The Family Chris Johnston, Rosie Jones, 2016-11-24 The apocalyptic group The Family and their guru, Anne Hamilton-Byrne — one of very few female cult leaders in history — captured international headlines throughout the 1980s and 1990s. Hamilton-Byrne, who some followers believed was Jesus Christ, was glamorous and charismatic — and, many allege, very dangerous. From her base in a quiet suburb, she recruited wealthy professionals to join her cult, including doctors, lawyers, nurses, architects, and scientists. She acquired children and raised them as her own, bleaching their hair blonde to make them look like siblings, and her group became surrounded by rumours of LSD use, child abuse, and strange spiritual rituals. In 1987, police swooped on The Family's lakeside compound and rescued children who claimed they were part of Anne's future master race. The children recounted terrible stories of near starvation, emotional manipulation, and physical abuse. But Anne could not be found, sparking an international police hunt. Could they bring Anne to justice? How did such a notorious group come to flourish? How did Anne maintain a hold over her followers? Drawing on revelatory new research, including police files, diary entries, and interviews with survivors, *The Family* tells the strange and shocking story of one of the most bizarre cults in modern history.

The children recounted terrible stories of near starvation, emotional manipulation, and physical abuse. But Anne could not be found, sparking an international police hunt that involved Scotland Yard, Interpol, and the FBI. Could they bring Anne to justice? Today, the elderly Anne has an estate estimated to be worth millions, with only one minor criminal conviction to her name. Her few remaining followers attend her nursing-home bedside. How did such a notorious group come to flourish? How did Anne maintain a hold over her followers? And why was she never fully brought to justice?

Drawing on revelatory new research, including interviews with survivors, The Family tells for the first time in full the strange and shocking story of one of the most bizarre cults in modern history.

Cults Nigel Cawthorne, 2019-08-08 The inside story of the world's most notorious cults. The strange and sinister world of cults is a source of endless fascination. Their secrets, rituals and shadowy hierarchies make for some of the most disturbing and shocking revelations in history. Most chilling of all is the fact that many of their followers forfeit all independence in order to carry out the often sadistic bidding of a mysterious master manipulator - and continue to defend their leader to this day. From Charles Manson, who instructed his followers to murder seven people, including a heavily pregnant Sharon Tate, to Aum Shinrikyo, the Japanese doomsday cult that carried out deadly terror attacks, and the People's Temple, these cults and their leaders transfix us with their extreme ability to commit savage acts of cruelty and depravity in the name of a self-appointed higher power. Many shocking and international cults are brought to life, including: - The Manson Family - People's Temple - Colonia Dignidad - Thuggees - Aum Shinrikyo - Skopsty - Raëlism - Heaven's Gate

The Children of God Cult, aka The Family ,

Family Planning: Rules for a Healthy Cult Nations United Together Society - NUTS, This self-help book for cult leaders is ideal for anyone with a sense of humor! Dark and provocative humor... The lessons will ensure that your cult becomes a vibrant, flourishing network of submissive lemmings and extension of God's will, interpretable by no one but you!

Bizzarrism Chris Mikul, 1999 A funny and entertaining look at outlandish ideas, wacky religious cults and the extremes of human beliefs, both in Australia and overseas. Results From The Forbidden Human Act Lynn Latham, 2017-07-19 Results From The Forbidden Human Act by Lynn Latham For a long time, Lynn Latham wanted to know why humans have been performing such forbidden acts of behavior that caused their children to be born with slow learning abilities to almost mental retardation, physical handicaps, prenatal mortality, social problems, malformations, and many other problems. What Latham discovered is that these mental and physical problems the children are having can be stopped if humans will stop performing this forbidden act. He is sickened at what he has discovered. The worst thing is that humans performing this act are not smart enough to realize they are doing wrong. There are many good and respectful humans, but these are not the ones he is referring to in this book.

Australia's Sweetheart Michael Adams, 2019-01-29 This is the fascinating story of Mary Maguire, a 1930s Australian ingenue who sailed for Hollywood and a fabulous life, only to have her career cut short by scandal and tragedy. Packed with celebrity, history and gossip, AUSTRALIA'S SWEETHEART is perfect for readers of SHEILA and THE RIVIERA SET. Mary Maguire was Australia's first teenage movie star and she captivated Hollywood in the mid 1930s. Mary lived on three continents and was celebrated in Melbourne, Brisbane, Sydney, Los Angeles and London. Her life was lived in parallel with seminal incidents of the twentieth century: the Spanish Flu; the Great Depression; the Bodyline series; Australia's early radio, talkies and aviation; Hollywood's Golden Era; the British aristocracy's embrace of European fascism; London's Blitz; and post-war American culture and politics. Mary knew everyone, from Douglas Jardine, Don Bradman, Errol Flynn and Ronald Reagan, to William Randolph Hearst, Maureen O'Sullivan, Judy Garland and Queen Elizabeth II. AUSTRALIA'S SWEETHEART in an irresistible never-before-told story that captures the glamour of Hollywood and the turbulent times of the twentieth century, with a young woman at its centre. If you loved THE AMAZING MRS LIVESEY, Robert Wainwright's SHEILA and MISS MURIEL MATTERS, you will adore AUSTRALIA'S SWEETHEART.

Cults Uncovered Emily G. Thompson, 2020-02-04 The shocking truth about some of the most disturbing, criminal cults

that have ever existed. How did Charles Manson inspire his family to launch a campaign of murder? What twisted ideology lay behind horrific events like the Waco Siege, the Aum Shinrikyo's poison-gas attack on the Tokyo metro, and the mass suicides and murders of Jonestown? Why did the suicidal members of Heaven's Gate believe doomsday was at hand? How did the idealistic commune of Rajneeshpuram collapse into shocking controversies, involving biological terrorism and attempted murder? Cults Uncovered explores these and many more strange and disturbing factions and sects from all over the world to expose terrifying stories of manipulation, coercion, abuse, and murder.

Being Australian Catriona Elder, 2020-07-24 After a century of speculation by writers, filmmakers, travelers and scholars, 'being Australian' has become a recognisable shorthand for a group of national characteristics. Now, in an era of international terrorism, 'being seen as un-Australian' has become a potent rhetorical weapon for some, and a badge of honour for others. Catriona Elder explores the origins, meaning and effects of the many stories we tell about ourselves, and how they have changed over time. She outlines some of the traditional stories and their role in Australian nationalism, and she shows how concepts of egalitarianism, peaceful settlement and sporting prowess have been used to create a national identity. Elder also investigates the cultural and social perspectives that have been used to critique dominant accounts of Australian identity, including ideas of class, gender, sexuality, ethnicity and race. She shows how these critiques have been, in turn, queried in recent years. *Being Australian* is an ideal introduction to studying Australia for anyone interested in understanding Australian society, culture and history. A clever work: incisive and original. At a time when Australian identities have never been more debated, Elder finds an open way through the closed doors which often restrict cultural representations of Australian-ness.' Professor Adam Shoemaker, Dean of Arts, ANU This is a timely and significant new analysis essential reading on issues of identity and our own anxieties about national belonging and what it means to be Australian' in a globalising world.' Kate Darian-Smith, Professor of Australian Studies and History, University of Melbourne
