*How did "on the house" become a synonym of "free"? May 16, 2016 · On the house is a synonym of free because of its usage in bars across the United States and other English speaking countries to describe free drinks. If the bartender said that a drink was on the house, He meant that the the drink was paid for (on the) by the bar (house). **etymology - Origin of the phrase "free, white, and twenty-one ...** The fact that it was well-established long before OP's 1930s movies is attested by this sentence in the Transactions of the Annual Meeting from the South Carolina Bar Association, 1886 And to-day, "free white and twenty-one," that slang phrase, is no longer broad enough to include the voters in this country. **What is the opposite of "free" as in "free of charge"? Feb 2, 2012 · What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word. *On Saturday afternoon or in the Saturday afternoon?* Sep 16, 2011 · The choice of prepositions depends upon the temporal context in which you're speaking. "On ~ afternoon" implies that the afternoon is a single point in time; thus, that temporal context would take the entire afternoon as one of several different afternoons, or in other words, one would use "on" when speaking within the context of an entire week. "In ~ afternoon" ... *grammaticality - Is the phrase "for free" correct? - English ... Aug 16, 2011 · 6* For free is an informal phrase used to mean "without cost or payment." These professionals were giving their time for free. The phrase is correct; you should not use it where you are supposed to only use a formal sentence, but that doesn't make a phrase not correct. **"Free of" vs. "Free from" - English Language & Usage Stack ... Apr 15, 2017 · If so, my analysis amounts to a rule in search of actual usage—a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over the past 100 years suggests that the English-speaking world has become more receptive to using "free of" in place of "free from" during that period. *In a tournament, do I get a "by", a "bye", or a "buy"? If there are an odd number of competitors at any stage of a single-elimination tournament, one player is excused from play and continues on as if he had defeated his (nonexistent) opponent. This is orthography - Free stuff - "swag" or "schwag"? - English ... My company gives out free promotional items with the company name on it. Is this stuff called company swag or schwag? It seems that both come up as common usages—Google searching indicates that the **"Complimentary" vs "complementary" - English Language Mar 4, 2011 · I got a bit mixed up just now regarding the difference between "complimentary" and "complementary".
