The Book of Revelation, Its Timeline Gary Corbin, 2024-04-23 This book provides a guide for understanding the time line of the book of Revelation as John presents it. This includes a closer look at the seven churches of Asia Minor as well as a brief review on the history of the Rapture doctrine and its origin. Although overlooked by traditionalists, the image of the beast that can speak could actually be already with us. This image that can speak was first introduced on October 6, 1927 (the jazz singer) at the world's fair as the first feature film talkie, then escalating into our modern-day AI electronics. As far as being put to death for not worshipping the image of the beast goes, that will come in due time. The time line of these and other events speaks volumes as these events started six years before Adolf Hitler became the fuhrer of Nazi Germany. That German political title fuhrer carries the connotation of messiah, hence "national deliverer." Six years after Adolf Hitler usurps power, WWII ignites as extreme inflation collapses the world's financial institutions, culminating into the Great Depression between 1927 and 1939. The Great Depression is not the only possible explanation for this "deadly wound" but might include something as simple as a segment in a movie as the actor seems to receive it as if it were a deadly wound but gets up and lives on after the movie's director calls, "Cut!" Especially with CGI, this only gets more extreme. This and other theories are based on the fact that the beast of Revelation is clearly a man rising out of the sea as the sea is many people. The false prophet rises out of the earth, being the nations sweeping up the world in an ecumenical movement with the deification of love. This book will revisit the subject of where the northern ten tribes of Israel migrated to after their divorcement and disbursement from the area of their captivity by the Assyrians. Later, these same northern ten tribes—not called Israel but Bit-Khumri by the Assyrians migrated with the Israelites into Scythia. However, before the bulk of these ten tribes migrated northwesterly, some claim they declined an invitation back to Jerusalem to help the Jews (Judah) rebuild the Second Temple under Zerubbabel, Ezra, and Nehemiah (Ezra 1:1-6, 2 Esdras 13:41-45). In this study, the reader will be provided with information for those with an appetite for God's Word, learning the meaning of biblical numbers and much more.

*The Holy Order of Water* William Marks, 2001-10 16 lectures, Dornach, Dec. 23, 1921-Jan. 5, 1922 (CW 303) Today's schools fill children's heads with information instead of helping them develop their natural human faculties and capacities. They place too much stress on memory, leading to inner exhaustion instead of real learning for a healthy, fulfilling life. The

important lectures in this volume were given in Dornach, Switzerland, to leading educators, including many from England. As a result, he was invited to Oxford to expand on some of the themes presented in these talks. Steiner begins by placing Anthroposophy as the foundation for understanding the principles behind Waldorf education. In what follows, he describes an education based on the human as a continually developing being of body, soul, and spirit. From this perspective, Waldorf education depends on the teacher's ability to observe and respond to each stage of a child's development. Steiner shows how Waldorf education emphasizes the efficient use of children's inner energies and how children can be nurtured through their natural stages of development by giving them just what they need at the right time--an approach that Steiner calls soul economy. These detailed and accessible lectures give parents and teachers the keys to a much-needed renewal of education for our children and their future. *The 6th and 7th Books of Moses*, 1999 It is believed these magical books were translated from the ancient Hebrew. The Sixth Book contains Secret Seals used in magical rituals. Each is presented, followed by a matching conjurationa verbal spell summoning entities or energies beyond our reality that may respond and help to achieve the goal of the summoner. The Seventh Book contains magical tables, each of which performs a certain function. Carrying one with you or to a certain area may bring results like wealth, love, or good luck. Also included are examples of magic being performed in the Bible, followed by a Kabala section that reveals secret wisdom, the application of charms and remedies, and magical cures of the ancient Hebrews. If used with good intentions, this book claims to bring good fortune.

**Breaking the Godspell** Neil Freer, 2000 In BREAKING THE GODSPELL, It is gratifying that Neil Freer has set out to probe what the recognition of the existence and Earth-visits of the Nefilim can mean not just to scientists and theologians, but to each human being upon this planet Earth. Zecharia Sitchin, author of The 12th Planet.

Atrahasis Albert T. Clay, 2003 The word Atrahasis means extra wise and refers to the earliest known name of Noah, who built an ark and saved mankind from destruction. This is that story, from ancient Sumeria, which many scholars believe was the original from which all known flood stories came from. This was the most popular story in the ancient world and has survived for over five thousand years. It is the only one that all cultures, worldwide, seem to share. Why? Was there really a great flood? And why do we not explore the oldest known version carefully for clues? That is the purpose of this book, which also includes a number of other interesting flood story fragments and documents.

Past Shock Jack Barranger, 1998-11 Alvin Toffler once coined the term future shock when people are overwhelmed by the future. Past Shock suggests that events from thousands of years ago strongly impact humanity today. It reveals why religion was created, what organized religion won't tell you, the reality of the slave chip programming that we all have, what really happened in the Garden of Eden, what the Tower of Babel was and why we were stopped from building it, how we were conditioned by gods to remain spiritually ignorant, and much more. Exposes the pretender gods advanced beings who were not divine, but had advanced knowledge of scientific principles, including genetic engineering. Our advanced science of today has begun to unravel their secrets. Learn how to overcome the slave chip conditioning and begin living life as it was meant to be, as a spiritually fulfilled being.

**III Minutes to XII** Ed DesAutel, 2018-02-27 This book was not written to convince anyone to change their views or to take sides in any issue that may arise from any point of view stated by the Author, Ed DesAutel. Any relation to personal belief in science or religion is the author's own observations based on research and analysis of the bible and various books and science publications. Anyone may research the same information and come to their own conclusions as to what may be the true history of the Caucasian race in relation to the biblical story. Past and current scientific research have excavated old cities in various locations around the world that is uncovering western man's historical past that is directly and indirectly involved with the bible. This book, III Minutes to XII, will attempt to tell the untold story of our ancient and modern day ancestors, the Caucasian race, that existed before the great flood of the bible and after. This book will attempt to explain where modern Caucasian man had his beginning and where his technology came from, and where his destructive nature was born. I will try to explain some of the questions that modern man asks about the bible, his science, mythology, and what does science ( $E=mc^2$ ) have to do with creation? Who are the sons of God that called themselves watchers in the book of Enoch? Who were the giants of the bible? Where did they go? What is the meaning of 666, the number of a man in Revelation 13:18? Many books have been written about what is going to happen to man because of his destructive nature? Should we be

worried? Read this book with an open mind, and draw your own conclusions.

**Nothing in This Book Is True, But It's Exactly How Things Are, 15th Anniversary Edition** Bob Frissell, 2010-06-15  
Nothing in This Book Is True, But It's Exactly How Things Are is an account of humankind's function within the grand celestial battle between internal and external knowledge. Author Bob Frissell gives a compelling account of our planetary ascent into higher consciousness, presenting a big-screen view of the Earth through the experience of the Ascended Masters, Thoth, Babaji, and Drunvalo Melchizedek. Pulling in all manner of conspiracy theories from the Secret Government to the Philadelphia Experiment, Frissell proposes both a core transdimensional shift based on the Mayan calendar and a personal Rapture mediated through the connected, affirmed breaths of rebirthing that his teacher Melchizedek used to travel from the other side of the universe to here—breathing your own spacecraft (merkaba) out of and around your aura in order to travel through the astral realms. The 15th anniversary edition of this cult classic is revised and expanded with new illustrations and 50 pages of important new information on the Lucifer Rebellion, the solar storm, and the final three breaths of the merkaba meditation.

New Age Bible of Mother Africa (Volumes 1 & 2) T Lindsey-Billingsley, 2019-12-13 The author, T. Lindsey-Billingsley, has compiled a no-nonsense philosophical study guide exploring racial origins, the African origins of humanity, and prehistoric Kemetic influence throughout the world. The main focus of these studies is on the anthropological and physiological makeup of racial groups, with indepth research into both the 'Out of Africa' theories and divine creationism myths. Billingsley supplies concrete evidence to support her conclusions on the true human experience, in lieu of, popular speculation and theory devoid of logic and sound proof. In this, and subsequent volumes, the author will establish a new perspective of thinking that will tempt you to challenge the validity of theological creationism and evolution, whilst substantiating a strong position on intelligent design and extraterrestrial intervention.

*The Cydonia Codex* George J. Haas, William R. Saunders, 2005 The result of ten years of study and analysis of NASA photographs of the Face on Mars and its surrounding complex, The Cydonia Codex provides evidence for a terrestrial connection between Cydonia and Mesoamerica--Provided by publisher.

Ann Eller, 2009-09 Ann Eller, who worked with Dr. J. Allen Hynek, the Father of UFO-Alien research, has a unique perspective on the UFO enigma. Her fascinating story also revisits her days in the White House during the Clinton administration, as a medevac nurse for the Peace Corps, and her exceptional encounters with other-worldly beings. An incredible contact experience in Laramie, Wyoming left Ann with a message to tell the world. Ann clearly and powerfully articulates what mankind must do in the coming days to live consciously. In her book, *Dragon in the Sky; Prophecy from the Stars*, Ann challenges our assumptions about our daily life, warns us about what is on the very near horizon and stresses the need for dramatically improving the quality of our relationships to each other and to the Divine. She shares her wisdom filled

with inspiration, humor, and spiritual insight.

**Nothing in This Book Is True, But It's Exactly How Things Are, 25th Anniversary Edition** Bob Frissell, 2019-06-25

The twenty-fifth anniversary edition of this underground classic explores higher consciousness, human evolution, metaphysics, sacred geometry, the secret government, and more • Gives clear instructions on MerKaBa (Light Body) activation and the companion Unity Breath • Details our ancient past as seen through the eyes of the Ascended Masters • Provides exercises, tools, and techniques to clear the energies blocking your access to your Higher Self In this special edition, Bob Frissell has kept intact the basic message of the previous edition; he has also expanded upon it by including significant additions and updates to virtually every chapter, including ten completely new chapters. The author details from a big-picture perspective the enormous infusion of higher dimensional energy that is dramatically raising the vibratory rate of the planet and everyone on it. He also gives the details of the personal transformation that we must make if we are to survive and thrive, so we can “catch the ride” into higher consciousness in a way that enables Mother Earth to reach critical mass and become “lit from within.” This is the story of nothing less than the birth of a new humanity, of the cocreation of Heaven on Earth. Through the Right Eye of Horus, around the circles and spirals of sacred geometry, in and out of the magic of Breath Alchemy, even surviving the potentially cataclysmic pole shifts intact, we will eventually assemble internally our own MerKaBa, the universal pattern of creation, and join the Ascended Masters. We will meet the forces working to advance our evolution of consciousness and those seeking to block it. When we reach critical mass, Mother Earth will shift into a higher dimensional level. Many galactic presences have already gathered around our planet, watching and waiting to observe this unprecedented event. This is a time of great celebration as we move out of the darkness and into the light. It means that the veils will be lifted, we will remember and live our intimate connection to all life, and we will be allowed to reunite with our cosmic brothers and to move about the universe. We will completely redefine what it means to be human!
