Teaching English as a Foreign Language Carola Surkamp, Britta Viebrock, 2018-03-24 Diese Einführung in englischer Sprache präsentiert in 14 Kapiteln die grundlegenden Themen und Gegenstandsbereiche der Englischdidaktik. Gleichmaßen praxisnah wie theoretisch fundiert, behandelt der Band zentrale Prinzipien und Kompetenzbereiche eines modernen Fremdsprachenunterrichts. Ausgehend von den zentralen Akteur/innen (Lehrende und Lernende) und mit Blick auf die Teilbereiche der Sprach-, Literatur- und Kulturdidaktik werden zudem Vorschläge für den Einsatz unterschiedlicher Materialien und Medien diskutiert. Weitere Kapitel widmen sich den institutionellen Organisationsstrukturen und dem Bereich Assessment/Diagnose. Der Band erscheint in zweifarbiger Gestaltung, mit Definitionen und Beispielen sowie mit zahlreichen Abbildungen. This comprehensive introduction presents the fundamental topics and issues of TEFL (Teaching English as a Foreign Language) in 14 chapters. Integrating both profound theoretical and creative practical considerations, the central principles and competence domains of modern foreign language teaching are discussed. Starting with the main classroom agents (teachers and learners), the chapters outline a variety of content areas (language, literature, cultural issues) and thoroughly review materials, media and methods. Additional chapters are concerned with the historical development of English language teaching, its current institutional organisation as well as assessment and evaluation.

Principles and Practices of Teaching English as an International Language Aya Matsuda,2012-03-16 This book critically examines current ELT practices vis-à-vis the use of English as an international lingua franca. It bridges the gap between theoretical discussion and the practical concerns of teaching English as an international language (EIL), and presents diverse approaches for preparing competent users of English in international contexts. Part 1 examines how the linguistic and functional varieties of English today complicate ELT, and suggests ways to address them effectively in an English language classroom. Part 2 showcases English courses and programs that are specifically based on the EIL perspective, illustrating how the issues addressed in Part 1 are realized in a real context. This section also presents a collection of EIL pedagogical ideas that have been developed and used successfully by English teachers across the world.

The Routledge Handbook of Teaching English as an International Language Ali Fuad Selvi,Nicola Galloway,2024-12-30 The Routledge Handbook of Teaching English as an International Language provides a ground-breaking overview of the research on the global spread of English with pedagogical implications. Bringing together a number of key scholars and scholarly discussions on various aspects of teaching English as an International Language (TEIL), this handbook directs research in this field to help inform the much-needed paradigm shift in ELT away from idealized native English-speaking

norms. Reframing English language, language teaching, and teacher education to match the new sociolinguistic landscape of the 21st century, this handbook analyzes this topic in seven key areas: Theoretical considerations Major frameworks and proposals Principles and practices of teaching and assessing English Innovative approaches, varied contexts, and transformative practices Diverse teaching settings and populations Teacher education and professional development Research developments and future directions The Routledge Handbook of Teaching English as an International Language is essential reading for scholars and students researching in the areas of World Englishes, English as a lingua franca, English as an international language, Global Englishes, ELT, sociolinguistics, and critical applied linguistics.

Teaching English as an International Language Peter Strevens, 1980

Teaching English as a Foreign Language in Primary School Mary Lou McCloskey, Janet Orr, Marlene Dolitsky, 2006
In this volume, language educators and program implementers from various (EFL) settings worldwide describe programs and practices designed to support English instruction for primary-aged learners.

International Handbook of English Language Teaching Jim Cummins, Chris Davison, 2007-12-31 This two-volume handbook provides a comprehensive examination of policy, practice, research, and theory related to English language teaching (ELT) in international contexts. Nearly 70 chapters highlight the research foundation for the best practices, frameworks for policy decisions, and areas of consensus and controversy in the teaching and development of English as a second and/or additional language for kindergarten through to adult speakers of languages other than English. In doing so it problematizes traditional dichotomies and challenges the very terms that provide the traditional foundations of the field. A wide range of terms has been used to refer to the key players involved in the teaching and learning of the English language and to the enterprise of English language teaching as a whole. At various times and in different contexts, the following labels have been used in countries where English is the dominant language to describe programs, learners, or teachers of English: English as a second language (ESL), English as an additional language (EAL), limited English proficient (LEP), and English language learners (ELL). In contexts where English is not the dominant language, the following terms have been used: English as a foreign language (EFL), English as an international language (EIL), and English as a lingua franca (ELF).

Teaching English As a Foreign Language, 1936-1961 Richard C. Smith, 2005 This set includes the works of neglected theorists such as Horace Wyatt and Michael West. This set complements *English as a Foreign Language Teaching, 1912-1936: Pioneers of ELT*.
