**Game On!** Mary Amato,2021-09-07 Join Albert and a group of ragtag aliens as they dribble, cross, and score across the galaxy in this soccer-themed story of unlikely friendships. The day that aliens abducted 13-year-old Albert Kinney was the day he was hoping to make the school soccer team. But that's the way life works sometimes, especially for Albert. Astonishingly the Zeenods, don't want to harm Albert, they want him to play soccer. And so, Albert jumps at the chance to join the Zeenods. Yet just as he is introduced to the specifics of their game and all their high-tech gear, he faces a series of direct threats to his life. Does someone have a mysterious vendetta against Albert? Or does their first opponent, the ruthless team from Planet Tev, want to guarantee that they win? Action-packed, yet filled with humor and heart, Game On! is the first book in a series that features thrilling play-by-play soccer scenes and an intergalactic plot with far-reaching consequences for the Zeenods--and Earth.

**Suffragist Sheet Music** Danny O. Crew,2015-09-16 This is an exhaustive reference work of sheet music published in the United States from the late 18th century to the year after adoption of the 19th amendment to the Constitution granting women the right to vote. In chronological order, the entries present bibliographic data (words by, music by, published in, published by, copyright, size, cover, inside, key, location) on each piece of music, a photographic depiction of the cover or first page (where available), and the complete lyrics for each piece. Included are early music of a rebellious nature, music surrounding the early woman's rights conventions, and pro and anti woman's rights and suffrage pieces from 1795 on; a limited number of entries on non-U.S. sheet music are presented also. General music about women, sentimental and love songs, and songs related to traditional roles and stereotypes have not been included.

Set Your Voice Free Roger Love,Donna Frazier,2025-05-01 Language and the way that people communicate has evolved over time, now you can learn how to effectively use your voice in the most effective way possible in order to get your message across. Every time we open our mouths, we have an effect on ourselves and the way others perceive us. The ability to speak clearly and confidently can make or break a presentation, an important meeting, or even a first date. Now, with the advent of Skype, YouTube, podcasting, Vine, and any number of reality talent competitions, your vocal presence has never been more necessary for success or more central to achieving your dreams. Roger Love has over 30 years of experience as one of the world's leading authorities on voice. Making use of the innovative techniques that have worked wonders with his professional

clients, Love distills the best of his teaching in *Set Your Voice Free*, and shares exercises that will help readers bring emotion, range, and power to the way they speak. This updated edition incorporates what he's learned in the last 15 years as the Internet and talent competitions have completely changed the role your voice plays in your life. These are the new essentials for sounding authentic, persuasive, distinctive, and real in a world that demands nothing less.

**Talk Together** Tak Ananda, 2016-06-16 This book gives insight as to how to deal with the many different challenges that parents face as their child moves into the adolescent phase of development. Such challenges include teenage defiance, family discord and family disconnection, teenage anger, cyberbullying, drugs and alcohol, and mental instability. The author employs the concept of influence rather than control, purposeful direction rather than rigidity, and expansion rather than contraction. The book discards the concept of self-worth as a means to encourage. Rather, a different dialogue is used to encourage, guide and motivate. Ultimately by changing the dialogue it promotes individuality and autonomy and, harmony and connection. The aim here is to harness a young person's innate gifts and to promote personal qualities. As parents reflect in the change in dialogue, what unfolds is a movement towards being real, being authentic, and being true to themselves. The presence of this awareness raises their level of consciousness, and what arises is a way of being that aligns more with the universal principles of love, peace, compassion, and harmony.

*Birds Can Fly and a Fly Goes Buzz!* Stephen O'Connor, 2017-08 Dogs bark, and dogs chew on bark. A duck ducks its head. A bat can fly, but can a fly bat? This sing-along picture book celebrates funny animal words. Catchy beats and silly words will have young readers up and dancing as they learn about animal homonyms. This hardcover book comes with CD and online music access.

Enough Pieces of Crazy to Go Around Melanie Mills, 2021-09-07 Enough Pieces of Crazy to Go Around takes the reader on a journey through the life experiences of Melanie Mills as she struggles to identify and heal her trauma by navigating a system that dehumanizes and dismisses her at every turn. Unwinding the seemingly endless spiral down to memories long buried and bringing them to the light of day. Laying bare these horrors to a system more concerned with qualifying its own existence than providing real support, the reader sees how our culture bends to invent realities more suitable for appearance than effectiveness. Those who have experienced the dehumanizing effects of medical institutions – or who know someone

who has - will appreciate Mills' candor and honesty - with a bit of humour - as she documents the various barriers she faced to find treatment and community supports. With a narrative that brings the reader into the mind of someone experiencing Dissociative Identity Disorder, Mills' self-awareness and knowledge of social systems offers incredible insight that is a must for anyone working or studying in social work, community development or medical fields. One part autobiographical and one part social analysis, Enough Pieces of Crazy provides a necessary and timely critique of a broken system and offers insight to possibilities for improving social supports for people facing mental health disorders. It is an opportunity for each of us to look inside our lives and our minds to see how we balance what is real and what is fantasy. Who we are and who we want to be. "Trauma is trauma, it's nasty, and it fucks up our lives. But I have learned a great deal and understand more about my life. It is that package I want to share. The trauma I dealt with in therapy."
