What Happens When a Woman Prays is a clarion call for women to continue their progressive march of empowerment by dreaming like their daughters and praying like their grandmothers. **I Forgot to Stay Sober** J.T. Wahlberg, 2021-02-05 After two decades of mental, emotional, and physical afflictions, J. T. Wahlberg had had enough, and he was all set to end his twenty-year addiction to alcohol. There was just one problem: he “forgot” to research the potential risks of detoxing on his own without any medical supervision. Armed with cans of Campbell’s Chunky soup, plenty of water, and a few tips he had picked up from the movie *Trainspotting*, he hunkered down in his apartment for what he imagined would be a couple of days of pain followed by a life of sunny sobriety. Instead, it’s a miracle he survived to tell his story. In between describing his harrowing do-it-yourself alcohol withdrawal experience, Wahlberg recounts how and why he became addicted to alcohol in the first place, the negative effects his addiction had on his health and his personal and professional life, and his unconventional approach to sobriety over the past six years. He also offers a blistering critique of alcohol’s socially accepted and yet destructive role in society and urges readers to reconsider their relationship to this highly addictive substance.

Rebellion is one of the world’s most successful independent games developers and also a film and TV production company and publisher. Combining his love of Medieval History and success in business, this unique book will give insight into a modern interpretation of the Knightly Code of Chivalry, the moral system which combined a warrior ethos, knightly piety, and courtly manners, all combining to establish a notion of honour and nobility, in a motivational and aspirational take on how to live life to the fullest. Each chapter will focus on one main chivalric theme, and how it has influenced his philosophy, helped equip him with personal tools to succeed, and how it has maximised his work-life balance. The book will also provide insight into his love for the medieval period and how this complements his professional life.

*Nothing but the Truth* Robyn Gigl, 2024-06-25 “Topically relevant, edgy, and riveting” (Library Journal), this groundbreaking and provocative legal suspense series combines a unique protagonist—a transgender defense attorney—with twist-filled, provocative plots that will appeal to fans of J.A. Vance and Philip Margolin. New Jersey State Trooper Jon Mazer has been charged with killing Black investigative reporter Stewart Marshall in a racially charged, headline-making murder. The evidence against criminal defense attorney Erin McCabe’s new client is overwhelming. The gun used is Mazer’s off-duty

weapon. Fingerprints and carpet fibers link Mazer to the crime. And Mazer was patrolling Marshall's neighborhood shortly before the victim took three bullets to the chest. Mazer's argument? He's a gay officer being set up to take the fall in an even bigger story. Mazer swears he was a secret source for Marshall's exposé about the Lords of Discipline. The covert gang operating within the New Jersey State Police is notorious for enforcing their own code of harassing women, framing minorities, and out-powering any troopers who don't play their rogue and racist games. With everyone from the governor to the county prosecutor on the wrong side of justice, Erin and her partner, Duane Swisher, are prepared to do anything to make sure Mazer doesn't become another victim. As Erin deals with an intensely personal issue at home, and faces an uphill battle to prove her client's innocence, both she and Duane find themselves mired in a conspiracy of corruption deeper than they imagined—and far more dangerous than they feared.

*Fake History* Jo Teeuwisse, 2023-10-12 **\*\*An International Bestseller\*\*** Fake news about the past is fake history. Did Hugo Boss design the Nazi uniforms? Did medieval people think the world was flat? Did Napoleon shoot the nose off the Sphinx? **\*Spoiler Alert\*** The answer to all those questions is no. From the famous quote 'Let them eat cake' - mistakenly attributed to Marie Antoinette - to the apocryphal horns that adorned Viking helmets, fake history continues to shape the story we tell about who we are and how we got here. With doctored photographs, AI-generated images and false claims about the past circulating in the news and on social media, separating fact from fiction seems harder than ever before. Jo Hedwig Teeuwisse, better known as The Fake History Hunter, is on a one-woman mission to hunt down fake history and reclaim the truth for the rest of us. In this fascinating and illuminating book, Teeuwisse debunks 101 myths so you can correct your friends and family, and arm yourself with the tools to spot and debunk fake history wherever you encounter it.

Heaven Is Too Far Away Louis Shalako, 2010-09-25 Funnier than Kelly's Heroes, darker in places than Catch-22, and more irreverent than M\*A\*S\*H, this satirical WW I Royal Flying Corps memoir will leave the reader in stitches and historians shaking their heads. The most aggressive pilot wins. Lieutenant-Colonel Tucker racks up quite a score, and it's not just enemy aircraft either, for the tall and heavily decorated Will Tucker. He likes the ladies and they like him. The fact that he flies against the Red Baron and lives to write his memoirs is just a bonus.

**Someone Knows** Lisa Scottoline, 2019-04-09 Bestselling and award-winning author Lisa Scottoline reaches new heights with this riveting novel about how a single decision can undo a family, how our past can derail our present, and how not guilty doesn't always mean innocent. Allie Garvey is heading home to the funeral of a childhood friend. Allie is not only grief-stricken, she's full of dread. Because going home means seeing the other two people with whom she shares an unbearable secret. Twenty years earlier, a horrific incident shattered the lives of five teenagers, including Allie. Drinking and partying in the woods, they played a dangerous prank that went tragically wrong, turning deadly. The teenagers kept what happened a secret, believing that getting caught would be the worst thing that could happen. But time has taught Allie otherwise. Not getting caught was far worse. Allie has been haunted for two decades by what she and the others did, and by the fact that she never told a soul. The dark secret has eaten away at her, distancing her from everyone she loves, including her husband. Because she wasn't punished by the law, Allie has punished herself, and it's a life sentence. Now, Allie stands on the precipice of losing everything. She's ready for a reckoning, determined to learn how the prank went so horribly wrong. She digs to unearth the truth, but reaches a shocking conclusion that she never saw coming--and neither will the reader. A deeply emotional examination of family, marriage, and the true nature of justice, *Someone Knows* is Lisa Scottoline's most powerful novel to date. Startling, page-turning, and with an ending that's impossible to forget, this is a tour de force by a beloved author at the top of her game.
