

Himnos De Gloria Y Triunfo Todo A Cristo

Ying Liu

Homilías de Bañuelos Jos a. Ba Uelos, José A. Bañuelos, 2012-11 El libro Homilías de Bañuelos consta de 127 Sermones acerca de la Vida práctica Cristiana: - Sermones Vida Cristiana. - Sermones sobre la Consagración. - Sermones sobre la Segunda Venida de Cristo (profecía). - Sermones sobre El Hogar (la familia). - Sermones Escatológicos. - Sermones Evangelísticos.

Nuestra fe Nancy Elizabeth Bedford, Guillermo Hansen, 2023-04-04 En esta segunda edición revisada y aumentada Nancy Bedford y Guillermo Hansen recorren en diez capítulos los temas centrales de la teología cristiana desde una perspectiva protestante y latina. La adoración y la praxis de fe ofrecen puntos de partida que ubican a la tarea teológica en estrecha relación con la vida de las comunidades y las experiencias cotidianas. Temas clásicos de la teología como la trinidad, la cristología, la escatología y la pneumatología, se entrelazan con acentos específicos de la tradición protestante (fe, justificación, santificación, sacerdocio universal, vocación, discipulado) desde una mirada latina atenta a los derroteros de nuestras sociedades y culturas. La inclusión de un glosario y biografía de autores citados pone al alcance del lector una serie de conceptos y personalidades indispensables para comprender el paisaje de la teología cristiana, tanto en su historia como en su actualidad. Laicos y laicas, estudiantes de teología así como pastores y pastoras encontrarán enriquecedoras perspectivas para sus ministerios, sus estudios, o su propio crecimiento en la fe. In this revised and expanded second edition Nancy Bedford and Guillermo Hansen cover the central themes of Christian theology from a Protestant and Latin perspective in ten chapters. Worship and the praxis of faith offer starting points that place the theological task in close relationship with the life of communities and daily experiences. Classic themes of theology such as the trinity, christology, eschatology, and pneumatology are intertwined with specific accents of the Protestant tradition (faith, justification, sanctification, universal priesthood, vocation, discipleship) from a Latin perspective attentive to the present state of our societies and cultures. The inclusion of a glossary and biographies of cited authors makes available to the reader a series of concepts and personalities indispensable for understanding the landscape of Christian theology, both in its history and in the present. Lay people, theology students, and pastors will find enriching perspectives for their ministry, their studies, or their own faith formation.
