RUMI - Drops of Enlightenment: (Quotes & Poems) Jalal Al-Din Rumi,Murat Durmus,2022-10-26 This book is dedicated to all who believe in beauty, love, mindfulness, and the power of words. (excerpt) FOREWORD I remember it well as if it were yesterday. I was ten years old when my father took me to a performance of the dancing dervishes in Konya. I was fascinated by the elegance of their movements, as if they were floating. But, to be honest, I did not know how to classify my impressions at that moment. It was just too much. On the one hand, I was deeply impressed and touched; on the other hand, I was afraid (today, I would call it awe). In any case, my visit at that time left lasting impressions. So much so that they keep coming back to my mind. Rumi's poems and quotations are omnipresent. They appear everywhere, and one cannot escape their depth, beauty, and meaning. They are a part of great human creativity and remind us repeatedly how powerful (in a positive sense) words can be. This little booklet addresses all who believe in beauty, love, mindfulness, and the power of words. May Rumi's words touch you as they have always touched me and be a companion for a fulfilling and inspiring life. Murat Durmus

Mystical Poems of Rumi Jalal al-Din Rumi,2010-04-15 My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi's love for God in romantic or erotic terms. His vast body of work includes more than three thousand

lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept English translations of this enigmatic genius. *Mystical Poems* is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world's greatest poets. "Rumi is one of the world's greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students."—James W. Morris, Oberlin College

Rumi Poetry Rumi, 2017-04-07 6. My soul gave me good counsel, teaching me to love. Love was for me a delicate thread stretched between two adjacent pegs, but now it has been transformed into a halo, its first is its last, and its last is its first. It encompasses every being, slowly expanding to embrace all that ever will be.

Lessons from the Mountaintop Lawrence Pintak, 2025-08-22 *Lessons from the Mountaintop* is an inspiring account of the experiences of modern-day spiritual explorers who have dedicated their lives to the mystic quest to find their own Truth. It is aimed at readers looking for answers in our complex and challenging world. Few of us will ever retreat to a mountaintop or spend decades in monastic silence. Some of the individuals profiled in *Lessons from the Mountaintop* have done exactly that. Others have spent their lives studying with spiritual masters of multiple traditions. A New York record company art director, a medical doctor from Australia, a formerly unhoused non-binary BIPOC Californian, and other once ordinary folk who have carved out their own unique spiritual paths. You will not find them on the best seller lists or the Spiritual 100 rankings. Most of them quietly pursue their spiritual quest far from the media spotlight. What prompted them to walk away from it all? What do they see that the rest of us do not? What lessons do they bring back from their spiritual journeys? What can we learn from them? Veteran journalist and author Lawrence Pintak introduces the reader to individuals of grace and profound spiritual experience who he has encountered in his decades reporting from around the globe, and others he sought out as he explored unfamiliar spiritual traditions. The result is a fascinating collection of profiles that offer deep insight into what has been called the perennial wisdom at the heart of the world's religions. *Lessons from the Mountaintop* contains lessons for us all, whether we are religious, spiritual, or simply trying to navigate our complex and challenging world.

Taking Back Islam Michael Wolfe, Editors of Beliefnet, 2004-08-16 "The thinking person's guide to Islam in a post-9/11 America" —Publisher's Weekly *Islam*, the least understood of the world's great religions, is balanced on a precipice between the past and the future, between fanatical fundamentalists and progressives advocating peace. Noted Islamic authority Michael Wolfe moderates 35 expert speakers, writers, and leaders, including Yusuf Islam (Cat Stevens) and Karen

Armstrong, the bestselling author of A History of God and Islam. Leading authorities discuss the future of Islam, tear down false stereotypes, review the historical realities that have shaped the religion, and examine paradoxes and schisms within the faith. At a time when every Muslim is forced to defend his faith and Americans are curious about Islam's basic tenets, this book answers many questions at the same time that it ponders both the danger and promise of the future.

Contemporary Sufism Meena Sharify-Funk,William Dickson,Merin Shobhana Xavier,2017-12-22 What is Sufism? Contemporary views vary tremendously, even among Sufis themselves. Contemporary Sufism: Piety, Politics, and Popular Culture brings to light the religious frameworks that shape the views of Sufism's friends, adversaries, admirers, and detractors and, in the process, helps readers better understand the diversity of contemporary Sufism, the pressures and cultural openings to which it responds, and the many divergent opinions about contemporary Sufism's relationship to Islam. The three main themes: piety, politics, and popular culture are explored in relation to the Islamic and Western contexts that shape them, as well as to the historical conditions that frame contemporary debates. This book is split into three parts: • Sufism and anti-Sufism in contemporary contexts; • Contemporary Sufism in the West: Poetic influences and popular manifestations; • Gendering Sufism: Tradition and transformation. This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam, gender, and the West. It offers an ideal starting point from which undergraduate and postgraduate students, teachers and lecturers can explore Sufism today.

Hallaj Husayn ibn Mansur Hallaj, 2018-07-15 Winner of the Global Humanities Translation Prize Hallaj is the first authoritative translation of the Arabic poetry of Husayn ibn Mansur al-Hallaj, an early Sufi mystic. Despite his execution in Baghdad in 922 and the subsequent suppression of his work, Hallaj left an enduring literary and spiritual legacy that continues to inspire readers around the world. In Hallaj, Carl W. Ernst offers a definitive collection of 117 of Hallaj's poems expertly translated for contemporary readers interested in Middle Eastern and Sufi poetry and spirituality. Ernst's fresh and direct translations reveal Hallaj's wide range of themes and genres, from courtly love poems to metaphysical reflections on union with God. In a fascinating introduction, Ernst traces Hallaj's dramatic story within classical Islamic civilization and early Arabic Sufi poetry. Setting himself apart by revealing Sufi secrets to the world, Hallaj was both celebrated and condemned for declaring: "I am the Truth." Expressing lyrics and ideas still heard in popular songs, the works of Hallaj remain vital and fresh even a thousand years after their composition. They reveal him as a master of spiritual poetry centuries before Rumi, who regarded Hallaj as a model. This unique collection makes it possible to appreciate the poems on their own, as part of the tragic legend of Hallaj, and as a formidable legacy of Middle Eastern culture. The Global Humanities Translation Prize is awarded annually to a previously unpublished translation that strikes the delicate balance between scholarly rigor, aesthetic grace, and general readability, as judged by a rotating committee of Northwestern faculty, distinguished international scholars, writers, and public intellectuals. The Prize is organized by the Global Humanities Initiative, which is jointly supported by Northwestern University's Buffett Institute for Global Studies and Kaplan Institute for the Humanities.

The Circle of Love Llewellyn Vaughan-Lee, 1999-03-18 The circle of divine love is always present within the heart. The journey of the mystic is to retrace this circle and so experience the oneness that is hidden within us. In *The Circle of Love*, Llewellyn Vaughan-Lee continues his work of providing a contemporary understanding of Sufism, drawing us into this mystery of the soul. He describes the way of mystical prayer and of listening with the heart. He offers valuable insight into power and the spiritual life: how to use one's power to break free of restrictions and live the joy of one's divine nature. He explores the primordial question of why we so easily forget our origin in God. Finally, *The Circle of Love* takes us deep into the mystical secret of being lost in God, to the center of the circle where the lover merges into the Beloved and the heart's deepest truth is revealed. "... Vaughan-Lee calls us back to the circle of love where nothing is excluded." —Spirituality & Practice

From Self to Self Leo Hartong, 2005-09-18 A compilation of expressions, questions and answers that came about in response to Leo's highly praised first book *Awakening to the Dream*. Leo writes with characteristic insight and uses metaphor to illuminate the paradoxical and apparently confusing nature of non-dual reality. His original writing is reinforced by a vast knowledge of non-duality in other spiritual traditions and he weaves these together with his own direct path to present clear pointers to contemporary seekers. An appropriately chosen quotation taken from various sources appears at the end of each short chapter. Also included at the end of the book is the full text of the Hsin-hsin Ming by the third Chan patriarch Seng-ts'an. "The words in this book repeatedly point to the essence which knows the reading as it takes place. Rather than an encouragement to follow a lengthy path, it is an invitation to step off the path. It does not point to 'your' awareness, but to Awareness itself in which the idea of 'you' appears. It does not point to 'your' beingness, but to the undeniable Beingness that appears as you."
