Genuine all the time Russell Cederberg, 2025-05-03 What does it really mean to live a completely genuine lifestyle, honestly adhering to your real values, your gifts and skills, your interests and your faith? What might that sort of authenticity actually look like? Would this be a responsible way to live and would it actually be possible to live your life like this? If this sort of lifestyle is important, why would that be? How dangerous could it be to allow people to know the real person that is often cleverly hidden inside of us as modern humans? Everyone understands how common it is to 'put on a happy face' and to present a false persona to the public while our true selves remain completely masked behind cleverly constructed identities. What are some of the perceived benefits from living this kind of a manufactured lifestyle and what sorts of negative results might be possible or even inevitable if we persist in living this way? In GENUINE, Russell carefully investigates these questions and through the use of a parable, he illustrates what the benefits of living a truly authentic life will always be and reveals some of the terrible results that living disingenuously will always produce.

Love is the Law Marieta Oslanec, Esq. , 2019-10-22 It took me 16 years to understand that in order to find true love, happiness, peace and abundance, I needed to go within. During those years, I experienced several painful breakups and went from one relationship to another, only to realize that the most important love is self-love. The most painful break-up was the beginning of my life-long love story. I moved from Slovakia to the USA with only 700 USD and without speaking a word of English. I put myself through law school and became a licensed attorney in New York. Nobody would hire me, so I started my own company and hired myself. I then decided to challenge myself further and travel the world solo. I spent 30 days in

complete silence, in meditation retreats throughout Bali, Nepal, and Hawaii. During this period, I faced my deepest fears and came to discover that they were only illusions. The truth is, many of our fears are not real, they are just our ego trying to protect us. What is real is love, and that is our “higher self”. The Universe is governed by the ultimate Law that is Love, and when we all collectively raise our consciousness, we will be able to create a new world. In this book you will learn how to: - Heal a broken heart and fall in love with yourself - Change a limiting money mindset and attract abundance - Discover your purpose and start a purpose driven business - Meditate and tap into your higher self - Create a healthy relationship with your body & embrace your beauty - Activate your inner genius & step into your power In order to live in this new world, every one of us must awaken and do the inner work. The new reality is within you, yearning to be awakened. The question is, are you ready? About the Author Marieta Oslanec is a successful attorney, author, serial entrepreneur and intuitive business coach. She is the founder of ImmigrationBiz PLLC and ImmigrationBiz Academy, where she has helped many foreign entrepreneurs start profitable businesses in the US and live the American Dream. By combining both her intuition and business skills acquired over the years, she has been coaching female entrepreneurs towards starting their own purpose driven, wildly profitable business. Marieta is originally from Slovakia and moved to the United States when she was twenty-four years old to follow her dream. Marieta’s mission is to empower people by raising their consciousness by applying the 21 universal laws in her book, Love is the Law. Visit www.marietaoslanec.com and www.loveisthelaw.com for more information. Praise When I first heard Marieta share the title of her book I thought “that’s brilliant!” How perfect that a lawyer writes a book about how love is the ultimate law. Marieta and her journey to discovering 21 laws, leading to the ultimate law of love, is a beautiful story of self-discovery. Through reading this book, you will gain a greater understanding of the tremendous power you have in your own life to create greater joy, peace, health, wealth, and above all, love. With this understanding, you hold the key to self-transformation. If individually we all take this key and open the door to self-love, together, we will shift the global consciousness. The purpose of a forward can be many things, and I hope that with this forward you felt inspired and invited to take a closer look; then go beyond reading words and concepts to open your mind and heart and enter the space between words, beyond knowledge, to Spirit, where Love is the Law. Sylva Dvorak, PhD New York Times Bestselling Author Your Hidden Riches - Unleashing the Power of Ritual to Create a Life of Meaning and Purpose
