I Almost Forgot about You Terry McMillan, 2016 When Dr. Georgia Young decides to make some major changes in her life by quitting her job and moving, she finds herself on a journey that may include a second chance at love.

**Disappearing Acts** Terry McMillan, 2012-07-31 From #1 New York Times bestselling author Terry McMillan comes an honest look at a modern romance, from love at first sight to painful reality to working toward a happy ending.... Franklin Swift was a sometimes-employed construction worker and a not-quite-divorced dad of two. Zora Banks was a teacher, singer, and songwriter. They met in a Brooklyn brownstone, and there could be no walking away.... In this funny, gritty love story, Franklin and Zora join the ranks of fiction's most compelling couples as they move from Scrabble to sex, from layoffs to the limits of faith and trust. *Disappearing Acts* is about the mystery of desire and the burdens of the past. It's about respect—what it can and can't survive. And it's about the safe and secret places that only love can find.

*Ebony*, 1993-07 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

*A Day Late and a Dollar Short* Terry McMillan, 2004-01-06 “Without question, this is McMillan’s best. A glorious novel....A moving tapestry of familial love and redemption.”—The Washington Post With her hallmark exuberance and a cast of characters so sassy, resilient, and full of life that they breathe, dream, and shout right off the page, Terry McMillan has given us a tour-de-force novel of family, healing, and redemption. *A Day Late and a Dollar Short* takes us deep into the hearts, minds, and souls of America—and gives us six more friends we never want to leave.

**Getting to Happy** Terry McMillan, 2012-07-31 An exuberant return to the four unforgettable heroines of *Waiting to Exhale*—the novel that changed African-American fiction forever. Now, McMillan revisits Savannah, Gloria, Bernadine, and Robin 15 years later. Each is at her own midlife crossroads. They’ve exhaled: now they are learning to breathe. Available in a tall Premium Edition.

**How Stella Got Her Groove Back** Terry McMillan, 2004-01-06 *How Stella Got Her Groove Back* is full of Terry McMillan’s signature humor, heart, and insight. More than a love story, it is ultimately a novel about how a woman saves her own life—and what she must risk to do it. Stella Payne is forty-two, divorced, a high-powered investment analyst, mother of eleven-year-old Quincy— and she does it all. In fact, if she doesn’t do it, it doesn’t get done, from Little League carpool duty to analyzing portfolios to folding the laundry and bringing home the bacon. She does it all well, too, if her chic house, personal trainer, BMW, and her loving son are any indication. So what if there’s been no one to share her bed with lately, let alone rock her world? Stella doesn’t mind it too much; she probably wouldn’t have the energy for love—and all of love’s nasty fallout—anyway. But when Stella takes a spur-of-the-moment vacation to Jamaica, her world gets rocked to the core—not just by the relaxing effects of the sun and sea and an island full of attractive men, but by one man in particular. He’s tall, lean, soft-spoken, Jamaican, smells of citrus and the ocean—and is half her age. The tropics have cast their spell and Stella soon realizes she has come to a cataclysmic juncture: not only must she confront her hopes and fears about love, she must question all of her expectations, passions, and ideas about life and the way she has lived it.

Literature by African American women is important for its aesthetic qualities, and it also illuminates the social issues which these authors have confronted. This book conveniently surveys the lives and works of African American women writers. Included are alphabetically arranged entries on more than 150 African American women novelists, poets, playwrights, short fiction writers, autobiographers, essayists, and influential scholars. Each entry provides a biography, a discussion of major works, a survey of the writer's critical reception, and primary and secondary bibliographies. The Encyclopedia closes with a selected, general bibliography. Students and general readers will welcome this guide to the rich achievement of African American women. Literature students will value its exploration of the works of these writers, while social studies students will appreciate its examination of the social issues these women confront in their works.

Who Asked You? Terry McMillan,2014-07-01 From the #1 New York Times bestselling author...“Remember Getting to Happy, Waiting to Exhale, and How Stella Got Her Groove Back? Well, you won’t likely forget Terry McMillan’s Who Asked You? either” (Raleigh News & Observer). Betty Jean already has her hands full when her grown daughter leaves her two young sons in her care. In between dealing with her other adult children, two opinionated sisters, an ill husband, and her own postponed dreams—BJ still manages to hold down a job delivering room service at a hotel. Her son Dexter is about to be paroled from prison; Quentin, the family success, can’t be bothered to lend a hand; and taking care of two lively grandsons is the last thing BJ thinks she needs. But who asked her?

In Love With The Hood In Him Natisha Raynor, Miss Candice,2018-10-16 Since she was a teenager, Biyou has had a thing for bad boys, despite her sheltered and privileged upbringing. After a few failed relationships, she finds solace in the arms of the ultimate bad boy - Kinkaid Washington, one of Atlanta's biggest dope dealers. To Biyou, Kinkaid is more than just a drug

dealer, though. He's loving, attentive, and supportive of her dreams. One thing she doesn't know is that he's also a cheater. Eventually she finds out and her perfect image of Kinkaid quickly diminishes. Kinkaid runs the streets of Atlanta with his day ones Harim, and Jaseem. What started out as petty corner hustling turned into a lucrative drug empire. With money, power, and respect comes a plethora of beautiful women too. Unable to control his urges, Kinkaid dabbles a bit. One night of drinking and partying leads up to him sleeping with an ex; an ex that Biyou soon finds out about. Learning of Kinkaid's infidelities, Biyou catches feelings for someone she least expects. Jaseem had always been viewed as the clown of the crew because of the hasty decisions he's made over time. Because of his impulsive ways, having children had never been in his plans. Unfortunately, life has other things planned for him and he has a baby on the way. Refusing to be a deadbeat father, Jaseem prepares for the arrival of his child by purchasing a home and having it decorated through Biyou's interior design company, LUXE, which, ultimately creates a chemistry that neither of them saw coming. To those on the outside looking in, Inaya Lewis has the perfect life. She's written songs for some of the dopest artists in the game, and she's married to a handsome businessman with the riches of a mogul and the swagger of a dope boy. However, no one knows how good Inaya is at pretending. She wants to be the one singing the hits she writes, and her heart melts at the sight of babies. Yet and still she's reminded that her husband wants them to wait before starting a family. All the things Inaya want most, get the same response from her husband Hiram. No. Wait. Inaya loves her husband with everything in her, but as more time passes, she's no longer willing to stall her dreams to make him happy. Jaxyn Wright has only been in two relationships in her entire life, both with women. She's found men cute, but she's never been sexually attracted to them. A nasty break up with her ex leaves her homeless, and she moves in with a friend. Jaxyn is going through a lot that she doesn't understand, and one of those things just happens to be that out of the blue, she develops a strong desire for a man. She's never been with a man, never wanted to be with a man, and now she suddenly "needs" a man like she needs the air she breathes. No matter how hard it is, Jaxyn has to walk away because if she gives in to her desires, lives will be ruined, and nothing will ever be the same

*The Interruption of Everything* Terry McMillan, 2007-05-01 From #1 New York Times bestselling author Terry McMillan comes a “frank, no-holds-barred, humorous look at African-American midlife” (The Seattle Times). “Being a lifetime wife and mother has afforded me the luxury of having multiple and even simultaneous careers: I've been a chauffeur. A chef. An interior decorator. A landscape architect, as well as a gardener. I've been a painter. A furniture restorer. A personal shopper. A veterinarian's assistant and sometimes the veterinarian. I've been an accountant, a banker, and on occasion, a broker. I've been a beautician. A map. A psychic. Santa Claus. The Tooth Fairy. The T.V. Guide. A movie reviewer. An angel. God. A nurse and a nursemaid. A psychiatrist and psychologist. Evangelist. For a long time I have felt like I inadvertently got my master's in *How to Take Care of Everybody Except Yourself* and then a PhD in *How to Pretend Like You Don't Mind*. But I do mind.” Today forty-four year old Marilyn Grimes has decided to be something other than a wife, a mother, a sister, or a daughter: herself. But first, she has to figure out exactly who that is....
