Gabrielle Moore

The Misquotable C.S. Lewis William O'Flaherty, 2018-03-16 C.S. Lewis wrote many great words, but not everything you see with his name on it is from the famed author of the Narnia books. Seventy-five quotations are presented that have an association in one way or another with a host of names, including: Ryan Seacrest, Anthony Hopkins, Max Lucado, Rick Warren, and Tim Allen! Learn the three most common ways Lewis is misrepresented: 1. Falsely Attributed Quotes: Expressions that are NOT by him. 2. Paraphrased: Words that are ALMOST what he said. 3. Out of Context: Material he wrote, but are NOT QUITE what he believed. This book doesn't stop there. Also discover what Lewis actually said that is related to the presented misquotes. Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable, but obviously misquotable!

The Message of Love Patrick Mitchel, 2019-09-19 Love - such a deceptively simple and popular little word. It is universally agreed that we need love to live and flourish as human beings; and yet, within our contemporary culture, there are numerous confusing, competing and evolving ideas about what 'love' is. There are few greater subjects in Christian theology than love, yet it is a surprisingly complex and challenging concept to understand, let alone live out faithfully. Patrick Mitchel's conviction is that Christians need to be thinking about, and practising, love in compelling and authentic ways. Our task is not only to articulate what love is, but also to show to the world what true Christian love looks like in practice. 'The only thing that counts is faith expressing itself through love' (Gal. 5:6 NIV). Mitchel's exposition explores love in the Old Testament, how the love of God is supremely revealed in the mission and death of Jesus Christ, love in the life and teaching of Jesus and the church's calling to be a community of love. He helps us to grasp afresh the breadth, depth, scope and radically counter-cultural nature of the Bible's teaching on love. With a fully integrated study guide, suitable for both individuals and groups,

The Message of Love will help you to see how the Bible's unified teaching on this vital theme can impact your life today.

Marked by Love Tim Stevens,2018-10-01 What does it mean to be Marked by Love? The more I peel away the rules and expectations and exhausting obligations, the more I find the love of Jesus. These things don't peel away easily—more like a price tag that you pick off in a million tiny pieces. But with every scrap removed there is exposed a treasure of love that was there the whole time—disguised and hidden by religion. -- Tim Stevens ### Jesus said the one thing that would set his disciples apart from others...they would be known by their love for each other. No tattoo. No uniform. No team colors or logos or code words. The one thing that would mark the followers of Jesus—love. Consider. . . How would I treat someone who I disagree with in a political discussion if I ran everything I said through a filter of love? How would I treat the family member who drives me crazy if I were marked by love? What would be different about my social media posts or comments if I really loved the people I was responding to or writing about? How would I talk about or act toward the LGBTQ community if I was actually following in Jesus' steps? This is real life stuff. Join seasoned author Tim Stevens as he walks you through 31 story-driven chapters that will challenge and encourage you to filter every thought, behavior, word, and action through a lens of love. If you've ever been discouraged by Christianity—whether you're a lifelong churchgoer or you gave up on religion a long time ago—Marked by Love will be a game-changer in your faith journey.

Love Letters to God Devon Spencer,Katherine Willis Pershey,2025-07-29 *Love Letters to God* is an intensely personal and

deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith, family, and life circumstances but find common ground in their devotion to Christ, Christianity, and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief; suffering and rejoicing; death, loss, and baptism; and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability, and speaks to all who cherish their faith and their friends.

Fierce Love Susan Scott, 2022-01-11 Grow your relationship through conversations that make a difference. New York Times bestselling author Susan Scott guides couples through eight must-have conversations to create a fierce love that stands the test of time and grows stronger over the years. Often in our romantic relationships, we long for deep connection, but we don't know how to communicate well and sometimes withhold what we're really thinking and feeling. This can lead to fighting, resentment, or, worse, complacency--where you are just going through the motions, more like roommates than two people in love. As Susan writes, It's as if we've pulled off our own wings. As couples, we don't stop to think how important our conversations are. And we certainly don't understand that what we talk about and how we talk about it determine whether our relationships will thrive, flatline, or fail. In *Fierce Love*, New York Times bestselling author Susan Scott guides couples through eight must-have conversations that lead to deep connection and lasting commitment. Through the use of true stories and hands-on exercises, Susan helps us understand that the conversation is the relationship; identify and dispel five relationship myths that mislead and derail us; learn eight conversations that are critical to enriching relationships; and stop fighting or ignoring issues and start connecting in a deep and meaningful way. After a season where many relationships were tested and tried, where some relationships thrived and others have exposed cracks couples didn't even realize were there, or realized but didn't acknowledge, now is the best time to learn to communicate well. By having honest, compelling conversations with our partners, we can foster true connection and a fierce love that will withstand the test of time and grow stronger over the years.
