"Know about" vs. "know of" - English Language & Usage Stack ... Recently one of my friends told me that there is distinct difference between 'know of something' and 'know about something' expressions. 'know of' is used when you have personal experience with wha... **grammar - "Name and I" or "name and me" when they are neither ...** Sep 18, 2017 · It would indeed generally depend on whether or not the first person was the subject or object of the verb, but your example brings forth another grammatical rule with the preposition "between" which always takes "me" after "and" when the first person is referred to. "Between you and me" is correct but "between you and I" and "between me and you" are not.

differences - How to use "know" and "realize" correctly - English ... To know something is more long-term, perhaps after having realized it. The first definition for know is: to perceive or understand as fact or truth; to apprehend clearly and with certainty They sound similar, but in usage to realize something is more of an "aha!" moment, while knowing something can last far longer than that. *grammar - If you or somebody you know ... are/is ...? - English ...* I primarily want to know which of "are" or "is" is the appropriate verb. My hunch is that "you or somebody you know" can be substituted by a plural pronoun, which makes the verb "are"; but I am thrown off by "if somebody you know are" (which is wrong, I think - or at least it sounds wrong), and I don't know what the rule is.

"aware" vs "know" - English Language & Usage Stack Exchange For me, know implies knowledge of details or individual pieces, while am aware of implies a knowledge only of a whole. Using your example, knowing my rights means that I know I have the right to remain silent, the right to be represented by an attorney, etc. Being aware of my rights might mean the same thing, but implies that I know that I do have rights, but am not sure what those rights are. **Meaning and interpretation of Bilbo's "half as well" quote** Feb 29, 2016 · In The Lord of The Rings, Bilbo says the following to his assembled guests at his eleventy first birthday party: I don't know half of you half as well as I should like; and I like less than hal... **"Know now" vs. "now know" - English Language & Usage Stack ...** Jan 3, 2017 · The sentence I'm writing goes like this: As much as I love the pure sciences, I know now a well-rounded education is valuable. But the words "know" and "now" are so similar that every time I read... *"I don't know nothing" vs "I don't know anything" [duplicate]*

NB: "I don't know nothin' about that" ≠ "I don't not know anything about that". The second is a true double negative; the first is still a single negative reinforced through reduplication, which is why it still has a negative sense. The true double negative alone has positive sense. *Is there a word for the phrase "I don't know what I don't know"?* In my current job, I'm

constantly trying to figure out when the next thing I don't know that I don't know is going to bite me in the butt and cause me to have to rework my code. I've been working ... "Had not" vs. "have not"? - English Language & Usage Stack ... As far as I know, the subjunctive mood is never used in such a simple sentence like the one B uses: Yeah, I had not seen it before. If B were to add "I wish" or "if" (along with a consequence) at the beginning of the sentence, then it would be correct. For example: Yeah, I wish I ...
