Rohit K. Dasgupta, Sangeeta Datta

100 Essential Indian Films Rohit K. Dasgupta, Sangeeta Datta, 2018-12-15 Although the motion picture industry in India is one of the oldest and largest in the world—with literally thousands of productions released each year—films from that country have not been as well received as those from other countries. Known for their impressive musical numbers, melodramatic plots, and nationally beloved stars, Indian films have long been ignored by the West but are now at the forefront of cinema studies. With the prolific number of films available, it can be difficult to know what to watch. In *100 Essential Indian Films*, Rohit K. Dasgupta and Sangeeta Datta identify and discuss significant works produced since the 1930s. Examining the output of different regional film industries throughout India, this volume offers a balance of box-office blockbusters, critical successes, and less-recognized cult classics. From early films by Satyajit Ray to contemporary classics such as *Salaam Bombay* and *Lagaan*, each entry includes comprehensive details about the film and situates the work in the context and history of the Indian canon. In addition to these notable productions, this book also examines key film directors and the work of major film stars in the industry. While many studies of Indian films focus on a single language's contributions, this encyclopedia offers a comprehensive guide to productions from across the country in various languages, including Hindi, Bengali, Tamil, Malayalam, Assamese, Punjabi, Marathi, and English. *100 Essential Indian Films* is an engaging volume that will appeal to both cinema scholars and those looking for an introduction to a vital component of world cinema.

India's New Independent Cinema Ashvin Immanuel Devasundaram, 2016-06-10 This is the first-ever book on the rise of the new wave of independent Indian films that is revolutionising Indian cinema. Contemporary scholarship on Indian cinema so far has focused asymmetrically on Bollywood—India's dominant cultural export. Reversing this trend, this book provides an in-depth examination of the burgeoning independent Indian film sector. It locates the new 'Indies' as a glocal hybrid film form—global in aesthetic and local in content. They critically engage with a diverse socio-political spectrum of 'state of the nation' stories; from farmer suicides, disenfranchised urban youth and migrant workers to monks turned anti-corporation animal rights agitators. This book provides comprehensive analyses of definitive Indie new wave films including *Peepli Live* (2010), *Dhobi Ghat* (2010), *The Lunchbox* (2013) and *Ship of Theseus* (2013). It explores how subversive Indies, such as

polemical postmodern rap-musical Gandu (2010) transgress conventional notions of 'traditional Indian values', and collide with state censorship regulations. This timely and pioneering analysis shows how the new Indies have emerged from a middle space between India's globalising present and traditional past. This book draws on in-depth interviews with directors, actors, academics and members of the Indian censor board, and is essential reading for anyone seeking an insight into a current Indian film phenomenon that could chart the future of Indian cinema.

The never-ending Brief Encounter Brian McFarlane, 2019-08-28 This is a book for all those who have been absorbed and moved by Brief Encounter in the seventy or so years since its first appearance. It explores the central relationship of the film, where two people who fall unexpectedly in love come to realise that there is more to life than self-gratification. Mores have undoubtedly changed, for better or worse, but that essential moral choice has never lost its power. While acknowledging this, the book goes further in an effort to account for the way the film has passed into the wider culture. People born decades after its first appearance are now adept at picking up references to it, whether a black-and-white scene in a much later film or a passing joke about a bald man in a barber's shop.

Bollywood FAQ Piyush Roy, 2019-09-20 Bollywood, a popular nomenclature for India's "national" film industry in the Hindi language, along with the Taj Mahal, yoga, Buddha, and Mahatma Gandhi, is one of the best-known introductions and universally recognized associations with India across the world today. Despite its predominant narrative styles not confirming to the First World European and/or American cinema structure, Indian cinema is increasingly viewed as the world's second-most important film industry, after Hollywood, with box-office influence crossing over with European cinema. Bollywood FAQ provides a thrilling, entertaining, and intellectually stimulating joy ride into the vibrant, colorful, and multi-emotional universe of the world's most prolific (over 30 000 film titles) and most-watched film industry (at 3 billion-plus ticket sales). Bollywood blockbusters are simultaneously screened in theaters and cinemas in over 100 nations from the USA to Japan, New Zealand to the Netherlands, and Peru to Pakistan. Every major Hollywood studio (Warner Bros., Fox Star, Disney, Sony Pictures, and Viacom 18) is now making or distributing Bollywood films. Yet much of Indian cinema continues to amuse and confuse audiences and critics outside of India, including during their first/occasional introductions to it, in the words of Salman Rushdie, "epico-mythico-tragico-comico-super-sexy-high-masala-art form in which the unifying principle is a technicolor-storyline." Bollywood FAQ explains and explores the above myths and magic. It introduces India's maharajah-like stars and their cult-commanding stardom. Movie buffs will find a ready reckoner on iconic Bollywood films, with a bonus must-watch listing of the cinema's most spectacular song-and-dance moments, highlighting the pleasures and popularity of a

national cinema that has come to be a genre in itself. This book is a reader-friendly reference to everything one has ever wanted to know about the spectacular, robust, humongous, colorful, and dramatic multi-generic cinematic being called Bollywood. The narrative is enriched with insider insights culled from its author's long career as a film writer and critic in the city of Bollywood, Bombay (now Mumbai).

Finding Anna Vineeth Vijayghosh, 2020-05-02 *A powerful and eye-opening Amazon bestselling memoir * Uncover an inspiring true story about life, travel, and self-discovery. Dissatisfied with life and with his thirties creeping up on him, Vineeth Vijayghosh knows he needs a radical change. Embarking on a profound journey of self-discovery, he travels to over 20 different countries on a quest to unravel his past, experience life, and find meaning. This thought-provoking memoir retraces Vineeth's steps, exploring the insightful concept of Anna - a personification of the people and moments that marked pivotal points in his life. The product of over 6 years of soul-searching, Finding Anna combines poignant prose and reflections with gritty detail to provide a unique look at one man's quest for his identity. Every single one of us has encountered an Anna. They mark turning points in our lives, shaping the course of our story and forging the paths we take. This enlightening book seeks to explore the connections that build the foundation of our identity, drawing on Vineeth's personal story to illuminate the rich and critical links that intertwine our fates and help us gain an understanding of who we truly are.

Hong Kong and Bollywood Joseph Tse-Hei Lee, Satish Kolluri, 2016-09-27 This volume examines the transmission, reception, and reproduction of new cinematic styles, meanings, practices, and norms in early twenty-first-century Asia. Hong Kong and Bollywood offers new answers to the field of inter-Asian cultural studies, which has been energized by the trends towards transnationalism and translatability. It brings together a team of international scholars to capture the latest development in the film industries of Hong Kong and Mumbai, and to explore similar cross-cultural, political, and socioeconomic issues. It also explains how Hong Kong and Bollywood filmmakers have gone beyond the traditional focus on nationalism, urbanity and biculturalism to reposition themselves as new cultural forces in the pantheon of global cinema.

Handbook of Research on Social and Cultural Dynamics in Indian Cinema Biswal, Santosh Kumar, Kusuma, Krishna Sankar, Mohanty, Sulagna, 2020-06-26 Cinema in India is an entertainment medium that is interwoven into society and culture at large. It is clearly evident that continuous struggle and conflict at the personal as well as societal levels is depicted in cinema in India. It has become a reflection of society both in negative and positive ways. Hence, cinema has become an influential factor and one of the largest mass communication mediums in the nation. Social and Cultural Dynamics in Indian

Cinema is an essential reference source that discusses cultural and societal issues including caste, gender, oppression, and social movements through cinema and particularly in specific language cinema and culture. Featuring research on topics such as Bollywood, film studies, and gender equality, this book is ideally designed for researchers, academicians, film studies students, and industry professionals seeking coverage on various aspects of regional cinema in India.

The Dashing Ladies of Shiv Sena Tarini Bedi, 2016-03-23 Explores the activities and political personas of women activists in Shiv Sena, a militant Indian political party. Rich in detail, this book tells the stories of women of Shiv Sena (Shivaji's Army), a militant political party in Western India. It provides insight into the political networks powered by lower-level women politicians in postcolonial, globalizing cities and on their margins. Based on more than ten years of in-depth ethnographic fieldwork with the women of Shiv Sena, the work shows how women political activists in urbanizing India conjure political authority through the inventive, dangerous, and transgressive political personas known as "dashing ladies." Tarini Bedi develops a feminist theory of brokerage politics, arguing that political grids where women employ political, symbolic, and material resources through the political system may be seen as channels of what can be termed "political matronage."

Indian Air Force and Me Muniruddin Syed, 2017-08-14 38 years in anyone's life is a very long period. I was privileged to be associated this long with the marvellous service known as the Indian Air Force. Although retired more than 24 years ago, I often forget that I am no longer in the service. In my dreams, I still see myself worrying about some unfinished tasks of the Squadron. On several occasions, I dream as if I am packing household items hurriedly to proceed on some imaginary transfer. After waking up, I realise it was only a dream; but the sweetness of those moments keep lingering on my mind for rest of the day. Psychologists might name this condition as an obsession, and I wouldn't differ with them. Dreaming at night and recollecting past events during the day ultimately nudged me on to make the anecdotal record in the form of a book, which is now in your hands. Most of the Autobiographies are written by Top Ranking people with Top view of the organization they command. This book is however different that it is written by a person holding lower position and viewed from the bottom echelon of the organization. All the characters in the book are absolutely real, with their correct names and locations. However, in a couple of places, the names are changed to avoid controversy. The change of name is clearly indicated wherever it occurs. There is no malice, and no intention to hurt anyone's feelings. Still, if anyone feels hurt, please accept my apologies in advance.

Enterprise Culture in Neoliberal India Nandini Gooptu, 2013-10-30 The promotion of an enterprise culture and entrepreneurship in India in recent decades has had far-reaching implications beyond the economy, and transformed social and cultural attitudes and conduct. This book brings together pioneering research on the nature of India's enterprise culture, covering a range of different themes: workplace, education, religion, trade, films, media, youth identity, gender relations,

class formation and urban politics. Based on extensive empirical and ethnographic research by the contributors, the book shows the myriad manifestations of enterprise culture and the making of the aspiring, enterprising-self in public culture, social practice, and personal lives, ranging from attempts to construct hegemonic ideas in public discourse, to appropriation by individuals and groups with unintended consequences, to forms of contested and contradictory expression. It discusses what is 'new' about enterprise culture and how it relates to pre-existing ideas, and goes on to look at the processes and mechanisms through which enterprise culture is becoming entrenched, as well as how it affects different classes and communities. The book highlights the social and political implications of enterprise culture and how it recasts family and interpersonal relationships as well as personal and collective identity. Illuminating one of the most important aspects of India's current economic and social transformation, this book is of interest to students and scholars of Asian Business, Sociology, Anthropology, Development Studies and Media and Cultural Studies.

The Routledge Handbook of Indian Indie Cinema Jayjit Sarkar, Anik Sarkar, 2025-04-22 This handbook offers a critical introduction to Indian Indie cinema, exploring its subversion of dominant ideas, aesthetics and narratives; its inclusion of marginal and alternative experiences and ideologies; its relationship with audiences; and its defiance of norms followed by commercial Bollywood cinema. It takes a critical look at independent and alternative films in India that cover a wide range of genres, regions, textual forms and languages. These films may be regional, experimental in style or feature innovative and timely sociopolitical interventions. The handbook contextualises this cinema historically and addresses the key issues concerning its significance. A definitive guide to independent Indian films, this volume provides a critical understanding of the many experimentations undertaken by alternative voices and filmmakers in India; offers new conceptual engagements that widen perspectives on "minor" and regional cinema; and covers a wide range of films while touching upon current and new filmmaking trends, emerging cinematic styles, film production and key filmmakers. These analyses of the Indie film industry and films in India are an essential read for students and researchers of media and film studies, film studies, cultural studies, world cinema and contemporary cinema, besides being of interest to film buffs.

Bollywood's New Woman Megha Anwer, Anupama Arora, 2021-06-18 Bollywood's New Woman examines the cinematic representations of the New Indian Woman in post-1990s Bollywood. The essays in this book explore the various dimensions and many avatars of this elusive and eternally transmuting figure that dominates post-liberalization popular Hindi cinema.

The Palgrave Handbook of Children's Film and Television Casie Hermansson, Janet Zepernick, 2019-05-28 This volume explores film and television for children and youth. While children's film and television vary in form and content from country to country, their youth audience, ranging from infants to "screenagers", is the defining feature of the genre and is written into the DNA of the medium itself. This collection offers a contemporary analysis of film and television designed for this important audience, with particular attention to new directions evident in the late twentieth and early twenty-first centuries.

With examples drawn from Iran, China, Korea, India, Israel, Eastern Europe, the Philippines, and France, as well as from the United States and the United Kingdom, contributors address a variety of issues ranging from content to production, distribution, marketing, and the use of film, both as object and medium, in education. Through a diverse consideration of media for young infants up to young adults, this volume reveals the newest trends in children's film and television and its role as both a source of entertainment and pedagogy.

The Caravan Delhi Press, 2017-11-11 Salman Khan has appeared in some of the biggest blockbusters in Hindi film history. But his career has been blighted by allegations of involvement in crimes of poaching, domestic violence and culpable homicide. In the last decade, the star has tried to reform his image. If he has succeeded to some extent, Anna MM Vetticad reports, it has been not just through his own efforts, but also the willingness of his fans and many around him to accept or justify even his most disturbing behaviour. Also in this issue: How Malayalam cinema's only female superstar got back to work; The cinematic myth-making of Louis Mountbatten; Why Indian films' box-office figures do not add up; Nepali politics sees a major reconfiguration in time for a watershed election; Unsafe abortions through the ages; Old Delhi's subversive love-letter manuals
