Gwen Smith knows how easy it is to dismiss God's plans with the thoughts, I can't make a big difference for God because I'm just an ordinary woman with an ordinary life. Yet God created us to join Him in doing amazing work in the world. He created us to live with abundant joy, courage, and influence. But not the joy, courage, and influence of the world. Every blessing He has for us is ours for the taking. *I Want It All* will ignite a fire in your heart to experience more faith, more power, and more impact. More of Jesus. All of Jesus. Everything that God has for you.

Falling Through Clouds Damian Fowler, 2025-08-22 Mommy burned up. On a cloudy day in August 2003, Grace and Lily Pearson, 4 and 3, were flying in their uncle's plane along with their mother on their way to their grandpa's birthday party near Lake Superior, when Lily noticed the trees out the window were growing close; so close she could almost touch them.

Before the trees tore into the cabin, Grace had the strange sensation of falling through clouds. A story of tragedy, survival, and justice, Damian Fowler's *Falling Through Clouds* is about a young father's fight for his family in the wake of a plane crash that killed his wife, badly injured his two daughters, and thrust him into a David-vs-Goliath legal confrontation with a multi-billion dollar insurance company. Blindsided when he was sued in federal court by this insurance company, Toby Pearson made it his mission to change aviation insurance law in his home state and nationally, while nursing his daughters to recovery and recreating his own life. *Falling Through Clouds* charts the dramatic journey of a man who turned a personal tragedy into an important victory for himself, his girls, and many other Americans.

Darth and the Puppeteers Michael Davidson, 2018-11-28 Every Friday evening in an office six doors off Colorado Boulevard, Pasadena California, Jon Sadler and three fellow psychotherapists practice a therapeutic intervention with hand puppetry in an attempt to assist their clients in drawing out the dark side of their personalities, what Carl Jung coined as the Shadow. The depth of their combined knowledge assures them of the benign nature of their undertaking so that they were unprepared for the results of their efforts and unaware that the neighborhood killings were intimately related to their little friends. Not far, as the crow flies on the north side of Riverside Drive, lay the Glendale site of Forrest Lawn Cemeteries, a two hundred acres of cultivated earth reserved for the dead. At the summit of the enriched soil, Jon Sadler's friend and associate, Darth, lay quietly at rest in his vaultlike crypt, at least that was where he was supposed to be. Darth was never really human. He had appeared and befriended Jon Sadler in a combined effort to eradicate the demon, Samael, the angel of death who had taken up residency in the Ocean Front Mall in Long Beach. The culmination of that effort resulted in Darth's demise, and Darth's body, which was not really his body, was interred. Now Darth is needed in Pasadena, and that's where our story begins. Thrivers Michele Borba, Ed. D., 2022-03-08 The bestselling author of *UnSelfie* offers 7 teachable traits that will safeguard

our kids for the future. We think we have to push our kids to do more, achieve more, BE more. But we're modeling the wrong traits—like rule-following and caution—and research shows it's NOT working. This kind of "Striver" mindset isn't just making kids unhappier, says Dr. Michele Borba...it's actually the opposite of what it takes to thrive in the uncertain world ahead. Thrivers are different: they flourish in our fast-paced, digital-driven, often uncertain world. Why? Through her in-depth research, Dr. Borba discovered that the difference comes down not to grades or test scores, but to seven character traits that set Thrivers apart—confidence, empathy, self-control, integrity, curiosity, perseverance, and optimism. The even better news: these traits can be taught to children at any age...in fact, parents and educators must do so. In *Thrivers*, Dr. Borba offers practical, actionable ways to develop these traits in children from preschool through high school, showing how to teach kids how to cope today so they can thrive tomorrow.
