

The Last Samurai Book

New York Times Staff

The Last Samurai Helen DeWitt, 2016-05-31 Called “remarkable” (The Wall Street Journal) and “an ambitious, colossal debut novel” (Publishers Weekly), Helen DeWitt’s *The Last Samurai* is back in print at last. Helen DeWitt’s 2000 debut, *The Last Samurai*, was “destined to become a cult classic” (Miramax). The enterprising publisher sold the rights in twenty countries, so “Why not just, ‘destined to become a classic?’” (Garth Risk Hallberg) And why must cultists tell the uninitiated it has nothing to do with Tom Cruise? Sibylla, an American-at-Oxford turned loose on London, finds herself trapped as a single mother after a misguided one-night stand. High-minded principles of child-rearing work disastrously well. J. S. Mill (taught Greek at three) and Yo Yo Ma (Bach at two) claimed the methods would work with any child; when these succeed with the boy Ludo, he causes havoc at school and is home again in a month. (Is he a prodigy, a genius? Readers looking over Ludo’s shoulder find themselves easily reading Greek and more.) Lacking male role models for a fatherless boy, Sibylla turns to endless replays of Kurosawa’s masterpiece *Seven Samurai*. But Ludo is obsessed with the one thing he wants and doesn’t know: his father’s name. At eleven, inspired by his own take on the classic film, he sets out on a secret quest for the father he never knew. He’ll be punched, sliced, and threatened with retribution. He may not live to see twelve. Or he may find a real samurai and save a mother who thinks boredom a fate worse than death.

The Last Samurai Mark Ravina, 2011-03-29 The dramatic arc of Saigo Takamori's life, from his humble origins as a lowly samurai, to national leadership, to his death as a rebel leader, has captivated generations of Japanese readers and now Americans as well - his life is the inspiration for a major Hollywood film, *The Last Samurai*, starring Tom Cruise and Ken Watanabe. In this vibrant new biography, Mark Ravina, professor of history and Director of East Asian Studies at Emory University, explores the facts behind Hollywood storytelling and Japanese legends, and explains the passion and poignancy of Saigo's life. Known both for his scholarly research and his appearances on The History Channel, Ravina recreates the world in which Saigo lived and died, the last days of the samurai. *The Last Samurai* traces Saigo's life from his early days as a tax clerk in far southwestern Japan, through his rise to national prominence as a fierce imperial loyalist. Saigo was twice exiled for his political activities -- sent to Japan's remote southwestern islands where he fully expected to die. But exile only increased his reputation for loyalty, and in 1864 he was brought back to the capital to help his lord fight for the restoration of the emperor. In 1868, Saigo commanded his lord's forces in the battles which toppled the shogunate and he became and

leader in the emperor Meiji's new government. But Saigo found only anguish in national leadership. He understood the need for a modern conscript army but longed for the days of the traditional warrior. Saigo hoped to die in service to the emperor. In 1873, he sought appointment as envoy to Korea, where he planned to demand that the Korean king show deference to the Japanese emperor, drawing his sword, if necessary, to defend imperial honor. Denied this chance to show his courage and loyalty, he retreated to his homeland and spent his last years as a schoolteacher, training samurai boys in frugality, honesty, and courage. In 1876, when the government stripped samurai of their swords, Saigo's followers rose in rebellion and Saigo became their reluctant leader. His insurrection became the bloodiest war Japan had seen in centuries, killing over 12,000 men on both sides and nearly bankrupting the new imperial government. The imperial government denounced Saigo as a rebel and a traitor, but their propaganda could not overcome his fame and in 1889, twelve years after his death, the government relented, pardoned Saigo of all crimes, and posthumously restored him to imperial court rank. In *THE LAST SAMURAI*, Saigo is as compelling a character as Robert E. Lee was to Americans—a great and noble warrior who followed the dictates of honor and loyalty, even though it meant civil war in a country to which he'd devoted his life. Saigo's life is a fascinating look into Japanese feudal society and a history of a country as it struggled between its long traditions and the dictates of a modern future.

The Last Samurai Warner Brothers, 2003-11-01 Already slated as one of the top movies of 2003, *The Last Samurai*, starring Tom Cruise, will be released nationally on December 5, 2003. This book contains parts of the script, exclusive stills from the movie, and interviews from the actors, actresses, and the director.

The Last Samurai Reread Lee Konstantinou, 2022-11-22 Considered by some to be the greatest novel of the twenty-first century, Helen DeWitt's brilliant *The Last Samurai* tells the story of Sibylla, an Oxford-educated single mother raising a possible child prodigy, Ludo. Disappointed when he meets his biological father, the boy decides that he can do better. Inspired by Akira Kurosawa's *Seven Samurai*, he embarks on a quixotic, moving quest to find a suitable father. The novel's cult-classic status did not come easy: it underwent a notoriously tortuous publication process and briefly went out of print. Lee Konstantinou combines a riveting reading of *The Last Samurai* with a behind-the-scenes look at DeWitt's fraught experiences with corporate publishing. He shows how interpreting the ambition and richness of DeWitt's work in light of her struggles with literary institutions provides a potent social critique. The novel helps us think about our capacity for learning and creativity, revealing the constraints that capitalism and material deprivation impose on intellectual flourishing. Drawing on interviews with DeWitt and other key figures, Konstantinou explores the book's composition and its history with Talk Miramax Books, the publishing arm of Bob and Harvey Weinstein's media empire. He argues that *The Last Samurai* allegorizes its troubled relationship with the institutions and middlemen that ferried it into the world. What's ultimately at stake in Ludo's quest is not only who might make a good father but also how we might fulfill our potential in a world that

often seems cruelly designed to thwart that very possibility.

The Last Samurai Takanori Tomita,2004

The Last Samurai John Logan,2001

The Last Samurai ,

Shinsengumi Romulus Hillsborough,2013-06-25 Shinsengumi: The Shogun's Last Samurai Corps is the true story of the notorious samurai corps formed in 1863 to arrest or kill the enemies of the Tokugawa Shogun. The only book in English about the Shinsengumi, it focuses on the corps' two charismatic leaders, Kondo Isami and Hijikata Toshizo, both impeccable swordsmen. It is a history-in-brief of the final years of the Bakufu, which collapsed in 1867 with the restoration of Imperial rule. In writing Shinsengumi, Hillsborough referred mostly to Japanese-language primary sources, including letters, memoirs, journals, interviews, and eyewitness accounts, as well as definitive biographies and histories of the era. The fall of the shogun's government (Tokugawa Bakufu, or simply Bakufu) in 1868, which had ruled Japan for over two and a half centuries, was the greatest event in modern Japanese history. The revolution, known as the Meiji Restoration, began with the violent reaction of samurai to the Bakufu's decision in 1854 to open the theretofore isolated country to Western barbarians. Though opening the country was unavoidable, it was seen as a sign of weakness by the samurai who clamored to expel the barbarians. Those samurai plotted to overthrow the shogun and restore the holy emperor to his ancient seat of power. Screaming heaven's revenge, they wielded their swords with a vengeance upon those loyal to the shogun. They unleashed a wave of terror at the center of the revolution--the emperor's capital of Kyoto. Murder and assassination were rampant. By the end of 1862, hordes of renegade samurai, called ronin, had transformed the streets of the Imperial Capital into a sea of blood. The shogun's administrators were desperate to stop the terror. A band of expert swordsmen was formed. It was given the name Shinsengumi (Newly Selected Corps)--and commissioned to eliminate the ronin and other enemies of the Bakufu. With unrestrained brutality bolstered by an official sanction to kill, the Shinsengumi soon became the shogun's most dreaded security force. In this vivid historical narrative of the Shinsengumi, the only one in the English language, author Romulus Hillsborough paints a provocative and thrilling picture of this fascinating period in Japanese history.

THE TEXT-BOOK of JU-JUTSU as practised in Japan (Collector's Edition) S. K. Uyenishi,2018-11-23 Mystery and intrigue surrounds much of the life of the founder and practitioner of Ju-Jutsu, the self-styled professor, S. K. (Sada Kazu) Uyenishi. However, he was one of the first and probably the most influential jujitsu and judo experts to demonstrate, teach and compete in these arts outside of Japan. From the shadowy Baritsu exponents in the stories of Sherlock Holmes, to Inspector Clouseau's sidekick Cato of Pink Panther notoriety and James Bond's Odd Job, he of the stage name Raku has provided the entertainment industry with many stereotypes. Sada Kazu Uyenishi even influenced the seeming erratic, yet expertly controlled, screen pranks of the masterful Charlie Chaplin; but who was S. K. Uyenishi in real life? Find out more

about him and his uniquely 'soft' style of Ju-jutsu, from reading this authentic presentation of his book.

The Bumper Book of Bravery Charlie Norton,2012-04-24 The Bumper Book of Bravery recounts tales of incredible courage the world over, from the mythical to the modern, and from New York to New Zealand: Take to the seas and marvel at the first voyage around the world. Dare to go deeper and discover record-setting underwater feats, as well as the French free-diver who refused to learn her limits. Stay on land with Samurai warriors, Roman emperor gladiators and Genghis Khan's lethal Mongolian army. Reach for the skies through balloonists, fantastic flying machines and female fighter pilots. Go underground with the ultimate masters of espionage, including Russian spies, honey-traps and ruthless CIA-trained Tibetan agents. From ocean depths to giddy heights and everything in between, The Bumper Book of Bravery will awaken the adventurer and hero inside of us all.

A Book of Five Swords and a Scroll Stanford Carman,2005-03-01 A Book of Five Swords and a Scroll, is about five Japanese swords that came to the United States after W.W.II and a Japanese hanging scroll of a 'Seated Samurai. The book is richly illustrated with over 110 photographs of these swords, map segments, and other associated materials. There are three original short stories centered around three of the swords. The book also contains sections regarding Medieval Japan, the Samurai, Japanese Sword Smiths, and Japanese Sword Care and Cleaning; Detail Technical Data of these swords is included, and there is a short biography of artist of the scroll. The chapter about the scroll, regards a person famous in 14th Century Japanese History. Two of these swords are over 450 years old. In addition there is a short biography of a unique US Marine that fought at Wake Island, Dec 8, 1941 - Dec 23, 1941 in WWII and taken as a Prisoner Of War by the Japanese. He spent a total of 1350 Days as a POW in Camps in China and Japan. This version of the book is in B&W.

Kid's Karate Activity Book George Avalon,2014-10-26 An ideal book for kids aged 5 to 12 just starting Karate, or for those interested in starting. While this kid's Karate book covers the things most other books do (how to punch, kick, and block), this book aims to allow kids to step inside the Karate tradition- to understand the essence of Karate. To engage kids minds it is a Karate activity book. It starts by teaches kids about the Karate tradition: about the Samurai, Okinawa, and Buddhism. It then draws upon the Karate tradition to answer moral questions such as when is it right to use Karate, and about the the 'Spirit of Karate'. The book then prepares kids for their Karate journey. It introduces bowing, what Karate kids wear; the Karate belt system; and points out the pitfalls they may face when they take up Karate. It is only after these things are covered that the book turns to the Karate techniques themselves. It introduces the basic punches, kicks, and blocks. This leads the way about how to learn Kata. The book ends with a parent's guide.

The Movie Business Book Jason E Squire,2016-08-05 Tapping experts in an industry experiencing major disruptions, The Movie Business Book is the authoritative, comprehensive sourcebook, covering online micro-budget movies to theatrical

tentpoles. This book pulls back the veil of secrecy on producing, marketing, and distributing films, including business models, dealmaking, release windows, revenue streams, studio accounting, DIY online self-distribution and more. First-hand insider accounts serve as primary references involving negotiations, management decisions, workflow, intuition and instinct. The Movie Business Book is an essential guide for those launching or advancing careers in the global media marketplace.

The Japanese Cinema Book Hideaki Fujiki, Alastair Phillips, 2020-04-02 The Japanese Cinema Book provides a new and comprehensive survey of one of the world's most fascinating and widely admired filmmaking regions. In terms of its historical coverage, broad thematic approach and the significant international range of its authors, it is the largest and most wide-ranging publication of its kind to date. Ranging from renowned directors such as Akira Kurosawa to neglected popular genres such as the film musical and encompassing topics such as ecology, spectatorship, home-movies, colonial history and relations with Hollywood and Europe, The Japanese Cinema Book presents a set of new, and often surprising, perspectives on Japanese film. With its plural range of interdisciplinary perspectives based on the expertise of established and emerging scholars and critics, The Japanese Cinema Book provides a groundbreaking picture of the different ways in which Japanese cinema may be understood as a local, regional, national, transnational and global phenomenon. The book's innovative structure combines general surveys of a particular historical topic or critical approach with various micro-level case studies. It argues there is no single fixed Japanese cinema, but instead a fluid and varied field of Japanese filmmaking cultures that continue to exist in a dynamic relationship with other cinemas, media and regions. The Japanese Cinema Book is divided into seven inter-related sections: · Theories and Approaches · * Institutions and Industry · * Film Style · * Genre · * Times and Spaces of Representation · * Social Contexts · * Flows and Interactions

The New York Times Book Reviews 2000 New York Times Staff, 2001 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating, and sources; character analysis; comic elements and verbal conceits; evidence of authorship; performance analysis; and feminist interpretations. Alongside theater reviews, production photographs, and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work, and concept rounds out this valuable resource.

The Nature Book Tom Comitta, 2023-03-14 Part sweeping evocation of Earth's rhythms, part literary archive, part post-human novel, The Nature Book collages descriptions of the natural world into a singular symphonic paean to the planet. What does our nature writing say about us, and more urgently, what would it say without us? Tom Comitta investigates these questions and more in The Nature Book, a "literary supercut" that arranges writing about the natural world from three hundred works of fiction into a provocative re-envisioning of the novel. With fiction's traditional background of flora and fauna brought to the fore, people and their structures disappear, giving center stage to animals, landforms, and weather

patterns—honored in their own right rather than for their ambient role in human drama. The Nature Book challenges the confines of anthropocentrism with sublime artistic vision, traversing mountains, forests, oceans, and space to shift our attention toward the magnificently complex and interconnected world around us.

Bibliophobia Sarah Chihaya, 2025-02-04 “A wise, tremendously moving exploration of what it means to seek companionship and understanding, in books and in life.”—Hua Hsu, author of *Stay True* “A must for the obsessive reader.”—Elif Batuman, author of *Either/Or* and *The Idiot* Books can seduce you. They can, Sarah Chihaya believes, annihilate, reveal, and provoke you. And anyone incurably obsessed with books understands this kind of unsettling literary encounter. Sarah calls books that have this effect “Life Ruiners”. Her *Life Ruiner*, Toni Morrison’s *The Bluest Eye*, became a talisman for her in high school when its electrifying treatment of race exposed Sarah’s deepest feelings about being Japanese American in a predominantly white suburb of Cleveland. But Sarah had always lived through her books, seeking escape, self-definition, and rules for living. She built her life around reading, wrote criticism, and taught literature at an Ivy League University. Then she was hospitalized for a nervous breakdown, and the world became an unreadable blank page. In the aftermath, she was faced with a question. Could we ever truly rewrite the stories that govern our lives? *Bibliophobia* is an alternately searing and darkly humorous story of breakdown and survival told through books. Delving into texts such as *Anne of Green Gables*, *Possession*, *A Tale for the Time Being*, *The Last Samurai*, Chihaya interrogates her cultural identity, her relationship with depression, and the intoxicating, sometimes painful, ways books push back on those who love them.

The Cities Book Lonely Planet, 2017-10-01 Lonely Planet's bestselling *The Cities Book* is back. Fully revised and updated, it's a celebration of 200 of the world's most exciting urban destinations, beautifully photographed and packed with trip advice and recommendations from our experts - making it the perfect companion for any traveller deciding where to visit next. - Highlights and itineraries help travellers plan their perfect trip - Urban tales reveal unexpected bites of history and local culture - Discover each city's strengths, best experiences and most famous exports - Includes the top ten cities for beaches, nightlife, food and more - Lonely Planet co-founder Tony Wheeler shares his all-time favourite cities - Fully revised and updated with the best cities to visit right now About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. The Couple's Match Book Daniel Eckstein, 2012-05 The process of finding and making the best possible match is not an easy one. On the contrary, from an emotional perspective finding, making, maintaining, and enriching an intimate partnership is one of the most challenging tasks an adult faces. There must be an attraction or a spark for a true match to be made. When a couple comes for counseling, they come with the hope that their relationship can be renewed-that they can capture the heat and the emotion that they once had together. The Couple's Match Book: Lighting, Rekindling, or Extinguishing the Flame explores relationship theory and research. Including self-assessment activities to help determine what actions to take to improve relationships, this guild offers information that focuses on understanding and respecting personality differences, role perceptions, communication, and problem-solving. The balance of the book shares personal stories written by couples detailing their own experiences in an effort to help others in improving their intimate relationships. The Couple's Match Book: Lighting, Rekindling, or Extinguishing the Flame can be used as a supplemental text in marriage and family courses, as well as a primary resource in couples counseling and marriage and family therapy.
