

Ballard High Rise Blades

Bella Andre,Jennifer Skully

High-Rise: A Novel J. G. Ballard,2012-04-16 Class war erupts in a luxurious high-rise apartment building.

Dimensions of Monstrosity in Contemporary Narratives A. Ng,2004-09-14 Interweaving psychoanalysis, gender and cultural studies, and postmodern theories of geopolitics, this study of the monster in contemporary narratives demonstrates that the monster (and monstrosity) is largely a cultural and ideological production. Figures such as the serial-killer, the monstrous child, deformed bodies and spatially-influenced monstrosity will be considered through analyses of texts by Peter Ackroyd, Bret Easton Ellis, and Angela Carter (among others). The conclusion proposes that language itself becomes monstrous when it attempts, and fails, to articulate the monster.

Castaway Tales Christopher Palmer,2016-05-10 A wide-ranging and appreciative literary history of the castaway tale from Defoe to the present Ever since Robinson Crusoe washed ashore, the castaway story has survived and prospered, inspiring a multitude of writers of adventure fiction to imitate and adapt its mythic elements. In his brilliant critical study of this popular genre, Christopher Palmer traces the castaway tales' history and changes through periods of settlement, violence, and reconciliation, and across genres and languages. Showing how subsequent authors have parodied or inverted the castaway tale, Palmer concentrates on the period following H. G. Wells's *The Island of Dr. Moreau*. These much darker visions are seen in later novels including William Golding's *Lord of the Flies*, J. G. Ballard's *Concrete Island*, and Iain Banks's *The Wasp Factory*. In these and other variations, the castaway becomes a cannibal, the castaway's island is relocated to center of London, female castaways mock the traditional masculinity of the original Crusoe, or Friday ceases to be a biddable servant. By the mid-twentieth century, the castaway tale has plunged into violence and madness, only to see it return in young adult novels—such as Scott O'Dell's *Island of the Blue Dolphins* and Terry Pratchett's *Nation*—to the buoyancy and optimism of the original. The result is a fascinating series of revisions of violence and pessimism, but also reconciliation.

The Last London Iain Sinclair,2017-09-07 A New Statesman Book of the Year London. A city apart. Inimitable. Or so it once seemed. Spiralling from the outer limits of the Overground to the pinnacle of the Shard, Iain Sinclair encounters a metropolis stretched beyond recognition. The vestiges of secret tunnels, the ghosts of saints and lost poets lie buried by developments, the cycling revolution and Brexit. An electrifying final odyssey, *The Last London* is an unforgettable vision of the Big Smoke before it disappears into the air of memory.

Heroes In Love (Maverick Billionaires Romance Collection, Books 1-3) Bella Andre, Jennifer Skully, 2021-08-01 These bad boys have everything except love! HEROES IN LOVE contains three full-length contemporary romances about the Maverick Billionaires—sexy, self-made men from the wrong side of town who survived hell together. When each Maverick falls for an incredible woman, he will find that true love is the only thing he ever needed. Millions of readers around the world have fallen in love with Bella Andre’s contemporary romances! BREATHLESS IN LOVE After surviving a hellish childhood, Will Franconi is now living the dream life where everything he touches turns to gold and he's able to buy and race the fastest cars in the world. But something's missing. A woman like Harper Newman, who fills up the empty places inside him...if only he could ever be worthy of her love. RECKLESS IN LOVE Sebastian Montgomery rose from nothing to become one of the most powerful media moguls on the planet. Yet beneath the seemingly perfect façade of his life, as a child he lost his faith in love and never got it back. When he discovers Charlie Ballard and her incredible metal sculptures, he is awed, inspired—and he can’t help feeling things he swore never to let himself feel again. He wants not only Charlie’s art, he wants her as a woman. And what a Maverick wants, he always gets. FEARLESS IN LOVE After growing up in a seedy Chicago neighborhood, Matt Tremont seemingly has it all now—brains, brawn, and billions. And most importantly, Noah, his five-year-old son, the one good outcome of a disastrous relationship that destroyed his trust. The only thing he’s lacking is the perfect nanny for his son. And Ariana Jones is absolute perfection. Utterly enchanting. Completely fascinating. And totally off limits. But when sizzling sparks of attraction turn into a forbidden, sinfully hot night of pleasure, will Ari’s love be enough to make Matt forget the past and love fearlessly? 5 STAR REVIEWS I loved every single moment of this story. It was so emotionally charged! Don't begin this book in the evening—you will read all night long! I was swept away by the romance! I cannot recommend this book highly enough. A beautiful story of love and acceptance! I loved every moment of it. A beautiful, loving, fun, sexy, romantic story! The chemistry is explosive! Loving this series! The Maverick Billionaires are amazing. What a rush! I loved this book. Magnificent! The writing is so poignant. The emotions palpable. This book had romance, depth, excitement, strong characters and sizzling chemistry. THE MAVERICK BILLIONAIRES Breathless In Love Reckless In Love Fearless In Love Irresistible In Love Wild In Love Captivating In Love Unforgettable In Love More Maverick Billionaires are coming soon! Bella Andre's New York Times and USA Today bestselling novels have been #1 bestsellers around the world and she has sold more than 9 million books so far! Known for sensual, empowered stories enveloped in heady romance (Publishers Weekly), her books have been Cosmopolitan Magazine Red Hot Reads twice and have been translated into ten languages. She also writes sweet contemporary romances as Lucy Kevin. There are more than 50,000 5 star reviews for Bella Andre's books on Goodreads! NY Times and USA Today bestselling Jennifer Skully/Jasmine Haynes is the author of classy romance, hilarious romantic mysteries, and the Max Starr paranormal suspense series. Her books have passion, heart, humor, and happy endings. Jennifer lives in the Redwoods of Northern California with her husband and their adorable nuisance of a cat,

who obviously runs the household.

Industrial Diamond Review ,1980

Psychedelic Decadence Martin Christopher Jones,2001 Cruises through popular British culture of the 1960s and 1970s by way of a collection of eclectic, illustrated essays. With an emphasis on the 'throwaway' world of sex, drugs, movies, comics and rock'n'roll, Glam and Gutter are explored in detail, courtesy of an occasional surprising diversion... From cliched hippies to nonconformists, through trend-crushing youth movements to pop stars in bad horror movies and prog rock, nothing is safe from the crushed velveteen grasp of Psychedelic Decadence.

Measure and the Truth Doug Niles,2012-03-06 The epic conclusion to the fantasy trilogy that began with The Rise of Solamnia and Crown & the Sword continues the saga of the post-war era in Solmania, a central region in the Dragonlance world.

Cogeneration David Flin,2009-10-30 If there are two phrases we have come to know very well, they are 'environmental awareness' and 'credit crunch'. The world is looking for ways to decrease the emission of CO2 into the atmosphere, without incurring major costs in doing so. By increasing efficiencies up to about 90 per cent using well-established and mature technologies, cogeneration represents the best option for short-term reductions in CO2 emission levels.
