La Ciencia de la Oración - Serie Favoritos Yiye Ávila, 2002 Hoy en día, la opresión del diablo es cada vez mayor contra la iglesia del Señor, por lo que es necesario orar de forma más espiritual y poderosa. Por eso este libro se escribió para los que quieren escapar, para los que anhelan ser cristianos victoriosos, para los que desean ser guerreros de la oración y dar batalla continua al diablo, y derrotarlo en todos los frentes. Si los grandes héroes de la fe fueron hombres de oración, nosotros debemos seguir sus pasos a fin de ser los nuevos héroes, mediante el gran poder de la oración y la fe. Today, the devil's oppression is increasing against the Lord's church, so it is necessary to pray in a more spiritual and powerful way. That is why this book was written for those who want to escape, for those who long to be victorious Christians, for those who desire to be warriors of prayer and give continuous battle to the devil, and defeat him on all fronts. If the great heroes of the faith were men of prayer, we must follow their footsteps in order to be the new heroes, through the great power of prayer and faith.

**The Liberating Spirit** Eldin Villafane, 2021-03-23 This book takes a giant step both in theology and in social ethics. It forces theologians to examine the worship and spirituality of Hispanic Pentecostals as a source of theological construction and pushes the Pentecostals themselves to see the broader social implications of their own faith expressions. With both Hispanic peoples and Pentecostals forming a larger and larger portion of the American cultural and religious reality, this is a vital book, indeed an indispensable one, for any person knowledgeable about our society to read and ponder. Harvey Cox - Harvard Divinity School Here is a pioneering book. . . . Villafane works a synthesis of the cultural and the spiritual and celebrates the capacity of Pentecostalism to appeal to Hispanic Americans. The time is ripe for this important book which delves into the very passion of the human heart and offers an ethic of hope and liberation. It should be read by anyone interested in the spiritual condition of Hispanics in a pluralistic society. Jesse Miranda - Azusa Pacific University The Liberating Spirit should be required reading for anyone interested in the study of social ethics, Pentecostal theology, or Hispanic American theology. Dr. Villafane has broken the long-standing bifurcation of the profane and the sacred so often associated with Pentecostal theology. The Liberating Spirit introduces us to a new and liberating way of being Christians led by the spirit in the modern world. Samuel Solivan - Andover Newton Theological School Fully aware of the pitfalls and promises of oral theology, Villafane approaches his topic from inside an Hispanic Pentecostal understanding of the Spirit,

vividly describing the pains and joys of an Hispanic Pentecostal in the United States. . . . After reading this book it is impossible to paint the whole Pentecostal movement with the brush of right-wing theological and political conservatism.

Walter Hollenweger - University of Birmingham, England

Bosquejos para predicadores Kittim Silva, 2016-04-26 Más de ochocientos bosquejos, entre los 5 volúmenes, sobre textos bíblicos seleccionados y bien desarrollados por el profesor Silva, del Instituto Bíblico de Nueva York, quien comenta: Muchos creyentes se reúnen en grupos para recibir un sermón enlatado, medio cocinado, lleno de palabras y vacío de mensaje. No se puede seguir adormeciendo a los creyentes con la música, los cantos, himnos y coros; la predicación debe de ser viva y exponer las doctrinas de la Biblia, teniendo un principio y un desarrollo lógico y homilético hasta el final.

*El Espíritu liberador* Eldin Villafañe, 1996 The author of this study has a single-minded goal--the construction of a social ethic for the Hispanic Pentecostal Church in America that both coheres with the Hispanic American sociocultural experience and remains consistent with Hispanic Pentecostalism's self-understanding of ethics emerging from its experience of the Spirit.
