The Devil's Own Game Annie Hogsett, 2019-10-15 The murder is the message What you don't see is what you get. When a sniper targets a blind man walking along the lagoon of the Cleveland Museum of Art, the bullet is a wake-up call aimed straight for Allie Harper and Tom Bennington, shattering their illusion that the Mondo Mega Jackpot Nightmare is over. On the day Allie—sassy, lonely, broke—met Tom—smart, hot, blind—he won \$500 million trying to show a kid that gambling doesn't pay. Romance—and multiple murders—ensued, along with a new, opulent lifestyle that the couple had never dreamed possible. Then a ruthless man of formidable skills and resources hacked into the security system in their rented 9,000 square-foot lakeside mansion, and they learned just how far someone who begrudges their good fortune would go to destroy them. Now they know the past six months of peace and quiet were the calm before a rising storm of mayhem and revenge. The new game begins tonight. An old devil. A new devil. And a new case for The T&A Detective Agency. (Yes. They should have put Allie's initial first.) Tom and Allie aren't on the case long before they discover a strong lead that takes them into the heights of Cleveland's upper-crust, where husbands and wives weave webs of betrayal with unfathomable sums of money at the center. As the threats—and murders—multiply, Allie, Tom, and the T&A must fight to beat the devil's own game. Will they get out alive? Somebody's Bound to Wind Up Dead series: Too Lucky to Live (Book 1) Murder to the Metal (Book 2) The Devil's

Own Game (Book 3) Praise for Annie Hogsett: The original voice, humor, and unusual premise will appeal to Janet Evanovich readers. —Library Journal STARRED review for Too Lucky to Live Fast pacing, multiple plot twists, and humor, including a Stephanie Plum-like main character, enliven the story and keep the pages turning. —Booklist for Too Lucky to Live The bittersweet mystery, with the open-ended threat of a villainous mastermind, is reminiscent of P.J. Tracy's early 'Monkeewrench' novels. —Library Journal for Murder to the Metal

The Jerusalem File Joel Stone, 2009-01-27 "Successfully grafts a classic hard-boiled detective plot line onto the complexities and dangers of life in modern Israel" (Publishers Weekly). Levin has been living in Jerusalem for most of his adult life. Retired from the security services, he lives alone a few streets away from his ex-wife, continents away from his children. Adrift, Levin accepts a request to follow the wife of an acquaintance and discover her secret lover. Unlike the chaotic, incomprehensible suicide bombings he's used to dealing with, at least this assignment seems like one that could possibly be solved. As Levin watches the woman, Deborah, he begins to assess her as a potential lover might. And when the man her husband believes to be her paramour is murdered—and Deborah, in desperation, turns to Levin with her own unexpected request—his own moral universe becomes as conflicted as the struggle between Arab and Jew for the fate of the fabled city. From the Pulitzer Prize-nominated author of *A Town Called Jericho*, this is both a twisting thriller and a "spare, pensive but never brooding study of obsessive love" (Kirkus Reviews). "The Jerusalem File is styled as a neo-noir mystery story set in contemporary Jerusalem. From the first page, however, the book throws off reflections of its far deeper facets. Joel Stone uses his short and elegantly crafted thriller as the occasion for something much more ambitious—a meditation on the politics of the modern Middle East and, at the same time, the more intimate politics of the human heart . . . A page-turner." —Los Angeles Times

The Damnation of Theron Ware or Illumination Harold Frederic, 1899

The Damnation of Theron Ware Harold Frederic, 1896 Theron Ware is a promising young Methodist pastor recently assigned to a congregation in a small town in the Adirondack Mountains, which Frederic modeled after Utica, New York. His education has been limited and his experiences limited to church society and his strict enforcement of its norms. Theron has a number of experiences that cause him to begin to question the Methodist religion, his role as a minister and the existence of God. His illumination consists of his awakening to new intellectual and artistic experiences embodied by several of his new acquaintances including the town's Catholic priest who introduces him to the latest Biblical scholarship; a local man of science, who eschews religion and advocates for Darwin; and a local Irish Catholic girl with musical talent and artistic pretensions, with whom Theron becomes infatuated. In the end, these three characters grow disappointed in Theron, who initially represented an interesting social specimen but whose emergence from naivete and disparagement of his congregation disappoint them. A parallel concern is the role of women in this society, with a model provided by Theron's wife, the musician-aesthete, and a church fundraiser who charms Theron with a common-sensical approach to religious affairs. Having lost his vocation and his new friends, Theron departs for Seattle, where he imagines he might use his oratorical skills to enter politics.
