An Intergenerational Feminist Media Studies Jessalynn Keller, Jo Littler, Alison Winch, 2019-10-23 Feminism and generation are live and ideologically freighted issues that are subject to a substantial amount of media engagement. The figure of the millennial and the baby boomer, for example, regularly circulate in mainstream media, often accompanied by hyperbolic and vitriolic discourses and effects of intergenerational feminist conflict. In addition, theories of feminist

generation and waves have been, and continue to be, extensively critiqued within feminist theory. Given the compelling criticisms directed at these categories, we ask: why bother examining and foregrounding issues of generation, intergeneration, and transgeneration in feminist media studies? While remaining skeptical of linearity and familial metaphors and of repeating reductive, heteronormative, and racist versions of feminist movements, we believe that the concept of generation does have critical purchase for feminist media scholars. Indeed, precisely because of the problematic ways in which it is used, and its prevalence as a volatile, yet only too palpable, organizing category, generation is in need of continual critical analysis, and is an important tool to be used—with care and nuance—when examining the multiple routes through which power functions in order to marginalize, reward, and oppress. This book covers a range of media forms: film; games; digital media; television; print media; and practices of media production, intervention, and representation. The contributors explore how figures at particular stages of life—particularly the girl and the aging woman—are constructed relationally and circulate within media, with particular attention to sexuality. The book emphasizes exploring the ways in which the category of generation is mobilized in order to gloss sexism, racism, ageism, class oppression, and the effects of neoliberalism. The chapters in this book were originally published as a special issue of *Feminist Media Studies*.

Fifty Shades Of Grey E L James, 2012-04-03 And in this quiet moment as I close my eyes, spent and sated, I think I'm in the eye of the storm. And in spite of all he's said, and what he hasn't said, I don't think I have ever been so happy. When literature student Anastasia Steele goes to interview young entrepreneur Christian Grey, she encounters a man who is beautiful, brilliant, and intimidating. The unworldly, innocent Ana is startled to realize she wants this man and, despite his enigmatic reserve, finds she is desperate to get close to him. Unable to resist Ana's quiet beauty, wit, and independent spirit, Grey admits he wants her, too—but on his own terms. Shocked yet thrilled by Grey's singular erotic tastes, Ana hesitates. For all the trappings of success—his multinational businesses, his vast wealth, his loving family—Grey is a man tormented by demons and consumed by the need to control. When the couple embarks on a daring, passionately physical affair, Ana discovers Christian Grey's secrets and explores her own dark desires. Grey E L James, 2015-06-18 E L James revisits the world of *Fifty Shades* with a deeper and darker take on the love story that has enthralled millions of readers around the globe. I've never felt this desire, this . . . hunger before. It's a new feeling, new and shiny. I want so much from her: her trust, her obedience, her submission. I want her to be mine, but right now . . . I'm hers. Christian Grey exercises control in all things; his world is neat, disciplined, and utterly empty—until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy,

unworldly Ana seems to see right through him—past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart.
