I'd rather be alone and free than locked up together SVEN LENDERINK,2024-07-09 This book takes you on my personal journey through one of the world's most rigid religions: Jehovah's Witnesses. From my early childhood, I share my experiences within this tightly controlled world, where later in life, I began to question and confront my inner struggles. You will gain a unique insight into the faith that promised us that God would soon intervene and that we, his devoted followers, would be rewarded with a paradisiacal existence. But this utopia demands sacrifices - strict obedience to rules and shielding oneself from many worldly temptations. For a child in this isolated community, life is already a challenge, but growing up and finding one's way to adulthood brings new obstacles. Do I doubt everything I've been taught? Do I want to continue down this path? Is escape even an option? If so, what price must I pay? What follows is an emotional journey that begins at a young age. Voicing my doubts would mean being ostracized from my community. Family and friends could turn their backs on me. Literally everything is at stake. Ultimately, I face a pivotal choice: Do I remain trapped in this world, or do I choose freedom? Whichever path I take, it will forever change my life.
