All Things Are Possible David Edwin Harrell,1979-01-21 "The first book to tell the story of the enterprisers who have personal followings . . . a missing link in the chain of American religious movements."—Martin E. Marty, author of *October 31, 1517: Martin Luther and the Day that Changed the World* Written by a Professor Emeritus at Auburn University, this is the first objective history of the great revivals that swept the country after World War II. It tells the story of the victories and defeats of such giants of the revival as William Branham, Oral Roberts, Jack Coe, T. L. Osborn, and A. A. Allen. It also tells of the powerful evangelists who carried on the revival, including Robert Schambach and Morris Cerullo. Those who lived through the great revivals of the 1950s and 1960s will be thrilled to read about those exciting days, and those interested in the religious history of the United States need to read this book to see what has led us up to this present moment in time. "Harrell has obviously attended countless rallies, read sheafs of literature, and personally interviewed many of the principals. He . . . tell[s] the story in a largely biographical format. This makes for lively reading."—The New York Times Book Review "A book about healing revivalists that takes them seriously and treats them fairly."—Journal of Southern History "Will be a definitive work for some years to come."—Reviews in American History "Will attract readers interested in the reasons behind the various fat and lean periods among revivalists."—Publishers Weekly "Harrell's book will doubtless be the definitive work on the subject for a long while—who else will wade through *Healing Waters* and *Miracle Magazine* with such fastidious care?"—Kirkus Reviews

To Know Him Gloria Copeland,2008-09-16 For readers who feel there is something missing in their daily walk with God, Gloria Copeland explains that relationship-learning to talk with and listen to God in daily encounters-is what will change their lives. Knowing God requires a lifestyle of communion with Him. While religion creates numbing routine, relationship ignites the power to overcome sin and to prosper in every area of life. Regularly communicating with God strengthens believers, builds their faith, and makes way for them to lay hold of all God's blessings through Jesus Christ. Warm, personal, and inspiring, *TO KNOW HIM* is a friendly guide to discovering an exciting, promising relationship with God.

Jesus Culture Banning Liebscher,2009-09-28 Stand Up and Stand Out! A new breed of revivalist is arising to answer the

cry of God's heart. These blazing hearts are calling cities and nations back to the Lord, and challenging societies to be transformed by the power and love of God. These revivalists within the Jesus Culture are a significant force to be heeded. Do not expect them to fade into the background or disappear any time soon. They are only now arising. These revivalists are marked by four things: They honor those who went before them. A passionate love for Jesus responding to His great love for them and all humankind. A life of prayer with confidence in God's goodness and desire to respond to prayer. The supernatural power of God (healing, signs and wonders, prophesy, etc.). Learn more about the Jesus Culture from author Banning Liebscher who has worked in full-time youth and young adult ministry for more than a decade. Become more by joining the ranks of this new breed that is not afraid to stand up and stand out for God during this crucial time in history.

I Believe in Healing Cecil Murphey, Twila Belk, 2013-04-03 When a loved one is injured or ill, what do Christians do? They pray, expecting God to intervene with a miracle of healing. They pray not only because the Bible says to do so, but also because God has shown Himself faithful to heal throughout history and even today. *I Believe in Healing* is a one-of-a-kind collection of true stories that demonstrate God's healing power. Readers will find dozens of biblical, historical, and present-day accounts of physical and emotional healings, written in Cecil Murphey's heartwarming, uplifting style that made *90 Minutes in Heaven* a New York Times bestseller. Anyone who needs a touch from God for themselves or a loved one will find encouragement and inspiration in these pages.

God, Suffering, and Pentecostals Marius Nel, 2022-02-04 Pentecostals emphasize that God is still the Healer of all illnesses, implying that God answers all prayers. What about those who are not healed? How do we explain suffering? Why does a good God allow suffering? Is God not powerful enough to prevent it? In this publication, the author reconsiders these questions from a Pentecostal hermeneutical perspective to develop a novel way to think about God's involvement with suffering among people. His experimental theology speculates how a Pentecostal ethos accommodates a theodicy that acknowledges suffering and God's involvement in people's lives. Although the book is a theologically constituted attempt, anyone can follow and understand its arguments. It concludes with alternative views of suffering, evil, God's loving attention to people, the doctrine of original sin, and Satan. The author also suggests some ways to respond to suffering.

Satan's Counterfeit Healing Lawrence E. Burkholder, 2019-09-30 The Christian church worldwide has been taken prisoner by Satan's counterfeit healing. This statement is based on the author's personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus' true miracles. For two thousand years of church history there's been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

The Flow of the Spirit John G. Lake, 2018-07-10 "I tell you we are living in a day and hour when the Spirit of God has come into the world afresh, when the consciousness of mankind is opening up to God in a manner that it has never opened before." One of the most powerful healing evangelists of the twentieth century, he converted, healed, and delivered countless believers, and established churches and ministries around the world.
