*Defying Death in Hagerstown* John Paul Carinci, 2014-10-15 “John Paul Carinci delivers yet another top-notch thriller! . . . It has everything—shocking crime, compelling characters and a clever, clever plot” (Brien Jones, author of *The New Manuscript* and *Mammoth Hunt*). Louis Gerhani is a hard-drinking, heartbroken, newspaper reporter for the *Washington Gazette*. He is disinterested in life after his fiancé left him for a doctor and is struggling to keep his job. His new assignment is to write a full story on Lolita Croome, a philosophical 110-year-old—and the oldest living person in the country. Lou reluctantly begins the assignment, traveling to Lolita’s residence, a nursing home in Hagerstown, Maryland. There, he hears an unsettling story about how Lolita survived a killing spree that claimed the lives of three other young women in 1923. With access to Lolita’s diary from the year of the murders, Lou begins to uncover a shocking mystery that someone is clearly trying to keep unsolved at all costs. As violence erupts in this quiet town, Lou tries desperately to stay alive, solve the murders, fall in love—and learn from one very wise old woman. “A masterful book. John Paul Carinci writes with beauty and elegance of one man's journey from hopelessness to the miracle of life. An amazing read you'll remember for its mystery and wonder long after its ending!”—Ellen George, author of *Flutterby*

*Life Door* Nancy Lynn Martin, 2009-11 My book *Life Door* is about balancing mind, body and soul. It includes journal pages after each chapter for you to write your feelings and agreements with yourself on how you are going to change yourself and your life and take care of your unfinished business. Read my simple philosophy of life and write yours in the journal and maybe we can all toss ideas around to heal individually and globally. It is intended for ages 13 to 100 plus! Join me in remembering your childhood dreams and passions and bring them to the surface once again. As long as you just peek into the past and not dwell there, you will learn and relearn things that may need to be changed. You are not going backward-but you are going forward if you learn and grow from the ideas that were put into your head as a child. We all need to act on our dreams and passions and relearn and undo what we were taught as impressionable young people. Gain your power by being aware of: Reactions, thoughts, attitudes, choices, feelings, messages, experiences. Learn the answer to : Why am I here? Journal your feelings to issues such as: Attachment, boundaries, creativity, emotional baggage, forgiveness, gratitude, health, love and relationships, what peace really means to you, spirituality, simplicity, solitude, understanding. A crossword puzzle is included at the end and there are many quotations, book references, stories and even lyrics to connect

my simple philosophy of life. Bring your spirituality and new thoughts on life out from within you and feed your mind, body and soul - all of your unfinished business. Healing begins with you.

**You're On!** Duane Jones, 2006-05 You're On reveals to individuals how to improve the quality of their life by improving their performance. Everyone impacts the lives of others every day through their performance. Therefore, life can be seen as a stage that we perform on every day. You're On introduces five performance principles as the fundamentals that produce inspiring performances and a rewarding and fulfilling life. The daily application of Thought Control, Unconditional Love, Purpose, Perspective, and Focus can change your life forever. Thought control is the greatest power source in life. Unconditional love frees you from your mental prison. Purpose motivates you to action. Perspective energizes your thoughts. Focus sharpens your view of the person you desire to become.

Much Ado About Keanu Sezin Devi Koehler, 2025-04-29 Thanks to his prolific movie career (seventy-eight movies and counting) and endearing real-life persona, Keanu Reeves has become the universal screen saver of pop culture—nobody can go a few days without some reference to Keanu or his movies popping up. But Reeves is much more than box office receipts and internet memes, and Much Ado About Keanu provides the in-depth look at his art, identity, and ethnicity that this oft-misunderstood cultural icon deserves. Despite the sometimes-mocking estimations of his acting skills—and his seven Razzie nominations—Keanu Reeves is one of the most thoughtful and talented performers of his generation, and during his forty-year career he has made huge strides for Asian and Indigenous representation in spite of his identity often being whitewashed. Pop culture sociologist and Reeves devotee Sezin Devi Koehler explores all of this, presenting insightful essays that critically examine Reeves's creative output from an interdisciplinary and intersectional perspective. Those who code Reeves as white miss how his multiracial identity informs so many of his mainstream films, often subverting their most straightforward themes. Criticisms of his acting overlook the popularity and the reach of his work. Koehler's essays challenge how audiences engage with Keanu's movies, highlighting the importance of Keanu as a multitalented artist and trailblazer, not only for racial representation but for intersectional, queer, and feminist readings of cinema as well. Much Ado About Keanu connects existing media studies around various themes in Reeves's films—particularly Asian and Indigenous representation, gender studies, philosophy, technology, and sexuality studies—in a Critical Reeves Theory sure to engage not just fans but all of us who live in Keanu's world.

**Dear Solomon, My Finances Are a Mess** Al Smith, 2019-09-24 Taming the Money Beast is often a conquest that is never achieved even by those who put forth the effort. One could get multiple university degrees with honors, but never be instructed on even the basics of handling money. Money is simply a tool. In the hands of someone who has acquired and cultivated the skills to use it, money can bring about incredible benefits to be enjoyed by many. In the hands of a novice or one void of skills, money can bring tremendous trouble and even destroy lives. The pursuit of wisdom and understanding in

expertly using this tool, is a worthy pursuit. This book draws from the wisdom of Solomon, the wealthiest man to ever live and a man God endowed with “a wise and discerning heart” like none other (1 Kings 3:12). The wisdom of Solomon is displayed everywhere you look. Study any Fortune Five Hundred company, and you will discover that their success can be attributed to following this wisdom. Study companies that have failed and you will discover many of Solomon’s proverbs have been violated. The same holds true for individuals. The principles taught in Proverbs are divine laws that are always active just as much as the laws of physics are active. The Book of Proverbs, primarily authored by Solomon, is filled with practical wisdom in virtually all areas of life, including being packed with verses devoted to financial matters. This wisdom is ageless and will benefit all who set their hearts to learn and discern. Contained within the pages of this book, are the essential principle of being a seeker of wisdom and knowledge. You will learn the vital importance of developing character, cultivating integrity, and guarding your reputation. On how your life should be marked by being an excellent worker. This requires skills in planning, setting priorities, recognizing and seizing opportunities, and avoiding the pitfalls of pursuing riches at the expense of all else. The vital characteristic of focus and commitment will help you with motives, curb your impatience, reveal greed, and unpack the dangers of a lottery mentality. The peril of accumulating debt, the foolishness of perpetually overspending, and the tendency to be wasteful are examined. Falsehoods are exposed. Solomon is not interested in making sure he does not offend you he is interested in being brutally honest with you. So, this book includes admonitions on tempering false expectations, understanding false impressions, avoiding false security, and basing your financial life on truth. As with any endeavor, one must recognize and eradicate the weeds that will overtake progress include compromise, envy, phoniness, injustice, and arrogance. Solomon is clear on the folly of allowing these weeds to take root. Having proper attitudes are also important principles discussed in this book. We must learn the value of generosity, the wisdom of teamwork, and the damaging role that unchecked selfishness can play. Of course, handling money wisely is the essence of this book. Preparation is the key and you cannot skip or rush over this key. Preparation always precedes the proper use of money. Paying attention to details will serve you well. Knowing and understanding where you stand each step of the way is essential. These principles work regardless of your spiritual beliefs, but there is a spiritual component at work in these truths. Without fail, if this wisdom is diligently followed and incessantly applied, you will at times be amazed at the results; results that cannot easily be explained. This book will take you on a journey if you are game; it is a long journey but an exciting one. It will give you a spring in your step and have you eager to arise in the morning. It will give you a sense of true accomplishment before as you rest your head on the pillow at night. I promise that you won’t be sorry if you make the commitment and resolve to finally understand the rules of the financial road. The path is open before you – all are welcome!

**Claiming Her Cougar** Jenny Fenshaw, 2025-08-29 When fate (and a mouse) reunite a charming cougar shifter with his sexy Las Vegas hook up can they make what was a one time thing into something much more permanent? Mallory: No names, no details, no future. It was just a hook up one night in a Vegas nightclub. Who could blame me? The guy at the bar was just what I needed to scratch the itch a long romantic dry spell left me with. It did the trick and what happened in Vegas stayed in Vegas... Until a mouse went nowhere a rodent should go and reunited us six months later. Any thoughts of picking up where we left off vanished when I discover he's a VP in the company I work for. I've worked too hard on my career to tarnish my reputation and risk my family's respect with a fling that will have people thinking I'm sleeping my way through executive team. The past is going to have to remain just that because there can be no future. Liam: Once I felt the curvy auburn-haired beauty against me and knew how sweet her kisses were I knew I wanted more. But she rushed away like a sexy Cinderella leaving me alone in the dark corner of a noisy nightclub with only her blue lace panties to remember her by. I couldn't believe my luck to have finally found her here in my hometown. However, my luck runs out when she refuses to date me because of my position in our company. Little does she know I have plans that will remove that barrier and change both of our futures. Can I convince her to trust fate—and me—and give us a chance? *Claiming Her Cougar* is a sexy, open-door,

workplace romcom with a charming cougar shifter and the determined woman with mama drama trying not to love him.

He's Lookin' at You, Kid! Brenda Ingraham,2008-12 He's Lookin' At You, Kid! shares how a loving heavenly Father will not take His eyes off us because of His great love. He knew exactly who we would be before we were born. He watched as we entered this life knowing the pain that we would inevitably face because we live in a fallen world, and He continues to 'look' out for our well being as He guides and directs our lives. Brenda Ingraham has experienced God's loving, watchful eye on her life. He was there during her nightclub singing days when she contemplated suicide and when she was told she would never sing again after having throat surgery. He was there when she was devastated by divorce. He was there as she faced breast cancer twice and suffered through seven breast cancer related surgeries in six years. He was there for the passing of her parents and a brother within a two-year span as He welcomed them 'home.' He was there to deliver her brother, John, from the homosexual lifestyle. He was there and He will continue to be there for each and every thing we face because of the unfathomable love He has for His children! He's Lookin' At You, Kid! For the eyes of the Lord range throughout the earth to strengthen those whose hearts are fully committed to him. - 2 Chronicles 16:9

**SOLID FOOD FOR JOURNEY EGYPT TO CANAAN: HOW TO REJOIN THE NARROW PATH TO ETERNAL LIFE & MAKE IT TO THE END** Elizabeth Gata-Viki,2023-12-01 There is so much confusion and deception in the Church today. Just switch on the telly and you will see that Satan has largely succeeded in making a complete circus of the Church. There are so many false gospels, false doctrines, false teachers and false Christians. Even the true Bride has lost its way. Many are truly born again and trying hard to hold on, but they cannot understand why the Holy Spirit has been largely aloof in their lives, even for years. God knows those who are His, the true Bride, the good fish in the dragnet, the wheat, and this book is for them. This book is written for the beleaguered Bride to provide clear direction for her to find her way out of deception and

back onto the narrow path that leads to Life. It is, in essence, an extended analogy which follows the trajectory of the journey of the Israelites from Egypt to Canaan, to unpack what experiences a Christian should expect as they progress on their own journey to eternal life. This is that journey which can only be made on the narrow path to life which Jesus spoke of, and of which He solemnly warned that few Christians would find. The book projects the Christian life as the protracted journey that it is, not a single life-changing incident somewhere in one's past. Focusing on areas of deep confusion and deception in the Church, it takes a candid and profound, but practical look at those doctrines which are so fundamental to the Christian life, and which form practical landmark pillars along that journey - salvation, justification, the new birth, sanctification, perfection and glorification. It is the passionate will of Jesus Christ, through this book, to bring to His besieged true Bride, truth and clarity of understanding of these areas, so that she may regain the narrow road and begin to steadily move forward towards the goal of the crown of salvation, that coveted prize of the Christian journey, which the Apostle Paul diligently laboured for, spoke so passionately of and finally attained himself, as we all should and can. This first part of the book takes a very close look at exactly how God works in His children profoundly to transform them and get them into heaven. Laying out very clearly what God's expectations of us are, it also looks at our part in this work that He does, both in us and through us, with a focus on how to practically overcome our flesh, our first enemy. Mark 6:34 And Jesus, when He came out, saw a great multitude and was moved with compassion for them, because they were like sheep not having a shepherd. So He began to teach them many things.
