Twelve Foundation Stones of the Scriptures Elmer Mulhausen, 2012-09-10 I recommend this very readable, entertaining presentation of the Christian faith by Elmer Mulhausen. I like the way poems are used to present biblical truth in a simple, direct and balanced way. I like the fact that the book isn't long and laborious. The book has something for everyone along the theological spectrum from scholars to new comers, from conservative to liberals and especially that broad majority in between. Dr. Charles T. Rice North Texas Association Minister United Church of Christ This book is a valuable resource for all lay Christians, especially still maturing believers and those contemplating becoming a believer. The Bible is a large and complex text of history, teachings and truths. It is difficult for even mature Christians to comprehend let alone new converts or those seeking information to make a decision. Elmer simplifies the scriptures in an easy to read, understandable and amazingly short book. He provides an overview of the bible and the pillars of Christian faith that usually take years of personal and church lead Bible study to comprehend. Reverse Symbolism Dictionary Steven Olderr, 2022-10-11 The only dictionary of its kind, this greatly expanded second edition lists objects, concepts, traits and situations ancient and modern and gives their appropriate symbols. A companion to *Symbolism: A Comprehensive Dictionary* (2012), this volume presents symbols and their referents in reverse association (but is not simply a reconfiguring of information). Examples: a symbol for hell is descending stairs; an attribute of Saint Benedict is a raven; joy after sorrow is signified by the gemstone amber. Ethnic, literary, artistic, religious, heraldic, numerological, folkloric, occult and psychological usages are included.

The Lithic Imagination from More to Milton Tiffany Jo Werth, 2024-07-08 The *Lithic Imagination from More to Milton* explores how stones, rocks, and the broader mineral realm play a vital role in early modern England's religious and cultural systems, a role that, in turn, informs the period's poetic and visual imagination. The scale of the human lifespan and the gyre-like turns of England's long Reformation provide a conceptual framework for the various stony textual and visual archives this book studies. The texts and images participate in specifically English histories (literary, artistic, political, religious) although Continental influences are frequently in dialogue. The religious orbit encompasses the Christian rivalry with Jewish culture, touches on Christianity's tension with Islam, but most intently centers on the antagonism between Catholic and

variants of Protestant and Reformed belief. The volume features canonical writers such as Shakespeare, Spenser, Donne, Wroth, Herbert, Milton and Pulter, but puts them in company with lesser-known religious polemicists, alchemists, anatomists, painters, mothers and stonemasons. Accordingly, the multimedia archive includes drama, lyric and prose as well as biblical illustrations, tapestries, church furniture, paintings, anatomical drawings and statues. The lithic too is capaciously construed as a continuum of rocky as well as mineral forms ranging from bodily encrustations like the kidney and bezoar stone, to salt, iron, limestone, marble, flint and silicon. The assemblage of materials bears witness to aspirational imperial fantasies and looming colonial conquests; it engages in both syncretism and supersession; upholds and subverts gender hierarchies; limns the race-making category of hue with desire; and supports, and sometimes thwarts, elitist ideologies of an elect, chosen people. All come together via the storied pathways of stone as densely material and as a foundation for the abstract imaginary along the *scala naturae*. Across the lithic-human fold, stone promises, fascinates, betrays. As alpha and omega, stone can herald salvation or it can threaten with damnation.

Itching Ears Hear and Wandering Eyes See Marilyn O. Flower, 2025-08-11 Itching Ears Hear and Wandering Eyes See examines the evils of society that haunt everyone but which can be overcome with God's help. This book is primarily life-giving because it illuminates the salvific hope, peace, and joy offered by Jesus. Considering the uncertainties of earthly life within the world's many false perceptions, the author shows how ears may hear, eyes may see, minds may contemplate, and hearts may soften to God's Word as people allow the Holy Spirit to seal them as His children. Those who live faithfully in Christ anticipate the sinless, pain-free heaven that God promises to believers. They encourage others to know Jesus and experience eternity with Him. Itching Ears Hear and Wandering Eyes See investigates Revelation's women, especially Chapter 17's harlot who seduces Babylon's fools and brings destruction. It foregrounds the escalating hatred between men and women which greatly dishonors God. This book also explores the Christian faith, its churches, its worship, and the relevancy of women's roles today in culture and faith as compared to those of men. Revelation includes the only words that Jesus directed to be written down and shared. In a world that emphasizes knowledge and education, there is a dearth of truthful information and understanding of the Bible. Mis- and disinformation about God, His Word, and His perfect love irrevocably harm us, but it kills those who refuse to trust Him. Jesus came to remove the sins of the repentant, not to tickle their itching ears or satisfy their wandering eyes.

Sacra Pagina: Revelation Wilfrid J. Harrington,2017-07-14 Revelation, a prophetic apocalyptic letter, is a profoundly Christian text. Father Harrington is concerned to open up Revelation and to convey its Christian message. After an introduction he provides a new translation of each section of the writing, followed by notes which deal with matters of text and content that require clarification. He then treats the passage as a whole by discussing its literary character, its theological significance, and its relevance to our situation. Bibliographies direct the reader to important modern studies. Father Harrington brings his scholarship to the Book of Revelation and conveys its Christian message. He puts the work in its historical and social setting a first-century c.e. province of the Roman Empire and explores its social and religious background and its literary character. Through Father Harrington we hear clearly the challenge of John, the prophet, to the Churches of his time and to ours not to compromise the gospel message.

Revelation Revealed Nick Peros,2022-03-22 Revelation Revealed is a study of the book of Revelation. It is not an end-times book in that it does not seek to identify current events in the light of Bible prophecy; rather, Revelation Revealed examines the book of Revelation itself--what are its key imagery and symbols? What do they mean? What are the timelines of the book? What is the sequence of events? What are the Days of Noah? Who is the Beast and how do we understand him? What is the mark of the Beast? How do we understand Babylon the Great, the Mother of Prostitutes? Is there a rapture? All of these questions, and many more, are addressed, with all questions being approached exclusively from the standpoint of Scripture itself--it is Scripture which answers these questions for us, and clear conclusions are reached. The events outlined in the book of Revelation are the most- prophesied events in the Bible, and Revelation Revealed shows that the book of Revelation is understandable, for God has given us all that we need in order to understand it.

Jesus Revealed in the End Times Dr. Robert Jeffress,2025-03-04 Most books about the end times focus on the events described in biblical prophecy--wars, natural disasters, economic turmoil, and more--rather than the One who is revealed in those events. The result? God's people end up fearful about what is to come rather than hopeful about Who is to come. But the Bible's prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior, Jesus Christ. In *Jesus Revealed in the End Times*, bestselling author Dr. Robert Jeffress takes a radically different approach to prophecy, helping you see the end times through the lens of Jesus Christ. You'll stop fretting about future events as you start to know Jesus more deeply, see him more clearly, and praise him more joyfully. By the time you finish this book, you'll not only have a greater understanding of God's plan for the future but also have a greater sense of calm and courage in the face of what is to come because you've come to know the One who controls the future.

Dead Soul Syndrome Jay Altieri, 2010-08-01 Most Evangelical Christians only know and thoroughly believe the traditional doctrine of eternal torment in Hell for the lost and eternal bliss in Heaven for the saved. As a result, they neglect scores of Bible verses with that provide an alternative teaching. This book veers from some long-held assumptions while reinforcing others, as it humbly attempts to discover the truth of what the Bible teaches about the hereafter. Written for the serious layman, scripturally founded clergy, and open-minded scholar, Dead Soul Syndrome provides wisdom and thought-provoking insight for those interested in thinking anew about heaven and hell.

Berrian Bible Commentary I. Ray Berrian, 2017-07-07 What makes this commentary so helpful and valuable to you is that under the guidance of the Holy Spirit, I am willing to amplify the exact meaning of each verse without shrouding the intent of Jesus's penmen. My intent is to leave you with few questions after reading my exegesis of Holy Scripture. On main points, I offer multiple texts in both the New and Old Testaments.

Walking in the Fullness of I Am Gary R. Maness, 2022-07-07 Pursuing the Fullness of God Did you know that according to John 17:22, God the Father wants to share his glory with you? The same glory the Father gave his Son, Jesus has given to you, so that the essence of who he is works within you to transform you into his image. The story of man is much bigger than you imagined. This book was born out of that experience and 7 years of research and encounters with God that provided the insights for what you are about to read. Journey with the author back in time to discover the story of us and mysteries and secrets of the kingdom hidden in God from the beginning. Discover God's ways and how you can live and walk in the fullness of who he is.

The Bible and Tomorrow's Headlines Miguel J. Gonzalez ThD, 2021-05-26 Global events over the last few decades have generated a great deal of interest in Bible prophecy. News headlines about Middle East conflicts, weapons of mass destruction, natural disasters, terrorism, pandemics, and the very real and ever present threat of another world war, just to mention a few, have many rethinking—or perhaps thinking for the first time—what it is that the Bible has to say about the end times. If you are interested in the future and are trying to make sense of everything going on around you, this book will help you understand how today's news headlines fit into what the Bible has to say about the end times. It will bring clarity to often misunderstood issues surrounding the second coming of Jesus Christ and help you navigate the exciting and challenging days to come. The Bible and Tomorrow's Headlines will provide you with a step-by-step study of what man can

expect. It will help you understand: The importance of studying Bible prophecy How to interpret Bible prophecy Israel's role in world history The reasons for the Middle East crisis The signs of the times The future of the United States of America Key figures and events in the Tribulation The reasons for the Middle East crisis The Millennium kingdom
