplies. Understanding this linkage and putting them together with professional dexterity should position them both as the panacea for tackling eventualities in the future. Cases on the Interplay Between Family, Society, and Entrepreneurship adopts a multi-disciplinary approach to appraising and managing the subject matter. This book is underpinned by the need to offer a repository for policymakers in organizations, governments, SMMEs, and community leaders to appreciate the role and importance of the family and SMMEs in the economic landscape of nations. The book is impactful in creating awareness about the importance and role of family and family support to members, the community, and society at large. This book as a well-referenced, peer-reviewed, and expertly written multi-disciplinary book covering the humanities, entrepreneurship, human resource management, psychology, leadership, innovative technology, governance/political sciences, and education, add value to extant literature. The book is principally targeted at entrepreneurs, scholars, governments, opinion leaders/influencers, and entities who need competent referenced data on the subject matter as outlined.

Pastoral Care from the Pulpit J. LeBron McBride, 2015-12-22 Learn to apply the lessons found in the Bible to the struggles of day-to-day life Pastoral Care from the Pulpit connects the head, heart, and soul issues of everyday life, presenting a pastoral care approach to preaching and teaching practical Christianity. This powerful, progressive book gives hope to anyone struggling to survive and thrive as a spiritual person in difficult times. The author, a practicing psychotherapist who is also an ordained minister, explores Biblical stories and passages to find practical motivations for living as a Christian, offering encouragement to those suffering from a lack of purpose, identity, or acceptance. Pastoral Care

from the Pulpit makes creative use of counseling and pastoral care principles to serve as a handbook for spiritual survival against life's everyday challenges. The book is an outgrowth of sermons delivered by the author at First Christian Church in Rome, Georgia, creative explorations of the Bible that blend theology with preaching to remain relevant to real life. It can be read a chapter at a time for daily affirmation, or taught one chapter a week as a class study; questions are provided at the end of each chapter to encourage reflection. Pastoral Care from the Pulpit provides positive principles for living and powerful encouragements for transformation during life's journey. The book includes: The Transforming Power of Touch (Matthew 8:40-48) Seeing Possibilities and Potentialities in Your Identity (Mark 10:46-52) Does God Put You to the Test or Take the Test for You? (Genesis 22:1-18) A Not-So-Modest Proposal: Follow Jesus (Matthew 4:18-23) Wandering into Far Countries: With Whom Are You Traveling? (Luke 15:11-31) Finding Freedom from False Assumptions (John 14:25-27) Saying YES to the Way of Jesus (John 10:10) Drinking Out of a Glass with a Hole in the Bottom (Jeremiah 2:1-13) and much more! The Giant Book of Children's Sermons Wesley T. Runk, 2003-03 Here at last is the comprehensive collection you've been searching for to minister effectively to your children during worship. Drawn from every book of the New Testament, The Giant Book Of Children's Sermons -- Matthew To Revelation contains five full years worth of material you can share with your young disciples. Each of the 260 talks teach children God's Word through the use of common objects that illustrate an important concept in the scriptures. The messages come from Wesley Runk, a pastor and master communicator with kids who has written over 30 best-selling collections of children's sermons and object lessons. Runk uses a warm and often humorous approach to take on even the tough topics of the New Testament -- and the analogies he creates with the use of such simple objects as bananas, clocks, puzzles, and funnels add visual focus for the kids and help them grasp the point on a

level suitable for their age. Now, whether you are preaching from the Gospels, Acts, the letters of Paul, the general Epistles, or even Revelation, you are sure to find an appropriate related talk for the children. And with convenient features like scripture and object indexes for quickly locating material as well as a CD with text files that lets you easily adapt the messages to your specific circumstances, The Giant Book Of Children's Sermons may be the last children's collection you ever need!
