

Quotes From Harriet Tubman

Phillip Hesser,Charlie Ewers

Frame-Able Quotes by Harriet Tubman Typewriter Typewriter Publishing,2018-10 Frame-able Quotes by Harriet Tubman with bonus quotes about her offers a total of twenty historically inspiring gems in a whimsical font. With a straight edge blade or scissors, you can cut the 8x10 sized pages out and put them in a frame for your wall or desk. Or, keep the book intact and flip through it when you need a little positive reinforcement throughout your day. Inspirational messages always make excellent gifts, so consider framing them to give away, too! Harriet Tubman was a runaway slave from Maryland who became recognized as the Moses of her people. Over the course of 10 years, and at considerable personal risk, she led hundreds of slaves to freedom along the Underground Railroad, a secret network of safe houses where runaway slaves could stay on their journey north to freedom. She later became a leader in the abolitionist crusade, and during the Civil War, she was a spy for the federal forces in South Carolina and a nurse.

Order more than one because when they see it, they are going to want one for themselves!

A Guide to Harriet Tubman's Eastern Shore Phillip Hesser,Charlie Ewers,2021-09-20 When Harriet Tubman crossed the line to freedom in Pennsylvania, she left behind her home in Maryland, along with a life of enslavement. Her native land made Tubman the person she became to history: Underground Railroad conductor, Civil War scout and nurse, suffragist and advocate for the aged and disabled. Authors Phillip Hesser and Charlie Ewers explore the landscape of Tubman's life, from the slave quarters to the churches to the marshes and fields where she worked. Travel to nineteenth-century Dorchester

County and search for the places that Harriet Tubman would never know again--some of them now lost to sinking lands and rising waters.

Harriet Tubman Jean M. Humez, 2006-02-06 Harriet Tubman's name is known world-wide and her exploits as a self-liberated Underground Railroad heroine are celebrated in children's literature, film, and history books, yet no major biography of Tubman has appeared since 1943. Jean M. Humez's comprehensive Harriet Tubman is both an important biographical overview based on extensive new research and a complete collection of the stories Tubman told about her life—a virtual autobiography culled by Humez from rare early publications and manuscript sources. This book will become a landmark resource for scholars, historians, and general readers interested in slavery, the Underground Railroad, the Civil War, and African American women. Born in slavery in Maryland in or around 1820, Tubman drew upon deep spiritual resources and covert antislavery networks when she escaped to the north in 1849. Vowing to liberate her entire family, she made repeated trips south during the 1850s and successfully guided dozens of fugitives to freedom. During the Civil War she was recruited to act as spy and scout with the Union Army. After the war she settled in Auburn, New York, where she worked to support an extended family and in her later years founded a home for the indigent aged. Celebrated by her primarily white antislavery associates in a variety of private and public documents from the 1850s through the 1870s, she was rediscovered as a race heroine by woman suffragists and the African American women's club movement in the early twentieth century. Her story was used as a key symbolic resource in education, institutional fundraising, and debates about the meaning of race throughout the twentieth century. Humez includes an extended discussion of Tubman's work as a public performer of her own life history during the nearly sixty years she lived in the north. Drawing upon historiographical and literary discussion of the complex hybrid authorship of slave narrative literature, Humez analyzes the interactive dynamic between Tubman and her interviewers. Humez illustrates how Tubman, though unable to write, made major unrecognized contributions to the shaping of her own heroic myth by early biographers like Sarah Bradford. Selections of key documents illustrate how Tubman appeared to her contemporaries, and a comprehensive list of primary sources represents an important resource for scholars.

Incredible Quotations Jacqueline Sweeney, 1997 Celebrate and learn from the remarkable words of Abe Lincoln, Amelia Earhart, Rosa Parks, Michael Jordan, Ghandi, Anne Frank, Beethoven, Aesop, and so many more. This very special resource features 230 quotations along with ready-to-use prompts that invite students to think, write, discuss, and debate. Topics range from courage to humor, values to leadership. A great way to encourage journal writing! For use with Grades 4-8.

Harriet Tubman in Her Own Words Julia McDonnell, 2015-12-15 Harriet Tubman's fame as a conductor on the Underground Railroad led to her nickname: Moses. She displayed considerable courage leading fugitive slaves to freedom and, incredibly, never lost a "passenger." Less well known is Tubman's service in the Union army as a scout and spy during

the Civil War. This captivating volume uses Tubman's own remembrances as well as other primary sources to provide a greater understanding of her astonishing life story as well as major issues of the United States in the 1800s. Historic photographs, fact boxes, and sidebars add valuable information to the main text and appealing design.

Fantastically Faithful Heroes Who Gave their All for God Paul Kerensa, 2025-02-27 Get ready to be inspired by eight fantastically faithful people who all had one thing in common: they each answered God's call to help others and became a hero. Here, you will meet: Edward Jenner: who saved millions of lives when he invented the first ever vaccine Harriet Tubman: an escaped slave who rescued many other enslaved people Pandita Ramabai: who helped thousands of abandoned children and child widows Edith Cavell: a nurse who treated the wounded on both sides in the First World War John Harper: a pastor who put other people first when the Titanic sank Corrie Ten Boom: who helped hide Jewish people escaping the Nazis Martin Luther King Jr: who worked to change laws that discriminated against African Americans Jesse Owens: an athlete who beat all the odds to win four Olympic gold medals Be encouraged to follow their example and become a hero too! With humorous black and white line drawings and text that bounces off the page, books in this biography series for the twenty-first century will inspire kids aged 7 plus to put their faith in Jesus and to use their talents for the glory of God. Each chapter ends with a Bible memory verse, questions for reflection, and a short prayer.

The Thread Leonie Mattison, 2019-11-17 Take Control of Your Life and Achieve Intentional Transformation. Let God into your heart and remember that you are not alone through this journey. A self-help book unlike any other, *The Thread* will share with you personal experiences, prayers, poems, activities, and journal prompts which will guide you day-by-day through the healing journey. Discover how Leonie H. Mattison achieved intentional transformation through Christ, and as you read, find hope even in your most challenging times. A childhood filled with adverse, severe experiences left Leonie with post-traumatic stress disorder, a prisoner in her soul, and trapped in her mind. As a single mother of three, when she looked at herself in the mirror, she saw a broken girl with a sick soul, a noisy mind, and a traumatized heart. *The Thread* was born out of these life-shattering circumstances. In a tapestry of stories, Leonie shares her struggles, pairing them with tales of women in the Bible who also faced severe tragedy, trial, or failure. She leads readers along a gentle path that shows them how they responded in faith and explains *The Thread* it created in each of them. The result is a resounding six-step T.H.R.E.A.D call to action to help you: Think of the Outcome You Want to Achieve Harvest the Lessons You Have Learned and Heal Your Heart Release Fear and Reclaim Your Life Enlist Allies to Support the Woman Who Has Been Locked Inside Adopt New Mindsets to Break the Hurtful Patterns and Create New Healthy Behaviors Design Your Joyful Life and Enjoy It The women of *The Thread* have the courage to discover, embrace, and accelerate their God-given purpose. Leonie's prayer is that each beloved reader will recognize that they, too, are worthy of love, can find freedom, and enjoy closeness with God. Embark on your journey today and begin the transformation of your life. Don't hesitate, order your copy and begin. Learn more about *The Thread* at

Be Free Or Die!: Harriett Tubman In Her Own Words Phillip Thomas Tucker, 2019-09-13 For the first time ever, this new book has allowed Harriet Tubman to speak for herself in her own unforgettable words of passion and faith. It is the personal view of this author that the very best way to get to know the real Harriet Tubman is to allow her own words to express her bold ideas about slavery and liberty and what they meant to her. The overall purpose of this book has been to present the best inspirational quotes of Harriet Tubman in order for today's reader to better understand this incredible woman on a more personal and intimate level, while celebrating the remarkable life an American heroine and icon.

She Persisted: Harriet Tubman Andrea Davis Pinkney, Chelsea Clinton, 2021-01-05 Inspired by the #1 New York Times bestseller *She Persisted* by Chelsea Clinton and Alexandra Boiger, a chapter book series about women who stood up, spoke up and rose up against the odds! In this chapter book biography by bestselling and award-winning author Andrea Davis Pinkney, readers learn about the amazing life of Harriet Tubman--and how she persisted. Born enslaved, Harriet Tubman rose up to become one of the most successful, determined and well-known conductors of the Underground Railroad. With her family's love planted firmly in her heart, Harriet looked to the North Star for guidance--and its light helped guide her way out of slavery. Her courage made it possible for her to help others reach freedom too. Complete with an introduction from Chelsea Clinton, black-and-white illustrations throughout, and a list of ways that readers can follow in Harriet Tubman's footsteps and make a difference! A perfect choice for kids who love learning and teachers who want to bring inspiring women into their curriculum. And don't miss out on the rest of the books in the *She Persisted* series, featuring so many more women who persisted, including Claudette Colvin, Ruby Bridges, Oprah Winfrey, and more! Praise for *She Persisted: Harriet Tubman*: * This chapter-book biography humanizes [Tubman] and brings her to life . . . Pinkney and Flint have created a standout series opener. --Kirkus Reviews, *STARRED REVIEW* The story-like text moves along at a brisk pace, relating anecdotes that will appeal to young readers . . . and the simple line drawings that appear every few pages add nuance. --Booklist This engaging biography is a quick but informative read and well-matched for the intended audience. --School Library Journal

Greatest Blacks Ever Ambassador Elliston Rahming, Briana Louise Cacuci, 2017-06-16 From an article entitled "History's Black Hole" from the January 10, 2016 global edition of the New York Daily News, Arthur Browne opines, "Across every field of endeavor, from the ministry to medicine and from education to entrepreneurship, book merchants balk at memorializing black experience and accomplishments." Essentially, this book is a celebration of black accomplishments—over centuries and across continents—and seeks to fill a portion of that "black hole." Of the roughly 7 billion people who inhabit this planet, some 1.5 billion are classified as white, and blacks account for 1.1 billion. The remaining over 4 billion are somewhere in the middle. Yet, throughout the years, a paucity of written materials have recorded the positive influences and myriad

contributions that the great number of black citizens have made toward global peace, progress, prosperity, and pleasure.

Celebrating Around the Table Trillia J. Newbell, 2024-09-03 Explore the Stories, Food, and Faith of Black Americans Your family is invited to learn more about the accomplishments and adversities of twelve noteworthy African American believers, including Frederick Douglass, Elizabeth Freeman, Harriet Tubman, and some others you don't know but should. Biography of Harriet Tubman S. J. A., 2012-03-14 ABOUT THE BOOK The annals of American history are full of heroes who fought for freedom. But few in those legions are women, and even fewer are also African-American. Harriet Tubman, an African-American woman, was a famous anti-slavery activist, best known for helping free slaves before the Civil War. Leading slaves through the Underground Railroad, she helped to secretly transport them into the northern states where they could be free. Tubman remains an iconic hero who left her family behind to ensure that they all remained free and repeatedly making trips back to the South to free other slaves - always at the risk of her own hard won freedom. In 19 trips she freed over 300 slaves, all while evading capture of herself and the refugees she was guiding. Tubman's importance to the Abolitionist movement cannot be overstated; in addition to freeing slaves, she provided those who were still enslaved with hope. Tubman successfully freed so many slaves that the African-American community quickly nicknamed her 'Moses'. Many slaves may have found slavery a little bit more bearable, believing Tubman would eventually come to rescue them. Although Tubman is most famous for having freed enslaved African-Americans, her service to the community didn't end with the start of the Civil War. During the war, she worked as a Union spy, a nurse to wounded soldiers, and participated in a mission to free 756 slaves during the war. MEET THE AUTHOR S. J. A. is an experienced writer and a member of the Hyperink Team, which works hard to bring you high-quality, engaging, fun content. Happy reading! EXCERPT FROM THE BOOK Tubman's effort to advance the status of African-Americans continued after the Civil War as well. Despite personal struggles with poverty, she always attempted to help support newly freed African-Americans. She used the proceeds from a book about her life to purchase land for a group home for sick or otherwise needy African-Americans. Tubman purchased the land in 1896 and gave it to the Ame Zion Episcopal Church in 1908, as she could not complete the project herself. She lived in the home after its completion until her death in 1913, telling the home's many visitors stories about her experiences so that they would not be forgotten. Unfortunately, Tubman was not honored by the U.S. government for her many years of service before and during the Civil War. However, shortly before her death, the U.S. Congress finally passed a resolution agreeing to give her a pension

of \$20/month. The U.S. government's lack of validation demonstrates that Tubman was doing what she did for the African-American community and for higher principles such as freedom and equality; she never seemed to care that her government didn't thank her properly for a job well done. Tubman was born in Maryland, a slave state in the 1800s, as Amarita Ross. Born to two slave parents, Tubman was born a slave, sometime between 1820 and 1822; her exact birth date is unknown, probably because masters often did not keep adequate records of slave births. She was required to do what her masters told her to do and was always in danger of being sold to someone else and separated from her family. For the first few years of her life, her family was more stable than many slave families, as her masters did not choose to sell any of the slaves to other masters. Slaves were generally forced to remain illiterate so that they wouldn't gain the education or knowledge necessary to realize they were being mistreated and potentially overthrow their masters. Therefore, Tubman was not allowed to learn to read or write. But though she wasn't educated, she was intelligent. As a child, this intelligence must have made her aware that slavery wasn't the natural order of things.

Courageous World Changers Shirley Raye Redmond, 2020-01-07 WINNER OF CHRISTIANITY TODAY'S 2021 BOOK AWARD FOR CHILDREN & YOUTH Women of Fearless Faith Meet women who have used their God-given talents to live out their faith to the fullest. They come from a variety of backgrounds, eras, and ethnicities, but each one has answered the Lord's call on their life in bold and innovative ways. Children of all ages will be inspired by the stories of Corrie ten Boom—activist, author, and Holocaust survivor Laurie Hernandez—gymnast who won both gold and silver medals in her sport Florence Nightingale—health care reformer Madeline L'Engle—author of children's literature Katherine Johnson—trailblazing NASA mathematician These and the 45 other female spiritual role models featured in this book have made a profound impact on the world around them, and in many cases changed the course of history. Strong, smart, and sometimes outspoken, these women are tremendous examples of God's love in action. These inspiring profiles will captivate kids' imaginations and encourage them to discover their own gifts and how they can use them to glorify God.

Hard Times Come Again No More Alex Joyner, 2010-09-01 Stephen Foster, Job, the Canaanite woman—what do they have in common, and what can we learn from them? Pastor and storyteller Alex Joyner takes us deep into the lives of these three people, exploring anger, audacity, hope, and joy. Through it all, he poses the question: Why do we suffer? *Hard Times Come Again No More* is a six-week study that affirms the goodness of God, the reality of evil, and the wonder and tragedy of living in hard times. Alex Joyner is the author of *Restless Hearts: Where Do I Go Now, God?* and writes for the popular FaithLink adult studies and the online magazine Catapult. A published poet and photographer, he has served as campus minister at the University of Virginia and is now pastor of Franktown United Methodist Church on Virginia's Eastern Shore.

The Oxford Dictionary of American Quotations Hugh Rawson, Margaret Miner, 2005-12-15 With nearly 6,000 quotations arranged historically and annotated extensively, you'll know not just who said what, but get the full story behind

the quote. Follow any of the more than five hundred topics (from Abolition to Zeal) and you will get a nutshell history of what great (and not-so-great) Americans had to say about each one. Quotations are arranged chronologically in each topic, allowing the reader to trace patterns of thought over time. Fully indexed by author (including brief biographical sketches) and keyword, this is an essential reference for anyone interested in the great people and ideas of American history.

Quotationary - The A-Z Book of Quotations Nasser Amiri,2024-06-27 Compiled over many years by Nasser Amiri, this is by far the most comprehensive collection ever compiled of carefully selected quotations from the world's great philosophers, writers, historians, musicians and thinkers. Quotationary is a source of inspiration for every writer, book-lover and thinker. It contains the thoughts of many of the finest minds since ancient man started to express his wit and wisdom in aphoristic form. It is inspirational, instructive, amusing and literary; alongside a dictionary and thesaurus it is a must-have purchase for any author, writer, journalist or anyone working with words.

Ultimate Journey to Greatness Ama Josephine-Esther Kachikwu,2017-05-16 This is a complete guide that provides answers, permanent solutions, and robust principles for the next level in life, leadership, career, marriage, business, government, ministries, and nations. What is the Ultimate Journey to Greatness? It is time to quit worrying about everything. Stop thinking of what may happen. It is not the end yet! Begin the ultimate journey to greatness and leave a lasting legacy. Ultimate Journey to Greatness is a heavenly established guide and a timeless invaluable resource on ultimate power and freedom. The companies that failed in the past were never meant to fail. Countries that went to war with each other were never meant to go to war. Deaths from HIV were not expected to occur in the first place. Poverty has a permanent solution, but the world is still romanticizing palliation. The world has lived on possibilities laced with 50 percent chances for such a long time. Thus, the biggest inventions were not sparked up by research but by men who believed nothing was impossible. You must stop thinking of the limitations of possibilities for the next level as individuals, families, communities, business, corporations, and nations. Are you afraid of everything or looking for the next level? This is a book you must read. It provides prophetic guidance for you on the ultimate journey to greatness. The key to greatness is fundamental, and you must master it. Everyone needs it.

stay up Khodi Dill,2023-10-31 An incisive, innovative, and inviting take on fighting oppression and fighting for racial justice. Racism is a real and present danger. But how can you fight it if you don't know how it works or where it comes from? Using a compelling mix of memoir, cultural criticism, and anti-oppressive theory, Khodi Dill breaks down how white supremacy functions in North America and gives readers tools to understand how racism impacts their lives. From dismantling internalized racism, decolonizing schools, joining social justice movements and more, Dill lays out paths to personal liberation and social transformation. Vibrant, dramatic collages by stylo starr complement Dill's propulsive voice. Fueled by joy and hope as much as by rage and sorrow, this groundbreaking book empowers racialized young people to be

confident in their identities and embrace the fullness of their futures.

The Archaeology of Harriet Tubman's Life in Freedom Douglas V. Armstrong, 2022-09-09 Harriet Tubman's social activism as well as her efforts as a soldier, nurse, and spy have been retold in countless books and films and have justly elevated her to iconic status in American history. Given her fame and contributions, it is surprising how little is known of her later years and her continued efforts for social justice, women's rights, and care for the elderly. Tubman housed and cared for her extended family, parents, brothers, sisters, nieces, and nephews, as well as many other African Americans seeking refuge. Ultimately her house just outside of Auburn, New York, would become a focal point of Tubman's expanded efforts to provide care to those who came to her seeking shelter and support, in the form of the Harriet Tubman Home for the Aged. In this book, Armstrong reconstructs and interprets Tubman's public and private life in freedom through integrating his archaeological findings with historical research. The material record Tubman left behind sheds vital light on her life and the ways in which she interacted with local and national communities, giving readers a fuller understanding of her impact on the lives of African Americans. Armstrong's research is part of a wider effort to enhance public interpretation and engagement with the Harriet Tubman Home.

The Top Books of the Year Quotes From Harriet Tubman The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Quotes From Harriet Tubman : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics

Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
