Stuck Up! Rich E. Dreben,Murdoc Knight,Marty A. Sindhian,2011-11-08 A very funny collection of 100 X-ray images showing foreign objects ingested or inserted into human bodies, accidentally or on purpose. The human imagination truly knows no limits. Without it, there would be no great art, no advances in science and technology, and no extreme sports. Without it, we'd also be deprived of the many insights into human nature that we get out of witnessing other people do

shockingly imprudent things and then try to rationalize them. Stuck Up! capitalizes on this human capability of coming up with creative applications for everyday (and not-so everyday) items way beyond their designated uses, and features 100 X-ray images of foreign objects inserted into human bodies, accidentally or on purpose. It was a million-to-one shot, Doc. My hands were full. I fell. These and many other ludicrous excuses are what emergency room doctors hear every day from patients who check in with various items inserted where the sun don't shine, stuck in various orifices, or ingested in other ways. How exactly did that cell phone end up there? Was it on vibrate? And is the rectum truly the best place to store your bronzed baby shoes? It is at least somewhat understandable to find a rectal thermometer in its intended place, but how about your six-year-old daughter's Barbie doll? Start browsing this hilarious collection of images – you'll be surprised at the patients' creativity and the medical information provided. And: Don't try this at home....

The Long Wait Sophia J,2023-05-10 The Long Wait - Sophia J A heart-wrenching love story, one that will pull at your soul strings... Spanning two decades, this is the story of Tony Lazarus and Rini Franklin. A high-school romance... leading to an unforgettable saga of love, heartache and sacrifice! It is love in its purest and most sublime form: a love that is addictive, beautiful, crazy and passionate! However, it doesn't seem to be enough to sustain their relationship... It gives way, under the burden of parental pressure and societal standards. They shoulder the anguish of separation; sacrificing their desires, emotions and very souls... Fate, however, gives them neither happiness nor peace, in their individual journeys. They face conflict, disharmony, emotional trauma and infidelity... In the process of trying to make a life each, without the other. Trying to find solutions of their own, and dealing with their issues... they stay independent, resolute and true to their faith and values! In all the chaos... the only thing that remains untouched is their love... this kind of love could only be between 'Soulmates' or 'Twinflames'. They seem to be 'twin souls' or 'mirror souls'... that can sense each other's feelings, emotions and pain... even in separation! More than a decade after they walk away from each other - life seems to give them a second chance; though complicated by anger management, broken relationships, social stigma, and much more... A story that makes you think of your first love... your one true love. A story that makes you believe that: 'Love Never Fails, Love Never Gives Up, Love Never Ends'.
