John Snelson

James Joyce, Sexuality and Social Purity Katherine Mullin,2003-07-10 In James Joyce, Sexuality and Social Purity, Katherine Mullin offers a richly detailed account of Joyce's lifelong battle against censorship. Through prodigious archival research, Mullin shows Joyce responding to Edwardian ideologies of social purity by accentuating the 'contentious' or 'offensive' elements in his work. The censorious ambitions of the social purity movement, Mullin claims, feed directly into Joyce's writing. Paradoxically, his art becomes dependent on the very forces that seek to constrain and neutralize its revolutionary force. Acutely conscious of the dangers censorship presented to publication, Mullin shows Joyce revenging himself by energetically ridiculing purity campaigns throughout his fiction. Ulysses, A Portrait of the Artist as a Young Man and Dubliners all meticulously subvert purity discourse, as Joyce pastiches both the vice crusaders themselves and the imperilled 'Young Persons' they sought to protect. This important book will change the way Joyce is read and offers crucial insights into the sexual politics of Modernism.

Song of the Season Thomas Hischak,2024-03-21 What links the popular songs You'll Never Walk Alone, Send in the Clowns, Memory and I Am What I Am? They all originated in Broadway musicals. Song of the Season is for those who believe that the score is at the heart of a musical and is the essential building block on which the rest of a show is built. Through a systematic historical survey from 1891 to 2023 it argues that the best musicals survive because of their songs, from early 20th century classics such as Show Boat and Oklahoma! through to the contemporary sound of Dear Evan Hansen and Hamilton. Looking at outstanding songs from each Broadway season, the development and history of the musical is illustrated with a fresh perspective. As song styles and popular music tastes changed throughout the decades this structure charts the progress of American showtunes alongside popular music forms as songs evolved from the waltz and ragtime to jazz, rock, rap and hip-hop. Factual analysis and historical context combine to offer a rich picture of the American songbook from Irving Berlin to Elton John. Song of the Season paints a fresh picture for musical theatre students and fans alike, illustrating significant changes in the form through the music. Analyzed in an accessible and engaging way that doesn't rely on music theory knowledge, and including a link to playlist where all the 'songs of the seasons' can be listened to, it is a must-have for those looking to expand their knowledge of the form and trace the social history of the American showtune.

Charity Ian Berry,2014-06-17 What do you do if you want your Charity Ball to go without a hitch? You get Saskia and Saskia to organise it for you. The Ball itself will go without a hitch (probably) but getting there is far from straightforward. Yet another person discovers that the Saskias and the SuperTwins are the same people, but her response to the revelation surprises the girls. Sir James gets himself into a spot of bother, but is easily extracted by the twins, who then have to work quite hard to preserve their secret. Saskia discovers she has a maternal instinct, despite not really being a girl, which gives her a lot to think about. Having super powers AND being able to move in time proves useful when the plant next door is devastated by a huge explosion, the girls end up doing the whole day twice! Moving in time is getting to be routine as the girls are shifted back to 1757 to fix a problem with the timeline. A visit to the Russian plant sees Saskia changing to be James in case he gets shot, which is fine until this actually happens - and Saskia doesn't have super powers while she's being James. The girls are getting used to moving in time, but encounter a problem when time itself goes screwy and they get shunted sideways into a reality that has no future and no real past.

Evita, Inevitably Jean Graham-Jones,2014-10-23 Evita, Inevitably sheds new light on the history and culture of Argentina by examining the performances and reception of the country's most iconic female figures, in particular, Eva Perón, who rose from poverty to become a powerful international figure. The book links the Evita legend to a broader pattern of female iconicity from the mid-nineteenth century onward, reading Evita against the performances of other female icons:

Camila O’Gorman, executed by firing squad over her affair with a Jesuit priest; Difunta Correa, a devotional figure who has achieved near-sainthood; cumbia-pop performer Gilda; the country’s patron saint, the Virgin of Luján; and finally, Argentina’s president, Cristina Fernández de Kirchner. Employing the tools of discursive, visual, and performance analysis, Jean Graham-Jones studies theatrical performance, literature, film, folklore, Catholic iconography, and Internet culture to document the ways in which these “femicons” have been staged.

Jinn Matthew B. J. Delaney, 2007-04-01 It is May 1943. On the remote island of Bougainville, in the South Pacific, a squad of United States Marines beats their way through the thick jungle. They’ve landed to do battle with the Japanese soldiers on the island, but in short order, they begin to realize that the forbidding battleground holds an ancient secret a hundred times more terrifying than any enemy army---especially when they start finding the bodies. Flash-forward to July 2008. In the slums---and the skyscrapers---of Boston, a new kind of depraved serial killer is stalking human prey and terrifying the city. The bodies have been found posed and mutilated in bizarre ways that the two police officers in charge of the case have never seen before---and never want to see again. Are the two scenarios connected? Detectives Jefferson and Brogan have no idea that to solve the biggest case of their careers, their investigation must take them around the world and through time and history---from a mysterious salvaged submarine with a shocking secret, to an inhumane prison where the inmates are even more scared than usual of the Pit, and finally back to the beginning: the sinister island in the South Seas where something inhuman has been biding its time. Matthew B.J. Delaney's Jinn won the 2003 International Horror Guild Award for Best First Novel.

Don't Cry for Me Argentina [printed Music] : [from] Evita Andrew Lloyd Webber, 1977

Stephen Sondheim and Andrew Lloyd Webber Stephen Citron, 2001-09-13 The New York Times called Stephen Sondheim the greatest and perhaps best known artist in the American musical theater, while two months earlier, the same paper referred to his contemporary, Andrew Lloyd-Webber as the most commercially successful composer in history. Whatever their individual achievements might be, it is agreed by most critics that these two colossi have dominated world musical theater for the last quarter century and hold the key to the direction the musical stage will take in the future. Here in the third volume of Stephen Citron's distinguished series The Great Songwriters--in depth studies that illuminated the musical contributions, careers, and lives of Noel Coward and Cole Porter (Noel & Cole: The Sophisticates), and Oscar Hammerstein 2nd and Alan Jay Lerner, (The Wordsmiths)--this eminent musicologist has taken on our two leading contemporary contributors to the lyric stage. His aim has not been to compare or judge one's merits over the other, but to

make the reader discover through their works and those of their contemporaries, the changes and path of that glorious artform we call Musical Theater. In his quest, Citron offers unique insight into each artist's working methods, analyzing their scores—including their early works and works-in-progress. As in Citron's previously critically acclaimed books in this series, great significance is given to the impact their youthful training and private lives have had upon their amazing creative output. Beginning with Sondheim's lyrics-only works, *West Side Story*, *Gypsy*, *Do I Hear A Waltz?* through his scores for *Saturday Night*, *Company*, *Anyone Can Whistle*, *Follies*, *Pacific Overtures*, *A Little Night Music*, *Sweeney Todd*, *Merrily We Roll Along*, *Sunday In the Park*, *Into the Woods*, *Assassins*, and *Passion*, all these milestones of musical theater have been explored. Lloyd-Webber's musical contribution from his early works, *The Likes of Us* and *Joseph to Jesus Christ Superstar*, *Evita*, *Cats*, *Starlight Express*, *Aspects of Love*, *By Jeeves*, *The Phantom of the Opera*, *Song & Dance*, *Mass*, *Sunset Boulevard* to *Whistle Down the Wind* are also thoroughly analyzed. The works of these two splendid artists are clarified for the casual or professional reader in context with their contemporaries. Complete with a quadruple chronology (Sondheim, Lloyd-Webber, US Theater, British Theater), copious quotations from their works, and many never before published illustrations, the future of the artform that is the crowning achievement of the 20th century is made eminently clear in this book. Sondheim & Lloyd-Webber is a must-read for anyone interested in the contemporary theater.

Character Matters Jean Becker, 2024-04-16 From a New York Times bestselling author and George H.W. Bush's former Chief of Staff, pivotal life lessons from a leader that left a mark on people's hearts and souls. *Character Matters* is a reminder of the importance of character when defining true leadership. Colleagues, friends, and family will share their personal stories of what they learned from watching and listening to President Bush, including former United States Secretary of State Condoleezza Rice; Secretary of State James A. Baker; stand-up comedian Dana Carvey; Queen of Country star Reba McEntire; American columnist for The New York Times Maureen Dowd; American novelist Brad Meltzer; presidential biographer Jon Meacham; former Prime Minister of the United Kingdom John Major; former Prime Minister of Canada Brian Mulroney; Secretary of Defense Robert Gates; the Oak Ridge Boys and best-selling author Christopher Buckley; and of course his grandchildren. *Character Matters* will illustrate how George Bush never stopped showing us the way to lead by example.

Hope Street Judith Arnold, 2025-03-01 An award-winning contemporary romance about love, betrayal and forgiveness. Curt and Ellie fell in love as college students, in a grungy apartment on Hope Street. When Curt asked Ellie to marry him, he

promised her that as long as they were together, they would always live on a metaphorical “Hope Street.” And for many years, as they established a home and their careers and welcomed two daughters and a son into their lives, they did dwell in their own love-filled neighborhood of hope. Then a tragedy shattered their family. Anguish drove Ellie into a world of darkness. Cut off from his wife, Curt found a way to heal without her. Exiled from Hope Street, they decide to end a marriage that is already dead. Unaware of their parents’ plans for divorce, their children spring a surprise birthday party on Ellie, create a video of her life, and arrange for a romantic night for their parents at a charming country inn. As Curt and Ellie venture into that night together, they are forced to reconsider everything that once was so right between them, and everything that has gone so wrong. Is it possible that their love still exists? Can they ever forgive each other? Is it possible to return to Hope Street? Winner of the New England Readers Choice Award.

Nothing Like a Dame Eddie Shapiro, 2014-02-28 In *Nothing Like a Dame*, theater journalist Eddie Shapiro opens a jewelry box full of glittering surprises, through in-depth conversations with twenty leading women of Broadway. He carefully selected Tony Award-winning stars who have spent the majority of their careers in theater, leaving aside those who have moved on or occasionally drop back in. The women he interviewed spent endless hours with him, discussing their careers, offering insights into the iconic shows, changes on Broadway over the last century, and the art (and thrill) of taking the stage night after night. Chita Rivera describes the experience of starring in musicals in each of the last seven decades; Audra McDonald gives her thoughts on the work that went into the five Tony Awards she won before turning forty-one; and Carol Channing reflects on how she has revisited the same starring role generation after generation, and its effects on her career. Here too is Sutton Foster, who contemplates her breakout success in an age when stars working predominately in theater are increasingly rare. Each of these conversations is guided by Shapiro's expert knowledge of these women's careers, Broadway lore, and the details of famous (and infamous) musicals. He also includes dozens of photographs of these players in their best-known roles. This fascinating collection reveals the artistic genius and human experience of the women who have made Broadway musicals more popular than ever—a must for anyone who loves the theater.
