

# Gethsemane Brown Mystery Books

## Alexia Gordon

**Murder in G Major** Alexia Gordon, 2016 With few other options, African-American classical musician Gethsemane Brown accepts a less-than-ideal position turning a group of rowdy schoolboys into an award-winning orchestra. Stranded without luggage or money in the Irish countryside, she figures any job is better than none. The perk? Housesitting a lovely cliffside cottage. The catch? The ghost of the cottage's murdered owner haunts the place. Falsely accused of killing his wife (and himself), he begs Gethsemane to clear his name so he can rest in peace. Gethsemane's reluctant investigation provokes a dormant killer and she soon finds herself in grave danger. As Gethsemane races to prevent a deadly encore, will she uncover the truth or star in her own farewell performance?--Jacket.

**Fatality in F** Alexia Gordon, 2019-02-26 Gethsemane is looking forward to a relaxing summer, until bodies start dropping like rose petals at the annual rose and garden show and her best friend is the prime suspect--Publisher's description.

**Death in D Minor** Alexia Gordon, 2017 When Gethsemane's brother-in-law is accused of stealing a valuable antique, she goes undercover as a musician at a charity ball.

Killing in C Sharp Alexia Gordon, 2018 She saved Carraigfaire--but can she save her friends? Gethsemane Brown fought off an attack by a sleazy hotel developer who wanted to turn her Irish cottage into a tourist trap. Now she must face a vengeful ghost determined to exact revenge for her murder centuries ago. This ghost's wrath spares no one--not Gethsemane's students, Inspector Niall O'Reilly, fellow teacher Frankie Grennan, or a group of ghost hunters descended on Dunmullach to capture proof ghosts exist. Proof Gethsemane has to quash to keep Eamon, her resident ghost and friend, from becoming an internet sensation. As if a spiteful specter wasn't bad enough, a crooked music reviewer turns up dead in the opera house orchestra pit, a famous composer is arrested for the crime, and Gethsemane must team up with a notorious true-crime author to clear his name. If she doesn't, friends will die, a ghost she cares about will never know peace, and she'll star in a final act gruesome enough for any opera. ----- KILLING IN C SHARP by Alexia Gordon A Henery Press Mystery. If you like one, you'll probably like them all.

*Execution in E* Alexia Gordon, 2020-03-24 Romance is in the air. Or on the 'Gram, anyway. When an influencer-turned-bridezilla shows up at the lighthouse to capture Insta-perfect wedding photos designed to entice sponsors to fund her lavish wedding, Gethsemane has her hands full trying to keep Eamon from blasting the entire wedding party over the edge of the

cliff. Wedding bells become funeral bells when members of the bride's entourage start turning up dead. Frankie's girlfriend, Verna, is pegged as maid-of-honor on the suspect list when the Garda discover the not-so-dearly departed groom was her ex and Gethsemane catches her standing over a body. Gethsemane uncovers devilish dealings as she fights to clear Verna, for Frankie's sake. Will she find the killer in time to save Frankie from another heartbreak? Or will the photos in her social media feed be post-mortem? - - - - - EXECUTION IN E by Alexia Gordon - A Henery Press Mystery. If you like one, you'll probably like them all.

Bookmarked for Murder V.M. Burns, 2019-11-26 Amateur sleuth Samantha Washington's shopping trip to Chicago takes a deadly detour when a man is murdered on her bus . . . After some post-Christmas retail therapy in the Windy City, mystery bookshop owner and historical whodunit novelist Sam Washington is returning home to North Harbor, Michigan, on a chartered bus. With Nana Jo and her gal pals Irma, Dorothy, and Ruby Mae from Shady Acres Retirement Village along for the ride, it's a lively trip. But one passenger is not so lively—a gentleman Irma befriended is found dead in his seat after an unscheduled stop. The ladies immediately shift gears to find out who punched his ticket, while Sam slips into the driver's seat to make sure Nana Jo and her crew steer clear of fatal conclusions . . . Praise for V.M. Burns and *The Plot is Murder* "A promising debut with a satisfying conclusion." —Publishers Weekly "Cozy mystery readers and historical novel aficionados will adore this warm-hearted, cleverly plotted new series." —Kings River Life

*Van Gogh's Ghost Paintings* Cliff Edwards, 2015-06-03 One of the most significant and revealing paintings by the world famous artist Vincent van Gogh was never seen by anyone but the artist himself. The painting was so important to the artist that he painted it twice. He was so conflicted about the painting that he destroyed it twice. Cliff Edwards argues these two unique paintings Vincent created and destroyed are at least as important to understanding the artist and his work as are the two thousand or more paintings and drawings that do exist. In *Van Gogh's Ghost Paintings*, Edwards invites his readers on a journey that begins in a Zen master's room in Japan and ends at a favorite site of the artist, a ruined monastery and its garden in the south of France. Recovering the intent of van Gogh and the nature of his ghost paintings becomes a zen koan waiting to be solved. The solution offers access to the deepest levels of the artist's life as painter and spiritual pilgrim. The journey leads to the artist's choice of the biblical theme of the Garden of Gethsemane. The answer to the mystery of the lost paintings illuminates the relationship of joy and suffering, discovery and creation, religion and the arts in van Gogh's life and work. In this fascinating book Edwards solves a long-ignored mystery that provides a critical key to the relation of van Gogh's religion and art.

**The Historical Jesus of the Gospels** Craig S. Keener, 2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves; when interpreted in their early Jewish setting, their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars. So argues Craig Keener in

The Historical Jesus of the Gospels. In exploring the depth and riches of the material found in the Synoptic Gospels, Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others, but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting. Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history.

**Whitaker's Cumulative Book List**, 1927

*The Theological Role of Paradox in the Gospel of Mark* Laura C. Sweat, 2013-08-15 Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes, christology and discipleship. This book argues that paradoxical language pervades the entire narrative, and that it serves a theological purpose in describing God's activity. Part One focuses on divine action present in Mark 4:10-12. In the first paradox, Mark portrays God's revelatory acts as consistently accompanied by concealment. The second paradox is shown in the various ways in which divine action confirms, yet counters, scripture. Finally, Mark describes God's actions in ways that indicate both wastefulness and goodness; deeds that are further illuminated by the ongoing, yet defeated, presence of evil. Part Two demonstrates that this paradoxical language is widely attested across Mark's passion narrative, as he continues to depict God's activity with the use of the three paradoxes observed in Mark 4. Through paradoxical narrative, Mark emphasizes God's transcendence and presence, showing that even though Jesus has brought revelation, a complete understanding of God remains tantalizingly out of their grasp until the eschaton (4:22).

**Watching Jesus Die** Woodrow Michael Kroll, 2023-12-28 What if you could transport yourself back to the first century, walking the dusty streets of Jerusalem, late on Thursday night before Passover? And what if you were tagging along behind eleven men led by Jesus to the Garden of Gethsemane? You'd leave the Upper Room and go deep into the Kidron Valley to the garden. There the temple police and a half-crazed crowd arrive brandishing torches. Jesus is taken to the palace of Annas and then to the High Priest Caiaphas. What insight do we gain from history, archaeology, and most importantly the New Testament about where they lived? In the morning Jesus would be sent to the Chamber of Hewn Stone. What was this place and why is it important to the Passion narratives? On to Pilate's Judgment Hall where new archaeological evidence questions its traditional location. You pick up the trail again on the Via Dolorosa and follow Jesus to Jerusalem's killing field. There you find the Savior dying on a Roman cross. In just a few hours you have followed him from the Upper Room to Joseph's tomb and have gained valuable insight into each stopover to help you on your own journey to Calvary.

**A Book of Evidence** Nancy L. Kuehl, 2013-03-08 Jesus was a Jew, living in a Jewish culture and under Jewish laws, laws that governed the people of Israel at a time of conflict with their Roman overlords. A Book of Evidence takes into consideration the history of first-century Jerusalem and is a unique presentation of the passion event, written from a Jewish

legal standpoint. Find out why and how Jesus came to trial, how the politics of the age and a corrupt government played a role in bringing him to death. An examination of the numerous crimes of which Jesus was accused results in a reasonable explanation of the real blasphemy that caused him to be executed, and an investigation into crucifixion as it was known during first-century Jewish law. Was the Jewish trial legal? Was it a trial at all? Was there a Roman trial or a simple hearing? Where was the real execution site and burial tomb? All these questions are answered in this gripping book. Follow, step by step, along the path of Jesus during the Passover, from the Garden of Gethsemane, through the trials, to the brutality of the execution, and on to the garden tomb at Bethphage from which he was resurrected!
