Have a Beautiful Day Bryan Arndt, PhD,2014-11-26 I love early mornings, including that period of darkness before sunrise. It is during this special time of day that I can be alone with my thoughts, write uninterrupted, and feel as if I am at my most productive. Over the years I have also found the best way to begin each day is to thank the universe for the gift of a new day. These expressions of gratitude have a way of returning more of what it is I love about my life back to me. I have also found that a good quote, an affirmation or two, thoughts from our ancient wisdom writers, or words of inspiration from a variety of people especially creative people are the best way to kick off my day. I make every moment special and meaningful. I make every moment productive and rewarding. I make every moment positive and life-affirming. Enjoying a lifetime's worth of beautiful days this is what I Imagine, believe, and create for my whole self each and every day. You can do the same; you too can Imagine Believe Create a lifetime's worth of beautiful days. How? Open the book to today's date it can all begin right now. Have a beautiful day.

This Nearly Was Mine Nancy Farkas, 2013-04-03 In the summer of 1980, Annie, fresh out of graduate school, escapes a doomed engagement by fleeing to the Costa del Sol in Spain. The young traveler is seduced by the striking landscape and the shimmering sea, but not as profoundly as she was by Francisco, a local musician with a complicated past and a troubled soul. Her adventures propel her into adulthood and a life teased with what might have been. Twenty-six years later, Annie's teenage daughter Marielle, curious about her mother's stories, searches for Francisco while on a backpacking trip through Spain. When Marielle's search is successful, Annie's thoughts return to her romantic past amidst the magnificent backdrop of the steamy Mediterranean coast. Francisco's unexpected reappearance ignites powerful feelings she didn't know were still simmering. Annie obsessively questions every decision she made that summer and wonders about a life that could have been hers had she stayed. She is torn between her love and devotion to her husband and the intercontinental pull to the life she has fantasized about for decades. Will she sacrifice the life she's built with her husband for one that nearly was hers so many years ago?
