City of Stones. Matera Giulia Fonnesu, 2019-10-29 Matera astonishes, more than anything else. For its beauty, for the harshness of the natural environment, for its history, for its disconcerting authenticity. The initial impact is powerful, chaotic, romantic, seen from the heights of the viewing points. Then the city sucks you in to explore its history, inviting you down from the smart streets of 19th-century Matera and into its throbbing heart: the Sassi. A wonderful book not to be missed, with QR codes to learn more about topics and places.

A Guide to Puglia: Five Walking Tours P S Quick, 2017-04-20 Puglia is a developing tourist area in Southern Italy that is

beginning to attract tourists to its varied charms. No longer just a terminus for departing to other destinations it is becoming appreciated for its own attractions. Originally a humble farming region Puglia has been influenced by Greeks, Romans, Normans and Byzantines who each made an impact on the landscape by building ports, churches and other magnificent buildings. This book aims to give the tourist an opportunity to visit and enjoy not only the few major attractions that a guided tour usually includes but many of the other interesting sights that many people do not see. By providing five different walking routes and detailed information about each attraction passed it puts a visitor to Puglia in charge of the time spent at any particular place rather than having to rush and keep up with a guide or join costly tours. The tours will enable you to experience the variety and atmosphere of some contrasting destinations in Puglia. You will be surprised to discover the rich historical monuments of Brindisi and astounded by the Baroque architecture of Lecce; you'll marvel at the unique construction of the Trulli of Alberobello and be transported back in time when exploring the Sassi of Matera.

Basilicata in treno AA.VV., 2023-04-19 I regionali da vivere è la nuova collana Giunti che, in collaborazione con Ferrovie dello Stato, vi darà l'ispirazione per andare alla scoperta del nostro straordinario Paese in treno, mezzo di trasporto ecologico, pratico e rilassante. Di regione in regione e di fermata in fermata, ci si muoverà lungo le linee ferroviarie andando in cerca di bellezze nascoste e curiosità, raggiungibili comodamente a piedi in un raggio di 3 km dalle stazioni. Il vostro viaggio sarà una favola: scegliete dove volete andare, salite in carrozza... e via! La Basilicata è fatta di spazi aperti e poche infrastrutture, di modesta antropizzazione (penultima regione d'Italia per densità demografica, prima della Valle d'Aosta) e di una natura ancora in gran parte selvaggia sempre in grado di offrire panorami mozzafiato. Le montagne e le colline occupano il 90% di uno spazio che è anche il trait-d'union geografico tra due mari: lo Ionio, che lambisce la lunga e pianeggiante sponda orientale, alle cui spalle si apre l'unica pianura, quella di Metaponto, e il Tirreno, che a ovest si infrange sulle rocce frastagliate della breve ma turisticamente animata costa lungo il golfo di Policastro. Due città catalizzano le attenzioni: Potenza, capoluogo regionale, la città verticale e dalle cento scale, che custodisce recenti memorie storiche e interpreta la modernità con la sua forte vocazione industriale; e Matera, fatta di tanti agglomerati, con i due Sassi, il Barisano e il Caveoso, scolpiti nella gola del torrente Gravina e punteggiati di chiese rupestri dal fascino universale. La supremazia di questi due centri lascia tuttavia spazio ai borghi aggrappati alle rocce o alle cittadine come Melfi e Castel Lagopesole, che serbano preziose testimonianze normanno-sveve; oppure da quel piccolo gioiello di antichità romane - e non solo - che è Venosa, fino a Maratea, la perla del Tirreno, affacciata su un mare che regala tonalità di un blu infinito. La terra domina invece la tavola, con le tradizionali paste fatte a mano, i superbi vini (l'Aglianico su tutti) e produzioni olearie antiche di millenni. La Basilicata è una scoperta che non delude mai. Gli itinerari: • Potenza-Taranto • Potenza-Salerno • Potenza-Foggia • Sapri-Cosenza

Places in Italy: A private grand tour (3rd edition) Francis Russell, 2019-07-25 A new and 50% enlarged, entertaining, but fundamentally serious selection of the most rewarding places to visit the most visited and beloved country in the world. Places described have gone from 101 to 150 in this edition. Sicily, Calabria and Apulia are the subjects of greater focus. Towns (additions include Bergamo, Pesaro, Cremona and Todì), villages, museums and individual monuments are discussed, characterised and described. A guide book in its own right, but above all a thoughtful, opinionated and supremely well-informed guide, supplement and corrective to conventional guides. Note this is not a guide to hotels, restaurants and other

amenities.

Fodor's Italy 2013 Fodor's, 2012 With hundreds of full-color photos, an updated edition highlights everything that visitors adore--from Italy's art and architecture to glorious Tuscan hill towns to red-hot nightlife, and even more!
