Ultimate Self-Care Barbara Halcrow MSW, 2019-12-20 Barbara Halcrow has brought her wealth of experience and knowledge as a social worker, healer, teacher and health care leader to provide information concerning critical personal and work-related self-care challenges many of us are experiencing. This guidebook offers a wide range of practical mind/body/spirit self-care tools, tips, resources, and alternative mindful solutions that can help anyone, anywhere; especially people who extensively give service to others, or who provide direct care for loved ones. While Halcrow addresses some of the important personal life issues we can all face, she also looks at the dramatic impact of earth's climate changes now upon us and offers some practical ways and resources to assist in supporting the recovery of our earth's health. Barbara Halcrow interweaves her work with clear recognition of the intelligent interrelationship of the mind, body and spirit and how our awareness of this energetic interconnection, that involves the connection with the earth itself, can make our self-care even more empowering. An easy step-by-step self-care assessment/planning guide is also included to inspire readers in building their self-care knowledge. Barbara Halcrow's synergistic work is filled with wisdom, encouragement, compassion and hope. The author provides examples of her own self-care and healing journey throughout, thus enhancing this unique and absorbing compilation of information, to prompt our own self-inquiry. Barbara Halcrow's heartfelt writing can even provide

readers with a measure of personal healing.

Paganism on Parole Awyn Dawn, 2022-11-08 Return to Society with Support from Your Pagan Spirituality Building on messages in Paganism for Prisoners, this book empowers you to begin a new practice while on parole or expand the one you started in prison. Awyn Dawn teaches you a variety of ways to enhance your path, including how to leave offerings for the gods, consider different views on magical ethics, and energetically protect yourself without jeopardizing your future goals. She provides uplifting advice for coming out of the broom closet, finding a supportive community, repairing damaged relationships, and working with the magical tools you can have as a parolee. Through meditations, spells, rituals, and more, you can nurture your body, mind, and soul while taking your next step on the road to freedom.

Your Cannabis Experience Sandra Hinchliffe, 2023-04-04 Great experiences with cannabis start with knowledge, moderation, and mindfulness. In this book, you'll learn the foundation to create a great cannabis experience for yourself and your guests. Most people have learned how to use alcohol and prescription drugs appropriately, but very few of us have been educated about using cannabis appropriately. Cannabis education has been practically nonexistent due to the influences of legal prohibition and the stigma around this plant. *Your Cannabis Experience* changes that. This manual introduces the reader to cannabis history and botany basics and helps them prep for their first experience with cannabis, making it enjoyable and safe. It discusses how to shop at a legal cannabis dispensary, as well as how to grow a cannabis plant. With easy recipes for tinctures, beverages, and edibles, as well as instructions for lotions, potions, and spa items, this book guarantees a comfortable and respectable experience with cannabis for every novice entering this wonderful world. This book is for every beginner—young adults, senior citizens, and everyone in-between—and for anyone who hasn't touched cannabis since college and now finds themselves living in a state or country that has recently legalized cannabis, or even for regular users desiring a refresher course in all-things basic cannabis. This colorful guide is also for people who have had less than satisfying or uncomfortable experiences with cannabis and are interested in learning more about this fabulous flower and trying again.

Healing Herbs of the Holy Land Dan Wolf, 2003-10 A look at the myriad healing herbs and plants that were known during biblical times and still grow in the Holy Land, this book explains how to use them in alternative therapies today. Combining the past and present in the field of herbs and healing, this reference uses the Bible and biblical writings as the source for modern research into the properties and uses of herbs and plants. Color photographs of the substances and explanations of easy-to-use ways to apply them make this book accessible to those who believe in the healing power of nature.

Strix Craft Oracle Hekataios, 2025-08-05 Bring the magic of ancient Greece into the modern world with this powerful book full of Strix, Hellenic Polytheist, and Iatromantis practices. Featuring wisdom that used to be only available to scholars, Strix Craft presents Greek magic in a concise format with contemporary ideas and hands-on practices. Oracle guides you through the many compelling facets of the Strix, from its relationship with Greece and Thessaly to how it approaches herbal, healing, and erotic magic. Meet the deities and spirits of Greek magic. Explore how to commune with the dead. Discover the mythology, tools, and festivals of the Strix. This engaging book shows you how to apply ancient magical traditions to everyday life, from performing rituals to working at an altar.

Case Studies for Complementary Therapists Kelly Galvin, Madelaine Bishop, 2010-12-20 This book provides support at curriculum level for developing the complementary potential which exists between complementary and conventional western medicine. It provides students, teachers and practitioners with a framework within which they can effectively analyse and

classify the extensive amount of information gathered in a CAM consultation and help them develop effective and appropriate treatment programmes within the time constraints of a busy clinic. It provides an insight into the initial CAM consultation process, offering possible treatment and collaborative referral options for individual cases rather than dictating diagnostic analysis or treatment protocols for specific conditions. Question suggestions have been provided to help the user collect the necessary information to develop a working diagnosis and treatment protocol for each individual case. Readers can then adapt questions, decision-making tools and therapeutic recommendations to suit the needs of their own clients. Complementary practitioners are often uncertain about the legal and ethical boundaries regarding diagnosis and case management. This book will help CAM students and practitioners recognise situations requiring referral understand their role in collaborative case management and confidently integrate a range of CAM modalities in treatment programmes - Provides a clear case analysis format which can be and adapted to suit the requirements of individual case histories - Specific questioning format - Clearly identifies situations where cross or collaborative referral is necessary - Decision tables help readers prioritise treatment, refer appropriately and help guide clinical thinking when readers are faced with several treatment options. - Class tested, curriculum based

Herbal Remedies Bible Dane Foster,Arthur Bramble,2012-12-26 The world is filled with a lot of chemically made medications that are there to treat every disease under the sun. The negative aspect to all these drugs is the side effects that they come with. As a result of this a lot of people are now spending the time looking for solutions that our ancestors used to help with whatever ailment they have. They are looking to herbal remedies. Herbal Remedies Bible: Life Saving And Healing Herbs For All Ailments provides everything that you would be looking for in one place. The book provides a number of herbal remedies that can be used to alleviate the symptom of a number of ailments. The great thing about herbs is that they do not have debilitating side effects. The only drawback that some may find is that unlike the chemically prepared options it does take a bit longer to work and some people just are not prepared for that in the long run. This book is a must have in every household as a solution can even be found for the common cold. What the author is showing through this publication is that though we have made great progress technologically and otherwise sometimes, particularly when it comes to illness, simple solutions are better.

Amazing Bible Healing Plants, Remedies and Recipes K.Hezekiah Scipio,M.Th.,NCTM,LMT,2011-11-19 The scripture says in Ezekiel 47:12 ...Trees will provide food, and their leaves will be used for healing. This book describes plants in the bible, their medicinal properties and uses. It also gives a listing of many mouthwatering culinary and health restorative recipes...This book offers lessons in natural remedies. But in the person of Mr. K Scipio we have a teacher for our Spirits. I am very lucky to have had the opportunity to learn from such a person. I encourage you to learn from his knowledge of healing herbs, but also from the example of faith and kindness traits so rare and needed in our troubled times. Jon L.
