The Book of The Animals - The Beautiful Collection (Bilingual English-Spanish) J.N. PAQUET, 2013-11-11 NEW EDITION Brand new designed books jackets and higher resolution and redesigned illustrations inside! 7 BOOKS IN 1!! This collection book includes the seven episodes of the series:- Episode 1. These Animals... Don't Want To Wash!- Episode 2. These Animals... Don't Want To Eat!- Episode 3. These Animals... Don't Want To Sleep!- Episode 4. These Animals... Don't Want To Go To School!- Episode 5. These Animals... Don't Want To Share!- Episode 6. These Animals... Don't Want To Take Their Medicine!- Episode 7. These Animals... Don't Want To Get Vaccinated! THE BOOK OF THE ANIMALS: FUN LEARNING FOR CHILDREN AND PARENTS What are certainly the most occurring moments in a parent's life? When their child doesn't want to wash, eat, sleep, go to school, share, take medicine, get vaccinated... And what can a parent answer to these refusals? The successful Book of The Animals bilingual children's books series was created with the aim to help both parents and children to discover the benefits of washing, eating, sleeping, going to school, sharing, taking medicine, getting vaccinated... in a fun as well as educational manner. Since the books are also bilingual, parents will enjoy the teaching and the interactivity they can gain from reading them with their children. THE AUDIENCE The books are geared towards children aged 2-5, before elementary/primary school. They will likely be bilingual children whose parents want to encourage the learning of their two current languages. They will also be children whose parents want to teach a language at a young age. Some teachers have also been using the books of the series as a way to teach a second language to children, with themes easy for them to both understand and memorise. THE CURRENT BOOKS There are currently seven books in the series. Each episode brings on new animals, new words, new situations and new stories.- Ep.1. These Animals... Don't Want to Wash! (2008)- Ep.2. These Animals... Don't Want to Eat! (2009)- Ep.3. These Animals... Don't Want to Sleep! (2010)- Ep.4. These Animals... Don't Want to Go to School! (2011)- Ep.5. These Animals... Don't Want to Share! (2011)- Ep.6. These Animals... Don't Want to Take their Medicine! (2012)- Ep.7. These Animals... Don't Want to Get Vaccinated! (2012) The books are all available in either bilingual or monolingual versions:- Bilingual versions: English-French, English-Portuguese, English-Italian, English-Spanish, English-Swedish, English-Creole, English-Japanese... More versions still to come! REVIEW The Book of the Animals is a planned series of illustrated books for young children. [...] These delightful books tell the story of what happens when the animals in the stories, like many young children, don't want to eat and don't want to wash... The books are very suitable both for reading to

young children and for older children to use to learn to read in both languages. They might even persuade them to wash and eat their dinner! The repetitive structure is supportive of children learning new words and the illustrations work well alongside the text to help understanding of unfamiliar words. I can easily imagine young children demanding repeat readings and enjoying learning the text by heart as many children do with favourite stories. Children learning to make up and write their own stories might well want to write a personalised version, using the structure as a prop. I think the stories would work well both in the home and in the classroom. A Beautiful Constraint Adam Morgan, Mark Barden, 2015-01-05 An inspiring yet practical guide for transforming limitations into opportunities *A Beautiful Constraint: How to Transform Your Limitations Into Advantages And Why It's Everyone's Business Now* is a book about everyday, practical inventiveness, designed for the constrained times in which we live. It describes how to take the kinds of issues that all of us face today—lack of time, money, resources, attention, know-how—and see in them the opportunity for transformation of oneself and one's organization's fortunes. The ideas in the book are based on the authors' extensive work as business consultants, and are brought to life in 35 personal interviews from such varied sources as Nike, IKEA, Unilever, the U.S. Navy, Formula One racecar engineers, public school teachers in California, and barley farmers in South Africa. Underpinned by scientific research into the psychology of breakthrough, the book is a practical handbook full of tools and tips for how to make more from less. Beautifully designed and accessible, *A Beautiful Constraint* will appeal beyond its core business audience to anyone who needs to find the opportunity in constraint. The book takes the reader on a journey through the mindset, method and motivation required to move from the initial victim stage into the transformation stage. It challenges us to: Examine how we've become path dependent—stuck with routines that blind us from seeing opportunity along new paths Ask Propelling Questions to help us break free of those paths and put the most pressing and valuable constraints at the heart of our process Adopt a Can If mentality to answer these questions—focused on how, not if Access the abundance to be found all around us to help transform constraints Activate the high-octane mix of

emotions necessary to fuel the tenacity required for success We live in a world of seemingly ever-increasing constraints, driven as much by an overabundance of choices and connections as by a scarcity of time and resources. How we respond to these constraints is one of the most important issues of our time and will be a large determinant of our progress as people, businesses and planet, in the future. A Beautiful Constraint calls for a more widespread capability for constraint-driven problem solving and provides the framework to achieve that.

Algebra the Beautiful G. Arnell Williams,2022-08-23 A mathematician reveals the hidden beauty, power, and—yes—fun of algebra What comes to mind when you think about algebra? For many of us, it's memories of dull or frustrating classes in high school. Award-winning mathematics professor G. Arnell Williams is here to change that. *Algebra the Beautiful* is a journey into the heart of fundamental math that proves just how amazing this subject really is. Drawing on lessons from twenty-five years of teaching mathematics, Williams blends metaphor, history, and storytelling to uncover algebra's hidden grandeur. Whether you're a teacher looking to make math come alive for your students, a parent hoping to get your children engaged, a student trying to come to terms with a sometimes bewildering subject, or just a lover of mathematics, this book has something for you. With a passion that's contagious, G. Arnell Williams shows how each of us can grasp the beauty and harmony of algebra.

No Is a Beautiful Word Kevin G. Harney,2019-02-12 If a person has extra time, nothing to do, and finds themselves looking for ways to fill their empty days...this book is definitely not for them. *No Is a Beautiful Word* is designed and crafted for people whose plate is full, whose margin is thin, and whose life feels overloaded. They are looking for help, relief, and wisdom to navigate the countless options that life offers on a daily basis. This book is needed by people who: Go to bed with a To Do list that never seems to get totally done. Kindly say, Yes and secretly regret it five minutes later. Feel pain and live with guilt when they have to say, No. Were taught that No is a dirty word. Believe that saying No is a sign of weakness. Feel trapped by unwise past commitments. Want to say Yes to what matters most in life but are too exhausted. Know that their life is out of balance and are seeking to fix it! It will be valuable for: Leaders who have a tough time making the hard decisions

because they fear hurting someone's feelings. Executives who feel over extended and pressed to the edges of their capacity. Parents who feel overworked and under appreciated. Students who are trying to balance the intensity of school, work, and their relational world. Retired people who find themselves saying, with subtle humor but aching regret, I am more busy now than I have ever been! Single people who go to bed at night exhausted because the day left no margin and offered no oasis of peace. Married people who love their life but secretly dream about time to play, space to relax, and taking a nap. No Is a Beautiful Word is designed to be read briskly, chewed on thoroughly, and acted on practically. The chapters are brief by intention. They range from one paragraph (that's right, some chapters are only a few sentences long!) to four pages. The goal of this book is give people clear concepts, paint a picture of what it looks like to live out the idea, and then move on to the next thought. The vision is to help people learn to say No to the things that don't matter (or don't matter as much) so they can say Yes to the things that bring life, hope, peace, and lasting meaning.
