

The Summer People Shirley Jackson

Jeff VanderMeer,Ann VanderMeer

The Summer People Shirley Jackson,1970

Shirley Jackson's The Summer People Brainerd Duffield,Shirley Jackson,1970

Shirley Jackson's Dark Tales Joan Passey,Robert Lloyd,2024-02-22 The first dedicated exploration of the short fiction of Shirley Jackson for three decades, this volume takes an in-depth look at the themes and legacies of her 200-plus short stories. Recognized as the mother of contemporary horror, scholars from across the globe, and from a range of different disciplinary backgrounds, dig into the lasting impact of her work in light of its increasing relevance to contemporary critical preoccupations and the re-release of Jackson's work in 2016. Offering new methodologies to study her work, this volume calls upon ideas of intertextuality, ecocriticism and psychoanalysis to examine a broad range of themes from national identity, race, gender and class to domesticity, the occult, selfhood and mental illness. With consideration of her blockbuster works alongside later works that received much less critical attention, Shirley Jackson's Dark Tales promises a rich and dynamic expansion on previous scholarship of Jackson's oeuvre, both bringing her writing into the contemporary conversation, and ensuring her place in the canon of Horror fiction.

The Weird Jeff VanderMeer,Ann VanderMeer,2012-01-24 From Lovecraft to Borges to Gaiman, a century of intrepid literary experimentation has created a corpus of dark and strange stories that transcend all known genre boundaries. Together these stories form The Weird, and its practitioners include some of the greatest names in twentieth and twenty-first century literature. Exotic and esoteric, The Weird plunges you into dark domains and brings you face to face with surreal monstrosities. You won't find any elves or wizards here...but you will find the biggest, boldest, and downright most peculiar stories from the last hundred years bound together in the biggest Weird collection ever assembled. The Weird features 110 stories by an all-star cast, from literary legends to international bestsellers to Booker Prize winners: including William Gibson, George R. R. Martin, Stephen King, Angela Carter, Kelly Link, Franz Kafka, China Miéville, Clive Barker, Haruki Murakami, M. R. James, Neil Gaiman, Mervyn Peake, and Michael Chabon. The Weird is the winner of the 2012 World Fantasy Award for Best Anthology At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Shirley Jackson Harold Bloom,2009 Presents a brief biography of Shirley Jackson, thematic and structural analysis of her

works, critical views, and an index of themes and ideas.

What Literature Teaches in Times of Crisis David Pickus, 2023-11-30 The Covid pandemic affected our minds as well as bodies, providing occasion to examine old literature in a new light. This book considers authors like Joyce, Kafka, and Chekhov, showing that present crises can deepen our appreciation of past achievements. It examines a wide range of diverse, often overlooked, fiction, arguing that the psychological and social insights of classic short stories and novels have only increased in relevance in the face of collective trauma. Comparative literature is thus linked to the study of illness and society. The book addresses the concerns of general readers whilst broadening our cultural vocabulary for analyzing contemporary challenges and dangers.

Shirley Jackson Bernice M. Murphy, 2005-10-19 Shirley Jackson was one of America's most prominent female writers of the 1950s. Between 1948 and 1965 she published six novels, one best-selling story collection, two popular volumes of her family chronicles and many stories, which ranged from fairly conventional tales for the women's magazine market to the ambiguous, allusive, delicately sinister and more obviously literary stories that were closest to Jackson's heart and destined to end up in the more highbrow end of the market. Most critical discussions of Jackson tend to focus on *The Lottery* and *The Haunting of Hill House*. An author of such accomplishment--and one so fully engaged with the pressures and preoccupations of postwar America--merits fuller discussion. To that end, this collection of essays widens the scope of Jackson scholarship with new writing on such works as *The Road through the Wall* and *We Have Always Lived in the Castle*, and topics ranging from Jackson's domestic fiction to ethics, cosmology, and eschatology. The book also makes newly available some of the most significant Jackson scholarship published in the last two decades.

Horror Literature through History Matt Cardin, 2017-09-21 This two-volume set offers comprehensive coverage of horror literature that spans its deep history, dominant themes, significant works, and major authors, such as Stephen King, Edgar Allan Poe, and Anne Rice, as well as lesser-known horror writers. Many of today's horror story fans—who appreciate horror through movies, television, video games, graphic novels, and other forms—probably don't realize that horror literature is not only one of the most popular types of literature but one of the oldest. People have always been mesmerized by stories that speak to their deepest fears. *Horror Literature through History* shows 21st-century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right. Through profiles of major authors, critical analyses of important works, and overview essays focused on horror during particular periods as well as on related issues such as religion, apocalypticism, social criticism, and gender, readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema. This unique two-volume reference set provides wide coverage that is current and compelling to modern readers—who are of course also eager consumers of entertainment. In the first section, overview essays on horror during different historical periods situate

works of horror literature within the social, cultural, historical, and intellectual currents of their respective eras, creating a seamless narrative of the genre's evolution from ancient times to the present. The second section demonstrates how otherwise unrelated works of horror have influenced each other, how horror subgenres have evolved, and how a broad range of topics within horror—such as ghosts, vampires, religion, and gender roles—have been handled across time. The set also provides alphabetically arranged reference entries on authors, works, and specialized topics that enable readers to zero in on information and concepts presented in the other sections.

Dark Tales Shirley Jackson, 2017-10-10 For the first time in one volume, a collection of Shirley Jackson's scariest stories, with a foreword by PEN/Hemingway Award winner Ottessa Moshfegh After the publication of her short story "The Lottery" in the New Yorker in 1948 received an unprecedented amount of attention, Shirley Jackson was quickly established as a master horror storyteller. This collection of classic and newly reprinted stories provides readers with more of her unsettling, dark tales, including the "The Possibility of Evil" and "The Summer People." In these deliciously dark stories, the daily commute turns into a nightmarish game of hide and seek, the loving wife hides homicidal thoughts and the concerned citizen might just be an infamous serial killer. In the haunting world of Shirley Jackson, nothing is as it seems and nowhere is safe, from the city streets to the crumbling country pile, and from the small-town apartment to the dark, dark woods. There's something sinister in suburbia. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Liminal Fictions in Postmodern Culture Thomas Phillips, 2015-09-16 Liminal Fictions in Postmodern Culture examines distinctive literary, musical, and cinematic narratives that seek to inspire critical thought and conduct through provocation. From Gogol's Dead Souls to Salinger's Franny and Zooey, Phillips argues liminal narratives offer an antidote to the modern commodification of the self.

The Dark Descent Clive Barker, 1997-01-15 A comprehensive presentation of the evolution of the horror story, filled with significant and powerful works by the masters of the genre.

Historical Dictionary of Horror Literature Mark A. Fabrizio, 2023-12-06 Stories of vampires, werewolves, zombies, witches, goblins, mummies, and other supernatural creatures have existed for time immemorial, and scary stories are among the earliest types of fiction ever recorded. Historical Dictionary of Horror Literature is an invaluable aid in studying horror literature, including influential authors, texts, terms, subgenres, and literary movements. This book contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 400 cross-referenced entries covering

authors, subgenres, tropes, awards, organizations, and important terms related to horror. Historical Dictionary of Horror Literature is an excellent resource for students, researchers, and anyone wanting to know more about horror literature.

Shirley Jackson and Domesticity Jill E. Anderson, Melanie R. Anderson, 2020-05-28 Shirley Jackson and Domesticity takes on American horror writer Shirley Jackson's domestic narratives – those fictionalized in her novels and short stories as well as the ones captured in her memoirs – to explore the extraordinary and often supernatural ways domestic practices and the ecology of the home influence Jackson's storytelling. Examining various areas of homemaking – child-rearing and reproduction, housekeeping, architecture and spatiality, the housewife mythos – through the theoretical frameworks of gothic, queer, gender, supernatural, humor, and architectural studies, this collection contextualizes Jackson's archive in a Cold War framework and assesses the impact of the work of a writer seeking to question the status quo of her time and culture.

Wonderbook Jeff VanderMeer, 2018-07-03 Now expanded: The definitive visual guide to writing science fiction and fantasy—with exercises, diagrams, essays by superstar authors, and more. From the New York Times–bestselling, Nebula Award–winning author, Wonderbook has become the definitive guide to writing science fiction and fantasy by offering an accessible, example-rich approach that emphasizes the importance of playfulness as well as pragmatism. It also embraces the visual nature of genre culture and employs bold, full-color drawings, maps, renderings, and visualizations to stimulate creative thinking. On top of all that, it features sidebars and essays—most original to the book—from some of the biggest names working in the field today, among them George R. R. Martin, Lev Grossman, Neil Gaiman, Michael Moorcock, Charles Yu, Kim Stanley Robinson, and Karen Joy Fowler. For the fifth anniversary of the original publication, Jeff VanderMeer has added fifty more pages of diagrams, illustrations, and writing exercises, creating the ultimate volume of inspiring advice. “One book that every speculative fiction writer should read to learn about proper worldbuilding.” —Bustle “A treat . . . gorgeous to page through.” —Space.com

The Evolution of Horror in the Twenty-First Century Simon Bacon, 2023-03-15 The Evolution of Horror in the Twenty-First Century examines the intimate connections between the horror genre and its audience's experience of being in the world at a particular historical and cultural moment. This book not only provides frameworks with which to understand contemporary horror, but it also speaks to the changes wrought by technological development in creation, production, and distribution, as well as the ways in which those who are traditionally underrepresented positively within the genre—women, LGBTQ+, indigenous, and BAME communities—are finally being seen and finding space to speak.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1979

Shirley Jackson's American Gothic Darryl Hattenhauer, 2012-02-01 Best known for her short story The Lottery and her novel The Haunting of Hill House, Shirley Jackson produced a body of work that is more varied and complex than critics have

realized. In fact, as Darryl Hattenhauer argues here, Jackson was one of the few writers to anticipate the transition from modernism to postmodernism, and therefore ranks among the most significant writers of her time. The first comprehensive study of all of Jackson's fiction, Shirley Jackson's American Gothic offers readers the chance not only to rediscover her work, but also to see how and why a major American writer was passed over for inclusion in the canon of American literature.

Damnable Tales Richard Wells, 2021-09-02 This richly illustrated anthology gathers together classic short stories from masters of supernatural fiction including M. R. James, Sheridan Le Fanu and Arthur Machen, alongside lesser-known voices in the field including Eleanor Scott and Margery Lawrence, and popular writers less bound to the horror genre, such as Thomas Hardy and E. F. Benson. These are damnable tales, selected and beautifully illustrated by Richard Wells. They stalk the moors at night, the deep forests, cornered fields and dusky churchyards, the narrow lanes and old ways of these ancient places, drawing upon the haunted landscapes of folk-horror – a now widely used term first applied to a series of British films from the late 1960s and 1970s: *Witchfinder General* (1968), *Blood on Satan's Claw* (1971), and *The Wicker Man* (1973). But as this collection shows, writers of uncanny fiction were dabbling in the dark side of folklore long before. These twenty-two stories take the reader beyond the safety and familiarity of the town into the isolated and untamed wilderness. Unholy rites, witches' curses, sinister village traditions and ancient horrors that lurk within the landscape all combine to remind us that the shiny modern, urban world might not have all the answers...

The Rural Primitive in American Popular Culture Karen E. Hayden, 2020-11-24 *The Rural Primitive in American Popular Culture: All Too Familiar* studies how the mythology of the primitive rural other became linked to evolutionary theories, both biological and social, that emerged in the mid-nineteenth century. This mythology fit well on the imaginary continuums of primitive to civilized, rural to urban, normative, backward to forward-thinking, and regress versus progress. In each chapter of *The Rural Primitive*, Karen E. Hayden uses popular cultural depictions of the rural primitive to illustrate the ways in which this trope was used to set poor, rural whites apart from others. Not only were they set apart, however; they were also set further down on the imaginary continuum of progress and regress, of evolution and devolution. Hayden argues that small, rural, tight-knit communities, where “everyone knows everyone” and “everyone is related” came to be an allegory for what will happen if society resists modernization and urbanization. The message of the rural, close-knit community is clear: degeneracy, primitivism, savagery, and an overall devolution will result if groups are allowed to become too insular, too close, too familiar.

A Companion to American Gothic Charles L. Crow, 2013-09-10 *A Companion to American Gothic* features a collection of original essays that explore America's gothic literary tradition. The largest collection of essays in the field of American Gothic Contributions from a wide variety of scholars from around the world The most complete coverage of theory, major authors, popular culture and non-print media available
