

Golden Age Of Porn

Lynn Comella, Shira Tarrant Ph.D.

Hindsight Howie Gordon, 2013 HINDSIGHT is one man's remarkably revealing story about sex and relationships, on the silver screen and in his private life. Howie Gordon (screen name Richard Pacheco) was an award-winning actor during The Golden Age of Porn, whose memoir does not duck the question, What about love? With charm, passion, wit, and what may best be described as a crude elegance, Gordon's story takes us back to the fabled Baby Boomer era, when erotic films took a dramatic step closer to mainstream entertainment in America. His memoir recounts scenes with Marilyn Chambers, Georgina Spelvin, Seka, Annette Haven, Kay Parker and many others. This was the heyday of John Holmes, John Leslie, Jamie Gillis and Anthony Spinelli, and they are all characters in what may prove to be the finest inside story to ever come out of the fascinating world of Adult Film during its Golden Age. Ultimately, HINDSIGHT is a surprising love story: here in a triumph over incredible odds, is an unlikely victory for true love, common sense, and the American way. Full of pictures and high spirits - this memoir is a great read, whether you know the world of porn, or are just a curious reader. It was the time of storytelling with an X Rating, and there's no one better to tell this story than my friend Howie Gordon. - Whoopi Goldberg
Howie Gordon writes about life as a porn star with more honesty, integrity and humor than any other porn star, ever! You will laugh, cry, and fall in love. I hope his book gets made into a movie, because it will be a one-of-a-kind blockbuster. - Annie Sprinkle, Ph.D. Post Porn Modernist Mark Twain meets Don Juan-a delectable fusion of brains and balls! - Dr. Marianna Beck, Ph.D. The Material Culture of Sex

Pornography Rebecca Sullivan,Alan McKee,2015-10-19 Written for a broad audience and grounded in cutting-edge, contemporary scholarship, this volume addresses some of the key questions asked about pornography today. What is it? For whom is it produced? What sorts of sexualities does it help produce? Why should we study it, and what should be the most urgent issues when we do? What does it mean when we talk about pornography as violence? What could it mean if we discussed pornography through frameworks of consent, self-determination and performance? This book places the arguments from conservative and radical anti-porn activists against the challenges coming from a new generation of feminist and queer porn performers and educators. Combining sensitive and detailed discussion of case studies with careful attention to the voices of those working in pornography, it provides scholars, activists and those hoping to find new ways of understanding sexuality with the first overview of the histories and futures of pornography.

A History of X Luke Ford,2010-06-03 . . . he breaks legitimate stories that have a huge impact. Meet Luke Ford, chronicler of the porn world. - Online Journalism ReviewThis first comprehensive and most in-depth history of cinematic pornography details sex in film from 100 years ago to today, concentrating on the quarter-century since Deep Throat, when pornography became a subject of popular culture.Luke Ford is the best-known source on the porn film world today-the only journalist writing about the industry who is not also employed by it. This unique position gives Ford the objectivity to report without bias, and he is often consulted as a trusted news source on the porn industry by many major news publications.Insightful, entertaining, and bold, A History of X takes us from the primitive film studios of the 1900s, where porn got its start as a daring experiment in sexual freedom, to the closed-door, multi-million-dollar porn-film corporations of today. Ford includes exclusive interviews with the stars, the producers, and the distributors as well as detailed data on censorship attempts from the early days to the present. He documents the controversial careers of top porn stars Marilyn Chambers, John Holmes, Linda Lovelace, Harry Reems, Gerard Damiano, Georgina Spelvin, Traci Lords, Max Hardcore,

Ginger Lynn, and others, revealing both the great benefits and the tragic consequences that often come from fame and fortune in the porn industry. He also discusses the many controversial aspects to the business, including Mafia influences, the impact of the AIDS epidemic on the industry, and the myths and realities behind child pornography. Extensively researched and documented, *A History of X* is a fascinating exposé of a business few dare to touch. Luke Ford was educated in Australia and has worked as a radio host as well as a journalist. He now operates a website on the porn industry: www.lukeford.com.

The Feminist Porn Book Tristan Taormino, Constance Penley, Celine Shimizu, Mireille Miller-Young, 2013-02-19 The Feminist Porn Book celebrates the power of desire, turning the spotlight on an industry where feminism is thriving.

Stigma and the Shaping of the Pornography Industry Georgina Voss, 2015-05-15 The idea of 'pornography' is often employed to invoke titillation, anger, and disgust. *Stigma and the Shaping of the Pornography Industry* explores the effects that this stigmatized identity has on the pornography industry itself. From the video era to the emergence of the internet, to trade shows, white-collar workers, technological innovation, and industry-wide characteristics, this book looks beyond content production to explore how stigma has shaped the structures, practices, norms, and boundaries of the wider sector. By drawing on concepts such as dirty work, core-stigmatized industries, and outlaw innovation, this book offers rich insights into the ways in which stigma is socially constructed and managed, and the deep structural effects that it has on the industry.

Screening Adult Cinema Farrah Freibert, Peter Alilunas, Desirae Embree, 2025-08-29 This collection of 39 original essays is designed to support film screenings. Each chapter focuses on a single adult film—a category broadly construed as films that foreground sex as a primary narrative, aesthetic, or marketing element. The chapters draw on a variety of perspectives, contexts, histories, themes, and politics in examinations of style, genre, authorship, performance, and stardom. The first of its kind, *Screening Adult Cinema* brings together a broad range of established scholars alongside new voices to demonstrate the global breadth and diversity of adult cinema, from a variety of time periods and transnational contexts, paying particular attention to regions and films that have been underrepresented within existing adult film scholarship. Following the *Screening Cinema* series, *Screening Adult Cinema* is intended as a teaching text and reference for courses in which film screenings are a core activity, while also appealing to adult film scholars. This unique collection will be invaluable for courses on adult or exploitation film history, feminist film studies, global queer cinema, and porn studies. It will also be useful for general courses in media studies with a focus on gender, sex, and sexuality.

Disposable Passions David Church, 2016-09-22 Through changes in archival and industrial practices, the very pastness of vintage pornographic cinema becomes a source of both eroticism and cultural conflict.

Bad Murray Pomerance, 2012-02-01 Violence and corruption sell big, especially since the birth of action cinema, but even from cinema's earliest days, the public has been delighted to be stunned by screen representations of negativity in all its forms—evil, monstrosity, corruption, ugliness, villainy, and darkness. *Bad* examines the long line of thieves, rapists, varmints,

codgers, dodgers, manipulators, exploiters, conmen, killers, vamps, liars, demons, cold-blooded megalomaniacs, and warmhearted flakes that populate cinematic narrative. From *Nosferatu* to *The Talented Mr. Ripley*, the contributors consider a wide range of genres and use a variety of critical approaches to examine evil, villainy, and immorality in twentieth-century film.

Violence and the Pornographic Imaginary Natalie J. Purcell, 2012 No cultural product reveals our collective fascination with sexual violence more candidly than pornography. Popular heterosexual pornographies showcase scenes of intense sexual aggression and cruelty that are gendered in repetitive, patterned configurations—configurations that are designed to arouse. Purcell uses comparative critical readings of popular U.S. pornographies to illuminate the changing psychosocial foundations of sexually aggressive fantasies. By examining how depictions of violence in pornography have changed over the past forty years, she investigates the evolving desires and anxieties of the genre's growing U.S. audience. Adopting a thick descriptive approach, she moves beyond the mere observation and recording of instances of sexism and violence, elucidating the changing aesthetics, themes, and conventions of depicted sexual aggression and showing how they have emerged in specific socio-historical contexts. Finally, she draws from a range of industry publications and fan forums to examine the fabric and function of misogyny and violence in people's fantasies and everyday lives.

The Color of Kink Ariane Cruz, 2016-10-04 Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality. *The Color of Kink* explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, *The Color of Kink* makes a unique contribution to the growing scholarship on racialized sexuality.

A Taste for Brown Sugar Mireille Miller-Young, 2014-12-08 *A Taste for Brown Sugar* boldly takes on representations of black women's sexuality in the porn industry. It is based on Mireille Miller-Young's extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s. The women share their thoughts about desire and eroticism, black women's sexuality and representation, and ambition and the need to make ends meet. Miller-Young documents their interventions into the complicated history of black women's sexuality, looking at individual choices, however small—a costume, a gesture, an improvised line—as small acts of resistance, of what she calls illicit eroticism. Building on the work of other black feminist theorists, and contributing to the field of sex work studies, she seeks to expand discussion of black women's sexuality to include their eroticism and desires, as well as their participation and representation in the adult entertainment industry. Miller-Young wants the voices of black women sex workers heard, and the decisions they make, albeit often within material and industrial constraints, recognized as their own.

Sex Work in Popular Culture Lauren Kirshner, 2024-07-05 *Sex Work in Popular Culture* delves into provocative movies, TV shows, and documentaries about sex work produced in the last fifteen years – a period of debate and change around the meaning of sex work in North American society. From Oscar-winning films to viral YouTube videos, and from indie documentaries to hit series – many of which are made by women – the book reveals how sex work is being recognized as real work and an issue of human rights. Lauren Kirshner shares how popular culture has responded by producing the dynamic new figure of a sex worker who challenges tropes and promotes understanding of the key issues shaping sex work. The book

draws on labour and feminist theory, film history, current news, and popular culture, all within the context of neoliberal capitalism and the rise of transactional intimate labour. Kirshner takes us from erotic dance clubs to porn sets, illuminating the professional lives of erotic dancers, massage parlour workers, webcam models, call girls, sex surrogates, and porn performers. Probing how progressive popular culture challenges stereotypes, *Sex Work in Popular Culture* tells the story of sex work as labour and how the screen can show us the world's oldest profession in a new light.

Pornography Peter Lehman, 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually, culturally, and economically. Pure Jared Stearns, 2024-04-22 The untold story of the world's most famous X-rated star, who rose to fame as the face of Ivory Snow and the star of *Behind the Green Door* but struggled to find her true self in a world of sex, scandal, and shattered dreams. Marilyn Chambers was the embodiment of the free-spirited Seventies, the world's most famous X-rated star, and an unappreciated talent whose work in adult films hindered her dreams of becoming a serious actress. Raised in an affluent Connecticut suburb, Marilyn catapulted to fame when it was learned that not only had she starred in the groundbreaking X-rated film, *Behind the Green Door* but was also the model on the box of Ivory Snow laundry detergent (product tagline: "99 44/100% Pure.") Marilyn was the first woman known primarily for her work in adult films to cross over to mainstream entertainment. She sustained a versatile three-decade career in entertainment, including roles in dramatic plays, a Broadway musical revue, her own television show, and the lead role in David Cronenberg's film *Rabid*. But her success in adult films also proved to be her undoing. Marred by a violent relationship with her abusive husband-manager, Chuck Traynor, she developed the persona of a twenty-four-hour-a-day sex star. In the process, she lost her sense of self and spent much of her

life searching for her true identity. With recollections from family and friends, many of whom have never spoken publicly, along with Marilyn's own words, and never-before-published photos, Jared Stearns vividly captures the revolutionary career of one of the twentieth century's most misunderstood icons.
