

Rosario Maria Rosa Mistica

ML Morrison

María, rosa mística, excelencias, poder y maravillas de su Rosario Antonio VIEYRA, 1680

María Rosa Mística Francisco Xavier Billini Santamaria, 2011-06-24 “Hijos míos, rezad y no temáis, cuando estos tiempos el enemigo quiere oscurecer la luz de mi Divino Hijo. Yo recojo las oraciones e intercesiones de tantas Almas, para que sean transformadas en gracia de Paz, de Concordia y de luz...”

Maria rosa mystica António Vieira, 1688

María Rosa Mística - Madre de la Iglesia Enrico Rodolfo Galbiati, 2017-04-13 Fontanelle es una pequeña localidad de la campiña bresciana, en el norte de Italia, donde la Virgen se apareció a Pierina Gilli en 1966, bendiciendo una fuente de agua limpia que los peregrinos provenientes de todo el mundo – en especial de Alemania y Latinoamérica, pero también de China, Sri Lanka e India – consideran milagrosa. Aquí la Virgen se apareció cuatro veces en fechas importantes para la liturgia de la Iglesia: el Domingo in Albis; el 13 de mayo, fiesta de Nuestra Señora de Fátima; las fiestas del Corpus Christi y de la Transfiguración. La Virgen pidió la conversión de los corazones y prometió también la salud corporal a quienes se acercaran a la fuente con fe. Se presentó con los nombres de Rosa Mística y de Madre de la Iglesia, asociando estos títulos a su papel de mediadora entre Dios, su Hijo Jesús y los hombres. Veinte años antes Rosa Mística se había ya aparecido varias veces a la vidente en la cercana Montichiari. Este primer ciclo de apariciones iba dirigido de modo especial a los consagrados, y la Virgen se había mostrado muy entristecida por los que abandonan o traicionan la vocación. Durante toda su vida Pierina Gilli (1911-1991) gozó de la compañía de Rosa Mística, en varias ocasiones acompañada por santa Maria Crocifissa Di Rosa, fundadora de las Siervas de la Caridad de Brescia, y por Jacinta y Francisco, los pastorcillos de Fátima que marcharon al cielo de niños poco después de las apariciones de 1917. Una relación no casual: en las manifestaciones de Montichiari y Fontanelle la Virgen se refirió explícitamente a Fátima, precisando que a Portugal había ido para reconducir a los hombres a Dios pidiendo la consagración a su Corazón Inmaculado, a Bonate (en la provincia italiana de Bérgamo, donde se apareció a Adelaide Rocalli) para manifestar su proyecto sobre las familias, y aquí a Brescia para los consagrados. Este libro, presentado y preparado por Rosanna Brichetti Messori y Riccardo Caniato, está construido en torno a un manuscrito inédito de Mons. Enrico R. Galbiati que, además de contar los acontecimientos de Fontanelle y Montichiari, explica por qué a su juicio hay que considerarlos de origen sobrenatural. Aportaciones de Vittorio Messori, frater Ettore Boschini y René

Laurentin - de quien Galbiati recibió el impulso decisivo para su investigación - completan el volumen.

Maria rosa mystica seu excellentia, vis et virtus admirabilis precatoriaie ejus coronae, vulgae rosarii, ... Antonius Vieira,1701

Il Rosario ,1904

Maria Rosa Mystica, Seu Excellentia, Vis Et Virtus Admirabilis Precatoriaie Ejus Coronae, Vulgo Rosarii António Vieira,1701

Brazil and Africa Jose Honorio Rodrigues,2023-11-10 In Brazil and Africa: The Historical and Cultural Connection, renowned Brazilian scholar José Honório Rodrigues presents a compelling analysis of Afro-Brazilian relations, tracing their historical roots and envisioning a transformative future for Brazil's role on the global stage. This groundbreaking work offers a dual perspective: a rich historical narrative spanning from 1500 to 1960, and a forward-looking discussion on Brazil's evolving foreign policy. Rodrigues examines the profound cultural interplay between Africa and Brazil, emphasizing the enduring influence of African heritage on Brazil's identity and its potential to serve as a bridge between Western Europe and the emerging states of Africa. In this incisive study, Rodrigues articulates a bold vision for Brazil's international relations, advocating a departure from traditional alignments with Portugal, European imperialism, and hemispheric economic subservience. Instead, he calls for a reorientation toward the Global South and Africa, rooted in shared histories and cultural ties. Through meticulously documented theses and insightful analyses, the book challenges readers to reconsider Brazil's place in the world. A vital resource for historians, policymakers, and scholars of international relations, Brazil and Africa is a thought-provoking exploration of the dynamic interplay of culture, history, and geopolitics. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1965.

La memoria de los libros. Las bibliotecas del Císter navarro hasta la Desamortización María Isabel Ostolaza Elizondo,2018-10-31 La memoria de los libros recoge el estudio, realizado por María Isabel Ostolaza, de las bibliotecas cistercienses navarras como parte del patrimonio librario anterior a la exclaustración de los monasterios. Los inventarios realizados en las desamortizaciones decimonónicas sirven como fuente de información para la reconstrucción, en gran parte virtual, de las bibliotecas monásticas, que en su parte más interesante proceden de las antiguas bibliotecas abaciales. Se ha desentrañado el eje vertebrador de la organización de las mismas que gira en torno a la Teología y abarca materias eclesiásticas, universitarias y de ciencias humanas, naturales y sociales. La obra recoge los inventarios de las bibliotecas de los monasterios de Fitero, Leire y La Oliva, incluyendo el inventario de la biblioteca de Marcilla. La elección del tema tiene

que ver con la importancia que esta Orden tuvo en el contexto político y cultural del antiguo reino, dado que sus abades formaban parte del brazo eclesiástico de las Cortes.

Maria Rosa Mystica, seu Excellentia, Vis et Virtus ... coronae, vulgo rosarii, Exposita In triginta Sermonibus Vieira,1701

António Vieira's Sermon Against the Dutch Arms (1640) António Vieira,1996 This is the first critical edition of Antonio Vieira's Sermon against the Dutch (1640), one of his best and most famous pieces of writing. The discovery of nine new (apograph) manuscripts and the inclusion of early Spanish translations (which are related to the previously unpublished manuscripts) as well as of old and new Portuguese editions shed a new light on the history of his sermons and point the way to a different philological approach to the work of the renowned Jesuit. The editor's introduction and commentary provide fresh insights into the language employed by Vieira and his use and interpretation of classical, historical, theological and literary sources. This edition is completed by a critical bibliography. It summarizes and adds to all previous philological research into Vieira's sermons and other work.
