Women, Work and Mobilities Nihan Akyelken, 2023-09-29 This book explores the wider implications of how workers

move within and across cities and regions to reach economic opportunities. It does so with a specific focus on women in urban and regional contexts in Turkey. The book reveals specificities and generalisations about mobility patterns of women in low-income households/low-paid jobs and how these change in the existence of urban and regional interventions, such as industrial zoning, urban transformations and mobility restrictions. The book presents new theorisations of work and mobility through labour agency, showing how mobility changes the recruitment and use of labour under state interventions. It orchestrates the existing narratives of containment, mobility and rootedness to shed light on the role of labour agency in organising livelihoods. The book particularly acknowledges the multiscale, multifaceted and relational nature of mobilities entailed in the economy by bringing the role of labour agency into urban and regional contexts. This book will appeal to researchers and students working on labour geography, feminist geography, mobilities and urban studies.

Euro Summits Jonathan O'Brian, 2021-05-03 Panenka's pearl of a penalty in Belgrade, van Basten's volley of a lifetime in Munich, Gazza's agonising near-miss at Wembley: over its six decades, the UEFA European Championship has thrown up many of the most memorable stories in football lore. Now it gets the history it deserves. Euro Summits is the first full retelling of the tournament, from its tentative beginnings in the late 1950s to its elephantine expansion in the mid-2010s. Taking in the USSR's early success, the grim violence of 1968, France's cavalier feats on home soil in 1984, the sensational triumphs of no-hopers Denmark and Greece, Spain's modern-day dominance, all the way up to Portugal's shock victory in 2016, it's a panoramic portrait of an event that captures a whole continent's imagination every four years. Dramatic, detailed and teeming with compelling personalities like Michel Platini, Guenter Netzer, Hristo Stoichkov, Zinedine Zidane, Wayne Rooney and Cristiano Ronaldo, this is the complete story of a footballing event second only to the World Cup.
